

The background of the entire page is a romantic landscape. It features a large, glowing sun in the center, partially obscured by the text. The sun is a bright yellow-orange circle. Below the sun are several layers of mountains, rendered in shades of orange, red, and purple, creating a sense of depth. In the foreground, there are dark silhouettes of evergreen trees, likely pines or firs, which are also rendered in shades of purple and red. The overall color palette is warm and evocative, typical of a sunset or sunrise scene.

Hi Meghan,

This personal Astrology reading provides a fascinating insight into your Love & Passion Destiny.

It includes your Venus, often known as the Goddess of Love, as well as the placements of Mars and Neptune at the exact moment you were born. This information can be remarkably accurate in revealing your attitude toward love and romance, your fantasies, aspirations and passionate purpose.

It's important to remember that you have a choice about what develops in your world. If you want to be happier, then you can be, regardless of what occurs in the cosmos. However, your Love & Passion Destiny reading offers insight into your unique characteristics and can help you understand the part the heavens play in the unfolding story of your life.

To the right of each pair of 'aspect' symbols is a group of five stars. The darker the stars, the more powerful and significant the meaning of that aspect is to you.

We wish you a wonderful future!

Love, Comfort and Self-Expression

The lover you are, the lover you want and your creative side.

A Passionate Observer

Venus in Virgo

You're one of life's true 'observers.' Not only do you excel at watching what is happening, but you are also equally superb at assessing things, situations, and people. The truth is, you are happy to let a loved one do what they want until they need your help. Far be it for you to deliberately interfere with what someone close is doing, even if you can see umpteen mistakes they are making that they can't. When the time comes, you are brilliant at explaining how, where and why your loved one made any mistakes.

A part of you that exists on fear. It's as if you believe fear does you good sometimes, keeps you on your toes and helps you think one step ahead of others. You fear the repercussions of poking your nose where it might not be wanted. You fear making decisions about changes that will affect others. You fear the fact that so many people see you as someone who can always pull a right answer to any problem out of the bag. Equally, you fear not being able to provide answers sometimes.

However, you also possess an amazing ability to gravitate toward the finer, exquisite things in life. You don't just order a 'glass of red wine' in a restaurant; you request a vintage that only a true connoisseur will have heard of. You know how to truly indulge yourself and also enjoy introducing others to your tastes.

However, you are happiest when everything is picture perfect and therein lies the problem because your partner will have to get their head around your quest for perfection in all that you do if they are going to be with you forever more.

Sweet Talker

Venus in the 3rd House

You know much about how minds process information. There's a particular skill to this that you probably acquired at a young age.

It makes you adept at instigating and maintaining conversations that result, more often than not, in enthusiastic agreements rather than half-hearted compromises. It's not so much a case of knowing precisely what someone wants to hear but conveying yourself in a way that someone finds themselves nodding without fully considering what you've managed to get them to agree with or commit to!

Your Venus Aspects

Off-the Scale Sexiness Factor ★★☆☆☆

Venus Sextiles Mars

Your beautiful appearance and alluring nature are genuine. There's nothing superficial about your elegance or charm. You possess a strong zest for life and an equally strong desire to experience everything intensely.

With you, little is done or experienced in 'half measures.' Your intensity is probably aimed most at your love life. Your harmonious and peaceful disposition helps you to attract non-aggressive people. However, where love partners are concerned, they too must be sexy and able to satisfy your strongly sensual desires!

Perfect Blend of Passion & Affection ★★★★★

Mars Sextiles Venus

You possess a perfect blend of sexual passion and affection that explains why you look and feel so sexy. You're confident and assertive with pursuing your desires without being overbearing.

This balance makes it easy for you to give and receive love and adoration and attract partners who match your sensual and sexy qualities. There's nothing superficial about your elegance or charm. You possess a strong zest for life and an equally strong desire to experience everything intensely, and the connections you form in all areas of your world are often based on intense mutual attraction, an understanding of mutual needs and plenty of chemistry!

Motivation, Impulsiveness and Passion

How you invest energy and express anger, confrontation, aggressiveness, and competitiveness.

Focusing Energies on Others

Mars in Cancer

You might choose to retreat or withdraw into your shell when faced with change or anything resembling confrontation. Despite possessing strong, tenacious qualities, you need to feel reassured before taking action. This can make you appear deceptively weak or indecisive in the eyes of others.

Through possessing strong nurturing and protective instincts, you'll often prefer to focus these on others, and this can make you very endearing - and sexually attractive!

Focusing your energies on others is often a more positive experience than focusing on yourself. Doing so often highlights concealed insecurities resulting in a tendency to be over-sensitive, too self-protective or self-critical.

You're extremely passionate and will display your argumentative or even manipulative abilities when confronted or angered. Your initial response to either is often more emotional than cerebral.

When feeling confident and reassured, your sympathetic, dependable, protective and helpful sides emerge in the most wonderful ways.

Selfless Leader

Mars in the 12th House

You're motivated deeply by selflessness, but often get what you want by helping others to get what they want. You also probably do this without expecting anything in return. You make an excellent life coach by compassionately encouraging others to challenge themselves.

You prefer secrecy, isolation, and detachment rather than announcing your plans to the world or put yourself in a position where your success can be easily monitored.

You could tend to 'bottle up' aggressive energy within you, and this can be unpleasant when it is finally expressed. However, you soon experience inner peace and healing from doing so.

Your Mars Aspects

Powerfully Passionate ★☆☆☆☆

Moon Squares Mars

You possess an insatiable need to achieve your desires and have a strong emotional attachment to whatever you want or need. This is helpful with providing dynamism and fighting spirit to succeed but can also make you obstinate and short-tempered at times.

Because you possess a powerfully passionate nature, you can tend to overreact or unleash anger in ways you regret later. However, as far as you're concerned, feelings need to be released, not bottled up.

You believe that, if you're going to express yourself, then it's essential to do so passionately and in ways that leave nobody in any doubt about what you think or feel. Your emotional flair and dramatic displays can be released constructively, and in ways others find extremely sensual or downright sexy!

Off-the Scale Sexiness Factor ★★★★★

Venus Sextiles Mars

Your beautiful appearance and alluring nature are genuine. There's nothing superficial about your elegance or charm. You possess a strong zest for life and an equally strong desire to experience everything intensely.

With you, little is done or experienced in 'half measures.' Your intensity is probably aimed most at your love life. Your harmonious and peaceful disposition helps you to attract non-aggressive people. However, where love partners are concerned, they too must be sexy and able to satisfy your strongly sensual desires!

Dial-Back Over-Defensiveness ★☆☆☆☆

Mars Squares Moon

Your passions tend to simmer before being released which can be exciting if done positively. However, if suppressed emotions manifest as anger, then care is constantly required to avoid being hurtful. There is often an element of danger attached to taking risks or acting impulsively, and self-restraint is needed in every area of your life.

The key to managing pent-up frustrations lies with releasing them in healthy, constructive and safe ways. You might also need to accept that you can annoy or upset others at times and mustn't be overly defensive or mean when they make this clear or share feelings with you.

Courage is needed to face what makes you feel threatened. If you react aggressively, then you're wise to accept others will as well.

Perfect Blend of Passion & Affection ★★★★★

Mars Sextiles Venus

You possess a perfect blend of sexual passion and affection make explains why you look and feel so sexy. You're confident and assertive with pursuing your desires without being overbearing.

This balance makes it easy for you to give and receive love and adoration and attract partners who match your sensual and sexy qualities. There's nothing superficial about your elegance or charm. You possess a strong zest for life and an equally strong desire to experience everything intensely, and the connections you form in all areas of your world are often based on intense mutual attraction, an understanding of mutual needs and plenty of chemistry!

Balancing Caution and Bravado ★★★★★

Mars Squares Jupiter

Your list of impressive qualities is a long one. Courage, energy, enthusiasm, strength and sex appeal must keep you constantly busy. Actually, keeping busy is essential because if you allow your high energy and passion levels to build up internally, then, without a creative or physical outlet, they can go from being delightful to downright nasty.

That's why expressing your abundant energy and enthusiasm must be done regularly and healthily. Top of your list of Things Not to Do are acting or deciding impulsively or taking potentially dangerous risks. However, a balance between caution and bravado can be found. Although the world needs more people like you to stand up for others and take risks everyone else is afraid to consider, you need to protect yourself from harm by being less obliging to impulsive urges.

Releasing Negative Energy ★★☆☆☆

Mars Squares Saturn

Your desires and goals are powerful and vivid to you, but you might experience challenges when it comes to expressing and attaining both. This might be due to experiencing harsh criticism or an overly-strict upbringing when you were younger, perhaps from your father or an authority figure.

This might have led to difficulty in overcoming inhibition, shyness, or feelings of inadequacy. A lifelong need exists to release such negative energy which will always result in greater self-confidence, wisdom gained through experience and a strong work ethic. Patience, perseverance, and empathy can be your strong points and facilitate healthy self-esteem, long-lasting relationships, impressed achievements - and much-deserved recognition!

Confidence is Key - 'Close One' ★★★★★

Mars Squares Midheaven

You could believe that investing any effort toward cherished plans or ambitions is better than investing none. However, your fervent and, at times, sporadic approach can mean you focus attention on too many pursuits, plans or projects and spread yourself too thinly as a result.

You want to see results instantly and prefer to create strategies as you go along rather than work to thought-through plans. This also applies to others' ideas and suggestions. You probably see their input as more distracting than helpful or believe they possess a hidden agenda that involves watching you fail.

You might also be disinclined to be advised or instructed by authority figures, perhaps due to a belief that nobody has the right to tell anyone what to do. Fortunately, when your confidence is high, you're more receptive to listening to and working with others and can claim shared responsibility of impressive achievements. If you keep your confidence levels high, then everyone wins!

Expressing Abundant Energy ★★★★★

Jupiter Squares Mars

You possess an abundance of courage, energy, enthusiasm, strength and sex appeal but each needs an outlet constantly. If you allow each to build up without a creative or physical means of release, then they'll release themselves in ways you might struggle to control.

That's why it's essential that you express your abundant energy and enthusiasm regularly but healthily and constructively, without acting or making decisions impulsively or taking potentially dangerous risks.

However, it shouldn't prove difficult to find a balance between bravado and cautiousness. Although you undoubtedly gain admiration for standing up for others and take risks most other people would avoid taking, your impulsive urges and willingness to throw caution to the wind need to be kept in check.

Releasing Negative Energy ★★☆☆☆

Saturn Squares Mars

Despite how powerfully vivid your desires and goals are, you likely experience challenges when expressing or attaining both. Receiving harsh criticism or an overly-strict upbringing when you were younger might have influenced – and continue to affect - your belief in your abilities, and present difficulty with overcoming inhibition, shyness, or occasional feelings of inadequacy.

This pushes you to release negative energy to boost your self-confidence and strong work ethic. Patience, perseverance, and empathy are a few of your many, strong assets and when applied courageously, facilitates healthy self-esteem, long-lasting relationships, impressive achievements - and plenty of well-deserved recognition!

Your Mysterious and Compassionate Qualities Revealed

Imagination, dreams, subconscious and extra sensory perceptions.

Adventure Equals Learning

Neptune in Sagittarius

You're on a personal, lifelong quest to learn and absorb as much information as possible – but will likely focus your learning efforts on gaining an understanding of life on a deep level.

You have a natural fascination with all that can't be explained rationally. This could cause you to gravitate toward unusual phenomena, religion, the occult or philosophy. You could also adopt rigid stances where beliefs and opinions are concerned, convincing yourself that your opinions, through having been formed with considerable effort, must, therefore, be more valid than someone else's.

You will give your 'all' to any interest that fascinates you but might need to guard against an interest becoming a fixation or obsession through being fueled by fantasy or unrealistic expectations. Balance will also likely need to be found between making a realistic and fair judgment of people and situations and allowing emotions to override this.

You're unconcerned with risk-taking, believing 'risk equals adventure' and that adventure forms an integral part of any learning process. This could, in turn, cause you to take unnecessary risks. Therefore, effort needs to be made to be more practical or realistic where the sensible and practical achievement of dreams and goals are concerned.

Balancing Keeness with Obsessiveness

Neptune in the 5th House

Your keenness and ability to 'live in the moment' can cause you to become 'lost in the moment.' What makes absolute sense to you and fires your imagination could be something others see as illogical.

Fleeting or shallow interests don't interest you. As far as you're concerned, if something captures your imagination, then it deserves to be pursued with as much passion as you can muster.

This applies particularly to two areas of your world. The first relates to creative talents, and your mission could involve balancing a keen interest with addictive or obsessive passion. The second relates to affairs of the heart. By not showing caution or restraint, you can pursue crushes, dates, or flings that don't offer potential you believe you saw initially.

Your Neptune Aspects

Collaborative Dream - 'Close One' ★★★★★

Neptune Sextiles Pluto

You have a 'pioneering spirit' and are unafraid to challenge 'norms' or generally accepted ways of thinking. You're able to spot ways to improve or update what everyone else is so willing to accept. However, before you can rebuild a belief or entire belief system, you must first destroy what has become so widely accepted.

This is something you excel at doing. You're capable of deconstructing any aspect of life, a system, a belief or procedure and present a new truth that is far worthier of considering. You might be seen by others to be obsessive or compulsive, but your higher thought processes require you to create order from chaos and simplicity from complexity.

Ultimately, you probably have one main aim in life: to bring people closer together, not necessarily physically but spiritually. Your dream of everyone collaborating for the greater good is not far-fetched, either.

Psychic bonding

Transiting Jupiter Sextiles your natal Neptune

Some couples know instantly what each other is thinking or feeling with no words spoken. The same couples are sometimes able to finish each other's sentences by knowing exactly what the other is going to say.

Psychic bonds exist between people, and if you haven't yet experienced such a connection with someone close, then the likelihood is high that you can now.

If you're willing to open your mind to the possibility that you and someone else can share a deep, unspoken connection, then you're likely to discover that it happens.

Be willing to share your feelings and encourage someone close to do the same. Once this psychic gateway gets opened, it may never, ever close.

Up-and-coming or Messy Trends

The really good news is, a situation is going to change whether you want it to or not. If you're nurturing fears that it will remain the same forever, then you're about see evidence of why you can feel reassured.

February 21st 2017 onwards to May 9th 2030

Captain of Your Own Destiny

Neptune transits your natal 9th house

A new level of open-mindedness makes you receptive to others' beliefs or convictions. However, you could find yourself believing wholeheartedly in something one person subscribes to strongly only to find yourself persuaded by someone else's beliefs or opinions. This can make finding your 'inner compass' or separating what's right from what's wrong or inaccurate increasingly difficult. However, any confusion you experience can serve a helpful purpose if it encourages you to start investing more confidence in your own psychological or philosophical views. The faith you invest in these can move your life forward wonderfully if you keep both feet on the ground and accept that you're the captain of your own destiny when it comes to steering your life in a particular direction.

March 28th 2021 onwards to October 1st 2021

Rediscovering yourself

Transiting Neptune Squares your natal Neptune

When others see you smile, are they seeing the reality of your situation or something you're doing to simply placate them? It appears you are likely aware of how others are depending on you to be logical and sensible, yet you suspect you must act as if you're in full control even though everything, in your mind, secretly seems to be falling apart. Pressure is mounting in more than one way, and urgency seems to be escalating.

How you interact peacefully and sensitively with someone else or certain others in your world depends on how willing you are to dwell less on your fears and focus more on your hopes. You have a fantastic opportunity to assess, layer upon layer, certain beliefs that have been engrained within you, perhaps since childhood and rediscover who you are as a person. But you are learning more about what and whom you truly want and need – and why! With that, will come an understanding of how wonderful your life - and relationships with those within it - can and deserve to be.

April 4th 2021 onwards to September 21st 2021

Managing Energies & Emotions

Transiting Neptune Sextiles your natal Chiron

A strong link could exist now between what you think and feel. However, your thoughts and emotions are being softened as kindness and compassion become more integral to your interactions with others or one person in particular. You're being 'softened' but in a way that facilitates deeper exchanges rather than puts you at risk of being taken advantage of through making yourself as vulnerable as you're likely to become now. You might feel extra sensitive as well, but this opens the door to learning more about managing energies and emotions instead of suppressing them.

Month-by-Month Forecast

Forecast for 14th May to 31st May 2020

Wednesday 27th May

The force is strong within you

Transiting Mars Trines your natal Mars from 27th to 31st May 2020. Exact 29th May

Some people believe that the best way to win an argument is to shout louder than the other person or people. Others adhere to a saying about whoever shouts loudest gets heard above others.

Defensiveness often plays the biggest part in our decision to respond to perceived aggression or confrontation and being overly defensive is something you need to keep an eye on now, particularly where a certain relationship is concerned.

It's possible you could end up being a bit too preoccupied with your List of Needs and overlook what someone else wants or needs. It may feel as if you have tremendous levels of power available to you now but keep some in reserve for everyone's sake.

Saturday 30th

Playful and Forthright

Mars transits your natal 9th house from 30th May 2020 to 19th July 2020

Your quest for knowledge could be pursued rigorously at this time and although much of what you discover or uncover will be interesting and worthy of sharing with others, don't expect everyone to agree with or support your findings or views. This is also a time when intimacy could shift from being a bonding of souls to something more recreational or playful. Your connection with others can also be noticeably more lighthearted, even if you choose to 'say it as you see it' with your viewpoints. There will be something undeniably attractive about your honesty and zest for life, and a partner who makes you laugh or has interesting contributions or observations will make your world feel complete!

Also on Saturday

Biting off more than you can chew

Transiting Mars Opposes your natal Venus from 30th May 2020 to 2nd June 2020. Exact 1st June

Songwriters know how effective it can be to leave gaps in compositions. If music was constant, it would be too much for the ear and brain to take in. Horror filmmakers also know how our imaginations can create something far scarier than any filmmaker could create.

The point surrounds how effective something that isn't there can be compared to something that is. In your relationship world now, it's what isn't being said or conveyed that is putting you in a strong position. Make no mistake; your attraction levels are high.

So too are your creative and financial prospects. But be careful with your charisma now. It's what you're conveying without words that needs to be watched and could cause you to bite off a bit more than you're able to chew!

Forecast for June 2020

Monday 1st June

Call off the quest for perfection

Transiting Venus Retrograde Squares your natal Venus from 1st to 5th June 2020. Exact 4th June

We know nobody's perfect. We also know nothing in life is perfect, either. Even that which appears perfect has imperfections if we're prepared to find them. But why would we want to find that which isn't perfect within something that appears perfect? With that in mind, what levels of perfection are you expecting within your personal world now? Of course, your relationships with certain others will never be perfect.

That's what makes them so fascinating and intriguing. Things might not be as smooth and comfortable as you'd like them to be but the drama you sense looming on the horizon is unlikely to be anywhere near as tense, important or threatening as it appears, either.

All you need to do now to bring about a near-perfect result in your relationship world is refrain from worrying or focusing too intently on finding perfection where 'near perfection' will suffice!

Wednesday 3rd

Cooperation is key

Transiting Venus Retrograde Sextiles your natal MidHeaven from 3rd to 7th June 2020. Exact 5th June

Some people always insist on 'getting their way.' They tend to be largely unconcerned about what matters to others. All that does matter, it seems, is that they 'win' in some way. Such people want those they're trying to persuade to simply succumb and do what's demanded of them.

In your personal world now, you are likely adopting a completely contrary point of view in some way. You know that to get what – or whom – you want, you don't have to be heavy-handed. You need encourage peace and harmony, and you'll discover it will prevail over any tension.

To make progress on personal or romantic fronts, be seen to be approachable and willing to compromise where necessary. The key to progress now relies entirely upon cooperation, not obstruction.

Also on Wednesday

It's all moving forward

Transiting Venus Retrograde Sextiles your natal Sun from 3rd to 7th June 2020. Exact 5th June

Depending on where we are on planet Earth, we're constantly spinning at between 700 and 900 miles per hour. If we stand still, we feel nothing. We're oblivious to how the spinning rock which we inhabit is hurtling through space at approximately 67,000 miles per hour.

So, can it not be said that even when we think nothing is happening in our world or situations show no sign of progress, we're part of a complex process that indicates otherwise? In your personal world now, you probably suspect you're standing still. You're not. You are making real and tangible progress.

You probably suspect a certain situation is far from ideal and makes little sense. Actually, it is very ideal and makes a lot of sense. This is a time to look closely at what appears imperfect and discover that there is a real reason to believe you're much closer to the desired scenario than you probably believe.

Saturday 13th June**Achieving Passionate Potential**

Transiting Mars Sextiles your natal Chiron from 13th to 17th June 2020. Exact 15th June

This is a time when you could become more conscious of the energy you possess for personal transformation and healing in your life – and within your closest relationships. However, you'll need to be prepared to address deep-rooted pain and work through old issues to heal them. Once you start to see the positive effects of this, you could focus your efforts on encouraging and supporting others to do the same. It's also possible that healing energy could arrive in the form of a certain person who enters your world at this time. You might also deal with issues surrounding self-acceptance as well as rejection, and the latter could require you to look deep within yourself for answers and solutions. The experience might be painful briefly, but it's by addressing these that you can embark properly on a journey to achieve your passionate potential.

Also on Saturday**Dare to dream**

Transiting Venus Retrograde Trines your natal Jupiter from 13th to 20th June 2020. Exact 16th June

Do you dare to dream? Do you risk pursuing any of the wild ideas likely occupying your thoughts now? The answer to both questions is undoubtedly 'yes.' Dream as much as you dare to. Entertain as many of the wild ideas as you can because, in your relationship world now, one or two dreams or ideas will lead you toward a very clever move.

You're entering a time that promises to be more rewarding than you probably suspect, and once you see evidence of rewards, you're likely to want more. Is there a downside to this? The only point to consider surrounds possible belief on your part that any inch should be seized and made into a mile.

At least one tempting possibility is presenting itself, and through your confidence being boosted, you might be oblivious to how charismatic you appear in the eyes of certain others. Go with the flow now and avoid the tendency to be forceful or overly determined. Let what is unfolding naturally do so in its own way while continuing to dream and let ideas create themselves.

Also on Saturday**Keeping feet firmly on the ground...for now**

Transiting Mars Squares your natal Neptune from 13th to 17th June 2020. Exact 15th June

How realistic are you now? Think carefully before answering that question. You could be in a situation that is restrictive, yet you aren't inclined to remove yourself from it because you fear you might feel lost were it to be removed.

The same can be said about particular hopes and aspirations you have. To achieve these will require upheaval but are you prepared for how much upheaval you may experience?

No one is trying to dampen your enthusiasm for anything or anyone. However, you are encouraged to simply be realistic about what can be achieved between you and at least one other person in your world. Avoid fanciful thoughts now and focus solely on what can be achieved and agreed.

Monday 15th June**Leave serendipity out of it**

Transiting Venus Retrograde Trines your natal Saturn from 15th June 2020 to 4th July 2020. Exact 19th June

Can you afford to be fussy now? Of course, you can. Not only can you afford to be fussy, but it would also be in your best interests to be so. Dare you take a risk though? Ah, that begs a more important question but what matters now is how you view the risk you're taking. Think of it as 'improvising' rather than undertaking a daunting act.

In your personal world now, you have a very particular and specific goal in mind. There is undoubtedly something you yearn to see happen. You're aware that, to achieve this, you're going to have to take a chance in some way. You know that making something wonderful happen between you and someone else will require you to be selective and structured in your approach.

A heart-warming development is on offer provided you ensure the right kind of disciplined preparations are in place first. Take a brave step forward in the knowledge that you're not leaving a result to happen entirely by chance.

Tuesday 16th**Leave competition out of it**

Transiting Mars Trines your natal Ascendant from 16th to 20th June 2020. Exact 18th June

Within any relationship, the need must exist to keep it moving forward, and one way to achieve this is to have shared goals. Sometimes though, the pursuit of shared goals becomes competitive and in a relationship context, competitive natures can cause more than one problem.

Where you and someone else are concerned, an opportunity is on offer to pursue something together and learn something valuable in the process. This will be made infinitely more enjoyable if competition is left out of the picture.

Enjoy doing something together for the sake of doing something together and not because one or both of you want to be seen to be 'better' at doing something.

Also on Tuesday**A solution in the form of a brainwave**

Transiting Venus Sextiles your natal Mercury from 16th June 2020 to 3rd July 2020. Exact 28th June

Life ticks along in ways that we get used to and then suddenly, we find ourselves dealing with a development that truly grabs our attention. We wonder where on Earth such a development could have come from, what caused it or how instrumental we were in making it happen.

Something similar happens with brainwaves. We become very used to a situation that we know is crying out for a new and exciting idea. In your personal world now, that's precisely what you can expect. Powerful forces are being unleashed in your life. You're not quite sure how you ought to be acknowledging or adapting to them.

Let the solution that is determined to make its way to you come to you and then embrace it. It is precisely what you need now.

Thursday 18th June**What you give, you'll receive**

Transiting Venus Retrograde Trines your natal Moon from 18th to 30th June 2020. Exact 24th June

Some people will always believe that showing emotion is a sign of weakness. Right now, in your personal world, your greatest asset is not strength but softness. It is this quality that needs nurturing within you now. It is important that you dip deeply into your reserves of compassion, tolerance, patience, and support.

Even if you feel you're reaching the end of your proverbial tether, by being sensitive and supportive, you will find your tether can stretch further than you thought it would.

It's a case of 'doing unto others as you would have them do unto you' and if there's a particular person you want to get closer to, then you'll discover they're likely to respond toward you with whatever you're offering them.

Friday 19th**Putting your heads together**

Transiting Mars Trines your natal Uranus from 19th to 22nd June 2020. Exact 21st June

Two heads, we are told, are better than one. We also understand that many hands make light work. Fortunately, you and a certain person don't need help from others to make something special happen now.

The two of you can make something wonderful happen without intervention from others. But, for this to happen, you're going to have to put your heads together in some way.

Doing so will bring about an idea or revelation that will beg for your attention and bring about a change that will delight you.

Sunday 28th**Dare to dream**

Transiting Venus Trines your natal Jupiter from 28th June 2020 to 6th July 2020. Exact 3rd July

Do you dare to dream? Do you risk pursuing any of the wild ideas likely occupying your thoughts now? The answer to both questions is undoubtedly 'yes.' Dream as much as you dare to. Entertain as many of the wild ideas as you can because, in your relationship world now, one or two dreams or ideas will lead you toward a very clever move.

You're entering a time that promises to be more rewarding than you probably suspect, and once you see evidence of rewards, you're likely to want more. Is there a downside to this? The only point to consider surrounds possible belief on your part that any inch should be seized and made into a mile.

At least one tempting possibility is presenting itself, and through your confidence being boosted, you might be oblivious to how charismatic you appear in the eyes of certain others. Go with the flow now and avoid the tendency to be forceful or overly determined. Let what is unfolding naturally do so in its own way while continuing to dream and let ideas create themselves.

Also on Sunday**Balance from Selflessness**

Transiting Mars Trines your natal North Node from 28th June 2020 to 2nd July 2020. Exact 30th June

Balancing selflessness and assertiveness is necessary in your emotional world at this time. You're acutely aware of your relationship needs and are prepared do whatever it takes to ensure they're met. However, you're equally tuned-in to how you can support a loved one or partner to achieve their needs as well. You're able to maintain harmony with the object of your affections because of your intuitive ability to keep things balanced, and by ensuring a relationship is fresh, fun and spontaneous. Your romantic or relationship ambitiousness can also inspire a partner to push harder and do more. You feel an urge to encourage equality in a relationship and will do whatever you can to maintain it.

Sunday 28th June**Mutual Fervent Energy**

Transiting Mars Sextiles your natal South Node from 28th June 2020 to 2nd July 2020. Exact 30th June

Your ability to balance personal needs and ambitions with those of a loved one or partner is heightened now, making you an even more dynamic and supportive lover. Your passions could push you to identify more deeply what you need from a partner, and you won't settle for less than what your heart decides is top of the list. Fortunately, you're able to curtail your assertiveness when necessary to allow a loved one or potential partner to speak openly about what they expect in return from you. What you're looking for now is shared drive, strength, and stamina to maintain your interest in a connection and keep you pushing forward toward a shared future. Having a shared goal to focus fervent mutual energy toward is icing on the proverbial cake!

Forecast for July 2020**Friday 3rd July****Everyone has an opinion**

Transiting Mars Opposes your natal Moon from 3rd to 7th July 2020. Exact 6th July

Many hands, we are told, make light work. When many hands become involved, so too do many opinions. Suddenly, others see a need to provide unhelpful input or cast negative judgment, and you could be seeing evidence now of a need to defend yourself against certain people who believe they're right to be critical of you in some way.

What started off a cooperative venture may have become strained or divided through the clash of opinion. You know, in your heart, what is right and makes sense. Trust that, in time, others who can't see or feel what you feel will do so before long.

Saturday 4th**Let it all out**

Transiting Mars Trines your natal Mercury from 4th to 8th July 2020. Exact 7th July

Sometimes, our brains work much quicker than our mouths. We struggle to make a point or convey certain information to others because we struggle to process vast information that wants to go from our heads to our mouths.

There appears to be much you want to say or convey now, and it's a case of trying to assess and make sense of it all yourself before doing so. Don't struggle now with making a point or three. Don't be concerned with whether you're saying the 'right thing.'

Focus only on what you know needs to be said and let it come out in the way it chooses to. All that matters now is that certain points are made and are no longer bottled up.

Sunday 5th**Fixing it properly**

Transiting Mars Opposes your natal Saturn from 5th to 9th July 2020. Exact 7th July

Repair manuals are supposed to be helpful regarding identifying problems and offering solutions. Before a correct solution can be found, the problem needs to be properly identified first.

The swiftest and most effective way to fix something is to understand what caused the need to fix it in the first place. In your world now, there exists a need to 'fix' something in a relationship sense.

Avoid the need to start again in any way; you could end up making unnecessary work for yourself. Look closely what the issue is, how it came about and the most effective way to put it right. You can do it and then move on.

Monday 6th July**Curb your enthusiasm**

Transiting Mars Opposes your natal Jupiter from 6th to 10th July 2020. Exact 9th July

The word 'passion' can be used in several ways. There are the obvious connotations, but sometimes, we're driven by passion in ways that make us impulsive or hasty, and it is your impulsiveness and hastiness surrounding action you appear determined to take that needs to be reined in now.

If you're planning on standing up for yourself in some way, then you'd be well advised to wait a little bit longer before doing so because the chances are high that you could end up taking a contested issue to an extreme and making it unnecessarily complicated. Channel your passion into more interesting - and less offensive - ways.

Sunday 12th**It's all moving forward**

Transiting Venus Sextiles your natal Sun from 12th to 16th July 2020. Exact 15th July

Depending on where we are on planet Earth, we're constantly spinning at between 700 and 900 miles per hour. If we stand still, we feel nothing. We're oblivious to how the spinning rock which we inhabit is hurtling through space at approximately 67,000 miles per hour.

So, can it not be said that even when we think nothing is happening in our world or situations show no sign of progress, we're part of a complex process that indicates otherwise? In your personal world now, you probably suspect you're standing still. You're not. You are making real and tangible progress.

You probably suspect a certain situation is far from ideal and makes little sense. Actually, it is very ideal and makes a lot of sense. This is a time to look closely at what appears imperfect and discover that there is a real reason to believe you're much closer to the desired scenario than you probably believe.

Monday 13th**Cooperation is key**

Transiting Venus Sextiles your natal MidHeaven from 13th to 17th July 2020. Exact 15th July

Some people always insist on 'getting their way.' They tend to be largely unconcerned about what matters to others. All that does matter, it seems, is that they 'win' in some way. Such people want those they're trying to persuade to simply succumb and do what's demanded of them.

In your personal world now, you are likely adopting a completely contrary point of view in some way. You know that to get what – or whom – you want, you don't have to be heavy-handed. You need encourage peace and harmony, and you'll discover it will prevail over any tension.

To make progress on personal or romantic fronts, be seen to be approachable and willing to compromise where necessary. The key to progress now relies entirely upon cooperation, not obstruction.

Tuesday 14th July**Call off the quest for perfection**

Transiting Venus Squares your natal Venus from 14th to 18th July 2020. Exact 17th July

We know nobody's perfect. We also know nothing in life is perfect, either. Even that which appears perfect has imperfections if we're prepared to find them. But why would we want to find that which isn't perfect within something that appears perfect? With that in mind, what levels of perfection are you expecting within your personal world now? Of course, your relationships with certain others will never be perfect.

That's what makes them so fascinating and intriguing. Things might not be as smooth and comfortable as you'd like them to be but the drama you sense looming on the horizon is unlikely to be anywhere near as tense, important or threatening as it appears, either.

All you need to do now to bring about a near-perfect result in your relationship world is refrain from worrying or focusing too intently on finding perfection where 'near perfection' will suffice!

Wednesday 15th**Step back...quietly**

Transiting Mars Squares your natal Mars from 15th to 19th July 2020. Exact 17th July

Opinions, we know, are like certain parts of our anatomy – everyone has one. It is the way some people choose to voice their opinions, and how defensively they do so that causes the most problems between them and others.

The wrong way to do this surrounds conveying an 'I'm not going to back down on this matter' attitude, and that could be what you're inclined to do where your relationship another is concerned. To say friction between you and them is waiting for an opportunity to present itself is an understatement.

You can sidestep an argument and make real, tangible progress by counting to ten and refraining from responding in a way you-know-who is expecting you to respond. Be sensitive and as understanding as you can possibly be.

Thursday 16th**The powers of (gentle) persuasion**

Transiting Mars Conjuncts your natal MidHeaven from 16th to 21st July 2020. Exact 19th July

Is it up to you to take the reins where a certain relationship is concerned? If you're prepared to take the initiative in some way now, you can make something wonderful happen, that much is clear. This needn't involve bossiness or becoming noticeably heavy-handed though.

You could be very persuasive and surprised at how easily others agree with what you're proposing. That's the key word now – proposing. There's a difference between 'proposing' and 'demanding.' If you're willing to show leadership and combine it with gentle but firm persuasion, then real progress is assured.

Also on Thursday**Giving it your all**

Transiting Mars Trines your natal Sun from 16th to 20th July 2020. Exact 18th July

We're told from a young age that little comes to us in life without effort. It doesn't take us long to discover this for ourselves, either. If we knew that our efforts would always result in us getting what we wanted, we'd become bored with doing so.

Sometimes, we need a challenge to make a result worthier of attaining. You appear very focused on achieving a particular result where an existing or potential relationship is concerned.

Trust that the effort required to bring about a certain change or produce the desired result is not misplaced. You can make something special and very worthwhile happen now.

Sunday 19th July**Strides, Not Steps**♂ 10th

Mars transits your natal 10th house from 19th July 2020 to 10th February 2021

Your enhanced passion could have several outlets at this time, and one that might be top of your list is your career or status. The noticeable increase to your determination to make professional progress will likely catch the attention of others, and if there's someone higher up the chain you're keen to impress, then chances are, they're watching you. Any area of your world can benefit from the fervent focus you apply to take strides where you might have grown used to taking small steps. You're also bound to project a very sexy and attractive vibe by being a shining example of what applying passion in the right way to any pursuit can achieve!

Monday 27th**Balancing practicality with magic**

♀ ♀ ♃

Transiting Venus Opposes your natal Neptune from 27th to 30th July 2020. Exact 29th July

Each of us is blessed with imagination and creativity. Both are hindered only by doubt and how we refrain from developing our talents and imaginations for reasons we create ourselves. Sometimes, this happens because we prefer to focus on what appears logical and practical. We believe both to be more sensible and that focusing on both will always provide 'the right answer.'

In your personal world now, there exists a need to create a balance between applying imagination and sensibility to a particular issue. Your head is conveying one message, yet your heart has a different agenda.

It's important to see a situation involving someone else by removing rose-tinted glasses, yet there also needs to be preparedness on your part to spot the magic that exists within a relationship. Be creative, be imaginative but keep both feet on the ground while doing so. That way, you will be able to identify a practical solution that retains all that is special between you and you-know-who.

Also on Monday**Bring it out into the open**

♀ △ ♀

Transiting Venus Trines your natal Pluto from 27th to 30th July 2020. Exact 28th July

People talk about skeletons residing in closets. They speak of issues being swept under carpets. There are always issues we prefer to keep hidden, but we know, in our hearts, when certain issues deserve to see the light of day. We owe it to ourselves and those closest to us to allow what needs to be brought out into the open to no longer be hidden under a veil of secrecy.

In your personal world, your attention is being drawn to a fact that must be faced. You can ignore it for a little while longer but be assured that, very soon, you will have to give it attention. When this happens, it will be good news.

Facing what needs to be faced will expose what has been kept secret for too long and cease to cause you to feel as if you're obliged to pretend you're comfortable in a situation that makes you feel otherwise. It's time to pursue an opportunity that you simply haven't felt was viable and, by finally doing so, you will achieve what or whom you truly desire - and deserve!

Thursday 30th**Intuitive Connection**♀ 12th

Venus transits your natal 12th house from 30th July 2020 to 1st September 2020

This is a time to be aware of and embrace your many powerful, lovable and appealing qualities. Perhaps, you're oblivious to how lovable and appealing you are and might feel unsure at this time how to give and receive love, because of something connected with your past. This might also be a time when you become aware of the line that exists between being loving and smothering. Your attitude toward love and relationships is probably much more intuitive now. You could be finely tuned-in to the needs of others, or one person in particular and your intuition is unlikely to fail you when it comes to knowing how to make anyone you focus your kind and compassionate qualities toward feel loved and comforted.

Forecast for August 2020

Thursday 6th August

Lose the excess baggage

Transiting Mars Opposes your natal Pluto from 6th to 12th August 2020. Exact 9th August

How much does something really matter? How important is a concern that you appear to be nurturing? There's something you're taking more seriously than it deserves to be taken and it's important to accept that, where your relationship world is concerned, a story is only half told.

There is the issue surrounding how you're being pulled in various directions and encouraged to take the action you might have reservations about to alleviate unhappiness with a situation that cannot be ignored. To improve the situation, all you need to do is be willing to lose negativity associated with it.

If you can shake off the concern that seems intent on playing a part and weighing you down, you can make delightful progress now.

Friday 7th

You won't know unless you try

Transiting Mars Trines your natal Neptune from 7th to 13th August 2020. Exact 10th August

People often speak about a need to 'look before we leap.' Of course, this makes sense. We want to know what we're leaping into and how safe it is before we do something so rash, but you have an excellent opportunity now to trust how leaping into the unknown can take you into unfamiliar but exciting territory.

If a relationship has become too predictable for your liking, then you can try encouraging a bit of the untried and untested into it.

If you're of the opinion that your relationships with others need a kickstart or an injection of life, then taking a chance with what's new or unorthodox could be just the tonic you need to rejuvenate whatever is need of rejuvenating.

Monday 10th

Emotional release

Transiting Venus Squares your natal Moon from 10th to 13th August 2020. Exact 12th August

Some people 'say it as they see it.' They cannot resist giving their input or sharing observations which is an admirable trait in some ways but can tend to get others' backs up. As 'right' as these outspoken people are, not everyone shares their keenness to know whatever it is such people feel the need to impart. It's easy though to misinterpret sensitivity for bullishness or arrogance sometimes.

That's why, in your personal world now, it's important that you understand your reasons for releasing a pent-up feeling. The emotional strength surrounding what you've kept concealed until now is likely stronger than you gave it credit for being. All of this would be easier if something in your emotional world 'made sense.'

The fact it doesn't probably has something to do with how emotionally you're choosing to react toward it. What's happening now is powerful and necessary. It's also providing a helpful step toward emotional stability you've wanted for some time.

Tuesday 11th August**A boundary needs pushing**

Transiting Venus Squares your natal Saturn from 11th to 14th August 2020. Exact 13th August

In what way - or ways - might you be feeling trapped or restricted now? Life always provides rules and restrictions, and we understandably opt to reject many in principle yet, in practice, we know we must adhere to or obey them. Sometimes though, it becomes necessary to push a boundary or restriction, and in your personal world now, that's precisely what you're being encouraged to do.

It's time to assess what you believe to be impossible or immovable and see how far you can exceed a particular expectation. It's not necessarily a case of focusing on what's missing in your relationship world but looking closely at what you do have available to you and how, through effort, imagination and a healthy dose of courage, you can improve significantly what you do have.

It's time to accept what - or who - you truly want and remove the idea of failure from any equation surrounding getting it or them. Be brave and willing to push your luck.

Wednesday 12th**Confidence in measured doses**

Transiting Venus Squares your natal Jupiter from 12th to 15th August 2020. Exact 14th August

We hear people say that they or others 'don't know their own strength.' Throughout history and in popular culture, there have been many characters who possessed superhuman strength and, despite being able to make spectacular things happen, often found themselves wishing they were a bit more delicate or sensitive.

In your personal world now, you are being blessed with an impressive ability to cause things to happen with the sheer force of your will. This, combined with an ability to be smart and generally lucky, is putting you in a very strong position. Be careful.

Avoid any tendency to be unnecessarily forceful or overly determined. Where your relationships with certain people – and likely one person in particular – are concerned, you can achieve a spectacular result. Be realistic and confident. But not too confident!

Thursday 13th**Keep impatience at bay**

Transiting Mars Squares your natal Ascendant from 13th to 21st August 2020. Exact 17th August

Tension could be rife. Competition and conflict could become issues if they aren't already. If you're finding your relationship with a certain person to be strained, then there is much you can do to improve the situation, and top of the list involves keeping impatience at bay.

Letting impatience get involved could be like pouring gasoline on any flames of resentment now, and this is likely to have much to do without thinking through properly certain responses or actions. If you can't say or do something nice now, then distance yourself until you can.

Monday 17th August**Allow yourself to be drawn**

Transiting Venus Conjuncts your natal Mars from 17th to 20th August 2020. Exact 19th August

When we feel good, and on top of the world, we often don't feel challenged. That's fine, provided we have had enough of being challenged and are enjoying the respite. However, when faced with a problem, we usually have an idea of a solution that needs applying. In your personal world now, you're being given a chance to decide how you should react to a situation that appears challenging.

The best and quickest solution will come to you if you're willing to simply allow that which wants you, to have you. A very positive process is unfolding, and this involves someone who needs you and a way in which you are 'required' in some way. Make yourself available.

Don't resist how you are being drawn to whom or what needs you now. What appears challenging will, soon enough, become pleasing and comfortable.

Tuesday 18th**Don't sell yourself short**

Transiting Venus Squares your natal MidHeaven from 18th to 21st August 2020. Exact 20th August

Relationships are two-way things. We know what we expect from another person, and they usually have a clear idea what they ideally want from us. Given that we know this two-way process must exist, we still struggle to meet others' expectations or their demands.

If, in your personal or relationship world now, you're trying to seek love or approval, then be aware of lengths you ought to go to attain either. You could be at risk of investing more effort than is required and altering unnecessarily how you're seen in the eyes of others.

Don't sell yourself short in the belief that onus is entirely on you to take the initiative where the process should be two-fold.

Wednesday 19th**Reasons to be more than cheerful**

Transiting Venus Sextiles your natal Venus from 19th to 21st August 2020. Exact 20th August

If we watch the news any night on TV or pick up a newspaper at any time, we're given plenty of reasons to believe that the world in which we live is far from the beautiful and peaceful place it was intended to be. With little effort, we can create numerous reasons to worry about anything or identify problems and difficulties.

It's very easy to overlook or ignore completely how beautiful the world in which we live truly is. Too many people regard life as a constant struggle instead of the precious gift it is. Have you reasons to look upon your personal world with such pessimism? Are your relationships with certain people or one person in particular less than ideal or how you'd like them to be?

Expect, very soon, to see real reasons to be grateful for all that is truly wonderful where your interactions with certain people are concerned. Prepare to be inspired even if those around you fail to see what you have to be so happy about!

Thursday 27th August**Pushing obsession aside**

Transiting Venus Squares your natal Pluto from 27th to 30th August 2020. Exact 29th August

Something is fascinating you. Whatever it is, appears to matter a great deal to you. Why does it matter? The answer to that question has much to do with how much emphasis you're putting on it – and a seemingly strong desire you have to give it so much attention. In your personal world now, you're being pushed in a very distinct direction and to make a decision.

You're encouraged strongly to make a choice and, to do this, it's important you accept what or whom might have become an obsession and why you need to be more objective. To make progress, you need to curb a tendency to think of nothing else than the one issue or person that occupies so much of your thinking time.

This is a time to gain perspective and make decisions based on fact or at least what feels truly right and sensible and not be bullied into following a path of least resistance simply because it appears an easier or most prominent option.

Sunday 30th**Beauty is more than skin deep**

Transiting Venus Conjuncts your natal Ascendant from 30th August 2020 to 1st September 2020. Exact 31st August

Is beauty only 'skin deep'? We know how beautiful some people are on the inside despite not possessing physical qualities that magazines and websites adorned with airbrushed models glorify constantly. How attractive do you feel now and are you truly aware of how attractive you are to certain others?

Your physical attractiveness is powerful now but pales in comparison to levels of inner beauty you possess. Beauty and attractiveness, whether they be inner or external, aren't always viewable with the eye. You have an exceptional opportunity now to attract others through your love of beauty, harmony and having such a friendly and affectionate attitude toward those around you.

Use all that you're being blessed with now where such attractive qualities are concerned, and you cannot fail to become closer to at least one admirer keen to become closer to you!

Monday 31st**The power of imagination**

Transiting Venus Trines your natal Uranus from 31st August 2020 to 3rd September 2020. Exact 2nd September

What do we mean we say someone is 'imaginative' or 'creative'? We tend to associate such words with possessing artistic or musical abilities, yet there are many people who possess no writing, artistic or designing abilities who are blessed with potent imaginations.

Sometimes, to make progress when we feel we're struggling, we have no option other than to apply some creative thinking and, in your personal world now, that's precisely what you're being encouraged to do.

Through adopting an open mind and being willing to apply imagination, you're extremely well placed to set your personal, emotional or romantic life on a firmer, more meaningful - and hopefully less stressful – footing. To achieve this, you need to take a brave step into the unknown and, by applying imagination and creativity you're blessed with now, can achieve wonderful and heart-warming success.

Forecast for September 2020

Tuesday 1st September

Warm, Amiable Vibe

♀ 1st

Venus transits your natal 1st house from 1st to 20th September 2020

You're blessed with a warm vibe that others can't help but be drawn toward at this time. Your thoughts and feelings could be delightfully transparent as well, and your willingness to be less hesitant toward revealing these could also be endearing. Tuesday 8th

Powers of attraction

♀ ✖ ☾

Transiting Venus Sextiles your natal Moon from 8th to 11th September 2020. Exact 10th September

Like, we know, attracts like. Positive people tend to be drawn toward other positive people. Might positivity you're experiencing now be playing a part in attracting others toward you – or vice versa? The air of confidence and degree of attractiveness you're exuding now cannot and should not be ignored or underestimated.

But, it's all well and good that you're being seen as such an attractive option but what do you intend to do with the influence now available to you? Use it wisely. Use it effectively. Use it to draw a special person toward you or captivate one person whose attention you've wanted for some time.

You're blessed now with an enviable opportunity to use powers of attraction available to you, and no reason exists why you can't attain something very special, very soon.

Wednesday 9th

Pleasurable journeys or conversations await

♀ ♂ ♀

Transiting Venus Conjuncts your natal Mercury from 9th to 12th September 2020. Exact 11th September

There are some journeys we embark upon that we anticipate problems or delays with and find ourselves relieved when we don't encounter either. There are some conversations we brace ourselves for, expecting them to be confrontational and feel relieved when we discover our fears were unfounded.

Such relief is available to you now, and your personal world can benefit enormously from smoothness on offer where travel or communication (possibly both) are concerned. This is a time of pleasurable interaction so don't hesitate to call on certain others for help if you feel you need it or be willing to help them.

Wednesday 9th September**Look closely to see what's good**

Transiting Venus Sextiles your natal Saturn from 9th to 12th September 2020. Exact 11th September

Imagine how dull life would be if we didn't have to do various things we didn't want to do. Where would the thrill of overcoming a challenge be? Where would we draw inspiration to seek new and exciting challenges that await us?

We can postpone some tasks or obligations that don't exactly excite or inspire us but regardless of what bores or daunts us; we can either endure discomfort surrounding what we have to do or find a way to see it as exciting - or even learn to love - whatever it is we dislike. In your personal world now, you might not be able to change an undesirable situation, but you can change your attitude toward it.

If you're willing to look closely at what is good in a situation you're inclined to believe is more tedious or uninspiring, then you will soon see it from a much more positive perspective.

Guard against a perceived need to use extreme measures to achieve this, though. What you're experiencing now is the result of having pushed your luck in the past. In any case, if you're considering making an extravagant financial gesture in the name of love, then a particular lesson might await you. We all know the cliché about money's inability to buy love. Your keenness to impress anyone or sweep someone off their feet with grand, material gestures might result in forming a close relationship – but not necessarily a loving one. Focus instead on what no sum of money could ever buy: compassion, kindness, sensitivity, and creativity. It's those qualities that need nurturing now and can help you form or strengthen a connection that is authentic and long-lasting.

There are also times when we are willing to invest faith in something we cannot see or justify until we experience a similar crisis of faith.

In your personal world now, there is something you believed you were once very sure of. Now, it appears to have reservations about whatever-it-is. The good news is, very soon, your faith and confidence will be restored. The even better news is your faith and confidence look set to be higher and stronger than they were previously.

If someone needs a good mediator, then you could fit that bill superbly, too. If you've struggled to come up with the right words to sweep a certain person off their feet or relieve tension in a relationship, then it is definitely worth trying again now. In your personal world now, you have a fantastic opportunity to create something unique and, without putting too fine a point on it, beautiful. Far less effort will be required on your part to reach agreements or have helpful discussions or meetings.

Be willing to experiment. Be receptive to exploring the depth of a feeling. If you can, then you and certain others – and one person in particular – can gel gloriously and enjoy progress of the most heart-warming variety.

Monday 19th**Smelling the coffee**

Transiting Venus Squares your natal Neptune from 19th to 22nd October 2020. Exact 21st October

It's important to gain proper perspective and assess how far to trust one or two individuals and how much to believe what you're being told by them, and by one in particular.

Detaching yourself will also help you to identify certain flaws in a particular person that will help with a decision you need to make. You're not being encouraged to be judgmental.

You're being encouraged to, as the old saying goes, wake up and smell some coffee. To do that, you need to restrain your imagination slightly and view a certain relationship with both honesty and sensitivity. If you can do that, then you'll soon be better placed to identify a way forward.

Whether it's ESP or intuition we've developed the use of, all we're ever given are glimpses into what might happen or could potentially unfold.

Similarly, in your personal world now, you're starting to get a strong inkling into what's coming next in your life. Let this motivate, inspire and guide you but don't turn it into a fixed expectation.

While you're undoubtedly becoming more psychic as well as more creative, you need to be sure that you are tuning in to your inner-voice of wisdom and not your inner-voice of fear. Your heart is in the future, tending to the best interests of the people you care about and it's beckoning to you to follow it now.

Saturday 31st October**Doing 'the right thing'**

Transiting Venus Conjuncts your natal Jupiter from 31st October 2020 to 3rd November 2020. Exact 2nd November

We are very aware when we fail to do 'the right thing.' How often do we find that what we thought was a mistake is a blessing in disguise?

Until we can see evidence of having done 'the right thing,' we remain unconvinced. That's why, in your personal world now, you need to be more optimistic about that fact that you haven't made an error in any way. It's true that a new development is heading your direction. It's also true that a process you have set in motion is going to cause you to have to reassess certain priorities.

Where you feel powerless, you can expect strength. Where you feel uninspired, you can soon expect to feel inspired. The problem is, you're struggling to make the most of what you have when you see it as a poor substitute for what you dearly want – or think you want! It's important that you don't talk yourself into a 'state of acceptance' but learn to appreciate what or who you have.

Thursday 5th November**It's all moving forward**

Transiting Venus Sextiles your natal Sun from 5th to 7th November 2020. Exact 6th November

Depending on where we are on planet Earth, we're constantly spinning at between 700 and 900 miles per hour. If we stand still, we feel nothing. We're oblivious to how the spinning rock which we inhabit is hurtling through space at approximately 67,000 miles per hour.

So, can it not be said that even when we think nothing is happening in our world or situations show no sign of progress, we're part of a complex process that indicates otherwise? You probably suspect a certain situation is far from ideal and makes little sense. Actually, it is very ideal and makes a lot of sense. Also on Thursday**Give where it feels right**

Transiting Venus Opposes your natal MidHeaven from 5th to 7th November 2020. Exact 6th November

Love manifests itself on many levels. There is the love we feel for friends and family members. Then, there is the love we feel toward those we are linked with in various other ways. We often fail to consider that our love levels are self-replenishing. Where so many other resources are available in finite supply, we can always find within our hearts a further quantity when we need it.

With that in mind, in what way or ways is love you're capable of giving being directed now? It appears you have options regarding how best to 'distribute' love you can offer. To make everything simpler, trust your heart to guide you as to where your love supply is best aimed.

Trust that you don't have to be as cautious as you perhaps feel you must be with deciding who is worthy of love you can provide. Give where it feels right, and you will discover, to your delight, how loved you are in return.

If it's an atmosphere of peace and love you need, then there really could be no place like home to provide it now.

Friday 13th**Trust your hunches**

Transiting Venus Sextiles your natal Neptune from 13th to 15th November 2020. Exact 15th November

Sometimes, we're our own worst enemies when it comes to being 'talked out' of doing something. We tend to ignore our intuition because we know what it's telling us is right and we struggle with hearing the truth at times. In your personal world now, a certain truth is emerging.

There is something you are feeling, about a person or situation that you cannot ignore. What you want, before taking any action are facts. You would prefer your decisions were based on logic rather than hunches.

It is important though, to trust what you're feeling. Acknowledge and respect what your hunches are telling you. When the truth does emerge, you will be able to say with confidence and honesty that you knew it already.

Friday 13th November**The power of passion**

If you're not aware of how you are radiating intensity and carrying a particular kind of power, then you will, very soon.

That's why you need to understand what or whom you're becoming so passionate about. Is your passion being expressed positively or might it be attached to a dubious or even dangerous idea?

Try to curb your enthusiasm if you can because you could be at risk of going a bit too far too quickly. But perhaps that is a risk you're willing to ignore and take!

Sunday 15th**Look no further than a mirror**

Transiting Venus Squares your natal Ascendant from 15th to 17th November 2020. Exact 16th November

Is there some unseen council that dictates who and what is attractive and who and what isn't? We need only look on the cover of glossy magazines to see who or what is deemed attractive and many people make such effort to measure their own attractiveness by what's socially acceptable.

You, however, don't need to measure your attractive levels – and your ability to attract – in such ways. You don't need to succumb to any pressure to meet someone else's criteria of what's attractive. In your personal world now, it's important to accept how attractive you are in the eyes of others.

Even if you wrongly believe you aren't 'measuring up' to someone else's ideas of attractiveness, have utter faith in how you are attracting very much the right attention through determination you are showing in some way. You know something or someone worth having is worth giving proper effort toward – and that, in itself, is attractive!

Tuesday 24th**Facing what needs to be faced**

Transiting Venus Squares your natal Mercury from 24th to 26th November 2020. Exact 25th November

When we feel unable to relax, the last thing we want to hear is someone telling us to relax. After all, we have our reasons for feeling tetchy, nervous or apprehensive and believe that anyone who tries to convince us otherwise clearly is unable to grasp what we believe we understand.

There are, however, limits to how much anyone can worry. In your personal world now, it's important you accept how, through ignoring something that needs to be acknowledged, you're not coming close to creating a solution.

Through denying the existence of a problem, you also deny yourself an opportunity to take constructive action to remedy it. Deal now with what you are trying to ignore. It isn't as daunting as it appears, and life will become sweeter once you have faced what needs facing.

Sunday 29th November**Let the real you emerge**

Transiting Venus Squares your natal Sun from 29th November 2020 to 1st December 2020. Exact 30th November

There's a certain person in your world deserving of more respect than you're showing them. There's a particular individual concerned unnecessarily about how they're seen in the eyes of certain others. You know this person very well and, to discover their identity, all you have to do is look in the nearest mirror.

In your personal world, need exists for you to muster a bit more self-respect and dignity than you might be used to mustering. That doesn't mean you have a specific reason to be more self-respectful, but neither does it mean one isn't being created.

If you really want to emerge from any situation with the ability to walk tall and proud, then abandon entirely any concerns about how you look in the eyes of others. Trust what you feel to be right and don't succumb to any pressure from certain others about what you ought to be feeling.

If we watch the news any night on TV or pick up a newspaper at any time, we're given plenty of reasons to believe that the world in which we live is far from the beautiful and peaceful place it was intended to be. With little effort, we can create numerous reasons to worry about anything or identify problems and difficulties.

It's very easy to overlook or ignore completely how beautiful the world in which we live truly is. Too many people regard life as a constant struggle instead of the precious gift it is. Have you reasons to look upon your personal world with such pessimism? Are your relationships with certain people or one person in particular less than ideal or how you'd like them to be?

Thursday 10th

The importance of choosing wisely

♀ ♂ ♃

Transiting Venus Conjuncts your natal Uranus from 10th to 13th December 2020. Exact 12th December

The phrase 'falling in love' is a curious one. The word 'falling' implies we have little control over what we're experiencing and have no other option than invest huge amounts of faith in the fact that we'll be safe. Interestingly, we're often told to be careful about what we 'fall' for, meaning there is a risk that we could end up being deceived or duped.

In your personal world now, it's important to be careful about what – or whom – you're potentially 'falling' – or wishing - for. This isn't due to a possibility that you won't get what you want. It has much more to do with you likely attaining what or who you want only to discover that you should have been seeking something or someone else. In deciding, you needn't be specific.

Neither do you need to make grand or far-reaching plans for the future. You do, however, need to be discriminating and should you choose to pursue a particular plan or dream, be certain it feels right from the outset. An incorrect choice could result in a situation that might take you a long time to free yourself from.

People often speak about a need to 'look before we leap.' Of course, this makes sense. We want to know what we're leaping into and how safe it is before we do something so rash, but you have an excellent opportunity now to trust how leaping into the unknown can take you into unfamiliar but exciting territory.

If a relationship has become too predictable for your liking, then you can try encouraging a bit of the untried and untested into it.

If you're of the opinion that your relationships with others need a kickstart or an injection of life, then taking a chance with what's new or unorthodox could be just the tonic you need to rejuvenate whatever is need of rejuvenating.

Thursday 17th

Powers of attraction

Transiting Venus Sextiles your natal Moon from 17th to 20th December 2020. Exact 19th December

The air of confidence and degree of attractiveness you're exuding now cannot and should not be ignored or underestimated.

But, it's all well and good that you're being seen as such an attractive option but what do you intend to do with the influence now available to you? Use it wisely. Use it effectively. Use it to draw a special person toward you or captivate one person whose attention you've wanted for some time.

You're blessed now with an enviable opportunity to use powers of attraction available to you, and no reason exists why you can't attain something very special, very soon.

Friday 18th December**There's nothing like a 'Eureka Moment'**

Transiting Venus Trines your natal Mercury from 18th to 20th December 2020. Exact 19th December

Sometimes, we experience things called 'Eureka Moments.' We can feel relieved or amazed when we make a vital discovery or something that has been problematic finally 'clicks' into place.

In your personal world now, such a discovery awaits you. You're about to be blessed with ingenuity. There's no need for you to work harder or smarter. Whatever plans or ideas come to light will be simple, obvious and effective.

Where your relationships are concerned, you're about to see how using your imagination will allow you to gain valuable insight into a problem and how you can then explore new ground. This is a time to believe in magic. Let a wonderful discovery reveal itself now.

Also on Friday**Look closely to see what's good**

Transiting Venus Sextiles your natal Saturn from 18th to 20th December 2020. Exact 20th December

Imagine how dull life would be if we didn't have to do various things we didn't want to do. Where would the thrill of overcoming a challenge be? Where would we draw inspiration to seek new and exciting challenges that await us?

We can postpone some tasks or obligations that don't exactly excite or inspire us but regardless of what bores or daunts us; we can either endure discomfort surrounding what we have to do or find a way to see it as exciting - or even learn to love - whatever it is we dislike. In your personal world now, you might not be able to change an undesirable situation, but you can change your attitude toward it.

If you're willing to look closely at what is good in a situation you're inclined to believe is more tedious or uninspiring, then you will soon see it from a much more positive perspective.

Saturday 19th**Confidence is key**

Transiting Venus Sextiles your natal Jupiter from 19th to 21st December 2020. Exact 20th December

We know how attractive confident people can be. We know how attractive we feel when people are appreciative of us and our abilities. In your relationship world now, you're about to experience a much-needed boost to your confidence, and this has strong implications regarding what you can make happen that you truly want to make happen.

Guard against a perceived need to use extreme measures to achieve this, though. What you're experiencing now is the result of having pushed your luck in the past. You don't need to find a big, 'new' solution. All you need to do is channel confidence into allowing an existing solution to give itself a chance to work – and it will!

Monday 21st**Keep impatience at bay**

Transiting Mars Squares your natal Ascendant from 21st to 27th December 2020. Exact 24th December

Tension could be rife. Competition and conflict could become issues if they aren't already. If you're finding your relationship with a certain person to be strained, then there is much you can do to improve the situation, and top of the list involves keeping impatience at bay.

Letting impatience get involved could be like pouring gasoline on any flames of resentment now, and this is likely to have much to do without thinking through properly certain responses or actions. If you can't say or do something nice now, then distance yourself until you can.

Wednesday 23rd December**The secret to happiness isn't so elusive**

Transiting Venus Trines your natal Sun from 23rd to 25th December 2020. Exact 24th December

Is there a recipe for happiness? Do we need to stick to a rigid plan to be happy? In some ways, we do, but when we become too rigid to something that should be spontaneous, we lose the potential for happiness as well as some of the magic needed to create it.

In your personal world now, you have much support available to you to attain what so many people spend lifetimes trying to find or manifest – happiness!

You have a rare opportunity to experience a rise in your status in more than one person's eyes, but it is one person in particular who looks set to see you in a much different and positive way. That, in turn, will relieve pressure in a relationship where you've long wanted to experience it.

Also on Wednesday**Bringer of harmony**

Transiting Venus Trines your natal Midheaven from 23rd to 25th December 2020. Exact 25th December

Many people believe attack to be the best strategy to adopt when defending themselves. With some people, we can see their barriers appearing like rolling metallic doors, and when these become evident, they often encourage or prolong further confrontation.

You, however, are superbly placed to diffuse a tense situation and replace tension with friendliness and warmth. You needn't invest considerable effort with this. Simply be yourself, and it's possible you can create harmony effortlessly.

Your personal world can definitely be affected and influenced positively through a love of beauty and desire for peace and, through being instrumental in building bridges or assisting with the extension of olive branches, you can bring about a positive change in your romantic or personal world.

Thursday 24th**Call off the quest for perfection**

Transiting Venus Squares your natal Venus from 24th to 26th December 2020. Exact 25th December

We know nobody's perfect. We also know nothing in life is perfect, either. Even that which appears perfect has imperfections if we're prepared to find them. But why would we want to find that which isn't perfect within something that appears perfect? With that in mind, what levels of perfection are you expecting within your personal world now? Of course, your relationships with certain others will never be perfect.

That's what makes them so fascinating and intriguing. Things might not be as smooth and comfortable as you'd like them to be but the drama you sense looming on the horizon is unlikely to be anywhere near as tense, important or threatening as it appears, either.

All you need to do now to bring about a near-perfect result in your relationship world is refrain from worrying or focusing too intently on finding perfection where 'near perfection' will suffice!

Thursday 31st December**The key to happiness is yours**

Transiting Venus Sextiles your natal Pluto from 31st December 2020 to 2nd January 2021. Exact 1st January 2021

It's both easy and natural for us to want what we haven't got. When we become aware of an absence, we start to identify ways in which we might be happier if only we had what is missing. The other side of the proverbial coin involves wishing something was removed from our world, believing life would be simpler and happier without it.

In your personal world now, you are being granted an exceptional opportunity to be happy. To seize and benefit from this opportunity, all you need to do is stop focusing on what might go wrong in a certain situation.

Avoid succumbing to a tendency to be overly cautious or pessimistic. If you are willing to relax and believe wholeheartedly that an uncertain situation can and will improve, then you can expect to be surprised at how much quicker happiness starts to permeate your world.

Also on Thursday**No second-rate substitutes here**

Transiting Venus Conjuncts your natal Neptune from 31st December 2020 to 3rd January 2021. Exact 2nd January 2021

If we're shopping and an item we want is unavailable, we tend not to be as receptive to accepting a substitute. If our heart is set on attaining a particular item, then it doesn't matter how it looks or if it serves a similar purpose, we know what we like and like what we know.

In other areas of our world, we can sometimes be a bit too quick to accept that which is a poor substitute or 'second-rate' option. In your relationship world now, you are being presented with a wonderful opportunity. You, however, could be inclined to see it as a poor alternative to what you believe your heart truly desires.

You could be inclined to shrug your shoulders and tell yourself that 'this is as good as it's likely to get' and you'd best make do with what you have available. Push aside all logic and reason. Listen to your heart and what your intuition is telling you. Then, you will soon be able to see how right what you're being offered now really is.

Forecast for January 2021**Sunday 3rd January****Creating Comfort**

Venus transits your natal 6th house from 3rd to 28th January 2021

This could be a time when connecting with others takes on a new and deeper meaning. The idea of being of 'service' to others or possibly one person, in particular, could become more appealing, and you might be keen to ensure friendships or romantic connections tick along predictably because of the comfort that predictability offers. Your interest in exploring new culinary delights could take you to previously unexplored restaurants. Your desire for intellectual stimulation could increase. This could also be a time when you take a keener interest in health-related matters. You can be integral to ensuring the worlds of others, especially those closest to you, are as comfortable as possible and will probably take enormous pride in doing so.

Thursday 7th January**One Battle Worth Fighting**

Transiting Mars Squares your natal North Node from 7th to 12th January 2021. Exact 10th January

Anger and hostility could be recurring issues for you in intimate, romantic relationships and current circumstances could cause both to intensify. Such feelings could catch you by surprise and be triggered by anything a loved one says or does that appears to challenge your independence or the person you believe yourself to be. Much of what you see as confrontational or challenging is likely imaginary, and the root of this issue could surround your inability or refusal to apply lessons learned in the past to what's occurring now. Until you do, you could keep behaving in the destructive ways that have hurt those closest to you previously and will continue to do so now and in the future. If you really are determined to fight a battle, then rise to the challenge of addressing, once and for all, how you can become more self-aware and remove anger and frustration that manage to underpin your closest connections. If you can do so, then you will achieve the love and closeness you crave.

Also on Thursday**Owning Up**

Transiting Mars Squares your natal South Node from 7th to 12th January 2021. Exact 10th January

It could be easy to look at your current love life or relationship circumstances and believe you're 'unlucky in love.' However, any problems you're experiencing with creating close, loving bonds aren't connected with unseen forces determined to thwart your plans or intentions. It's your approach and attitude toward love, romance, relationships and intimacy that present the biggest hurdles. This is a time to cast your mind back to the past and assess honestly if you can identify any patterns surrounding issues with previous relationships. Everyone has regrets, bitterness, insecurities and possibly hostility that need to be worked through. However, it's likely you've remained stuck regarding any of the above, and this is a time when you must not only own up to it but take positive steps to free you from nurtured defensiveness that has, in time, probably turned into aggressiveness. Forming or strengthening any connection in your world will require deep soul-searching on your part. However, if you're prepared to make changes in your attitude toward love and the ways you react and respond to lovers, then delightful, heartwarming experiences await you.

Sunday 10th**Emotional release**

Transiting Venus Squares your natal Moon from 10th to 13th January 2021. Exact 12th January

Some people 'say it as they see it.' They cannot resist giving their input or sharing observations which is an admirable trait in some ways but can tend to get others' backs up. As 'right' as these outspoken people are, not everyone shares their keenness to know whatever it is such people feel the need to impart. It's easy though to misinterpret sensitivity for bullishness or arrogance sometimes.

That's why, in your personal world now, it's important that you understand your reasons for releasing a pent-up feeling. The emotional strength surrounding what you've kept concealed until now is likely stronger than you gave it credit for being. All of this would be easier if something in your emotional world 'made sense.'

The fact it doesn't probably has something to do with how emotionally you're choosing to react toward it. What's happening now is powerful and necessary. It's also providing a helpful step toward emotional stability you've wanted for some time.

Monday 11th January**A boundary needs pushing**

Transiting Venus Squares your natal Saturn from 11th to 13th January 2021. Exact 13th January

In what way - or ways - might you be feeling trapped or restricted now? Life always provides rules and restrictions, and we understandably opt to reject many in principle yet, in practice, we know we must adhere to or obey them. Sometimes though, it becomes necessary to push a boundary or restriction, and in your personal world now, that's precisely what you're being encouraged to do.

It's time to assess what you believe to be impossible or immovable and see how far you can exceed a particular expectation. It's not necessarily a case of focusing on what's missing in your relationship world but looking closely at what you do have available to you and how, through effort, imagination and a healthy dose of courage, you can improve significantly what you do have.

It's time to accept what - or who - you truly want and remove the idea of failure from any equation surrounding getting it or them. Be brave and willing to push your luck.

Tuesday 12th**Confidence in measured doses**

Transiting Venus Squares your natal Jupiter from 12th to 14th January 2021. Exact 13th January

We hear people say that they or others 'don't know their own strength.' Throughout history and in popular culture, there have been many characters who possessed superhuman strength and, despite being able to make spectacular things happen, often found themselves wishing they were a bit more delicate or sensitive.

In your personal world now, you are being blessed with an impressive ability to cause things to happen with the sheer force of your will. This, combined with an ability to be smart and generally lucky, is putting you in a very strong position. Be careful.

Avoid any tendency to be unnecessarily forceful or overly determined. Where your relationships with certain people – and likely one person in particular – are concerned, you can achieve a spectacular result. Be realistic and confident. But not too confident!

Friday 15th**Leave anger on the doorstep**

Transiting Mars Squares your natal Mercury from 15th to 20th January 2021. Exact 18th January

There's a right way and a wrong way to make a certain point to a certain person now. You're being presented with a choice. You can either release pent-up frustration or anger, and part someone's hair with some words that aren't particularly well-chosen or you can apply large amounts of a sensitivity to a difficult or tense conversation.

The former will result in you-know-who becoming justifiably defensive. The latter will do much to ensure points get made that actually get listened to.

Don't use a sledgehammer to crack a proverbial walnut now. Make your point sensitively and leave anger on the doorstep before you do so.

Saturday 16th January**Don't sell yourself short**

Transiting Venus Squares your natal MidHeaven from 16th to 18th January 2021. Exact 18th January

Relationships are two-way things. We know what we expect from another person, and they usually have a clear idea what they ideally want from us. Given that we know this two-way process must exist, we still struggle to meet others' expectations or their demands.

If, in your personal or relationship world now, you're trying to seek love or approval, then be aware of lengths you ought to go to attain either. You could be at risk of investing more effort than is required and altering unnecessarily how you're seen in the eyes of others.

Don't sell yourself short in the belief that onus is entirely on you to take the initiative where the process should be two-fold.

Also on Saturday**Change of the exciting variety**

Transiting Venus Opposes your natal Mars from 16th to 18th January 2021. Exact 17th January

Satisfaction is a state of mind. We are only ever briefly satisfied with any situation in our world because need always exists for us to want more or to sustain in some way the level of satisfaction we're feeling. That doesn't make us ungrateful or selfish. No situation is stagnant or without a change in some way. In your personal world now, there is a challenge you must rise to.

This will require as much energy and attention that you can give to it. There is a change you must bring about, and once you embark upon the task of making it happen, a process will move quite quickly. Imagine yourself seated in a rollercoaster that has begun moving.

Once the process has begun, you have no option other than to see it through. Despite any fear or reservations you might have about what you must do now, you are likely to find the experience more thrilling than daunting. Do what needs doing, take action where it's needed and be receptive to the fact that you could actually end up enjoying the ride.

Sunday 17th**Take notice of what's begging to be noticed**

Transiting Venus Trines your natal Venus from 17th to 19th January 2021. Exact 18th January

Would you like to experience a breakthrough? Does the thought of being presented with a chance to instigate a new and very different plan in your personal world hold any appeal? As much as you might be inclined to answer 'yes' to both questions, you could (understandably) have reservations about what will change or if a breakthrough or chance to bring about a much-needed change will bring what you truly desire.

You're in an exceptional position now to experience both. For this to happen, you need only heed the idea that is begging you to take notice of it. If you are willing to see how much potential is on offer from seizing an opportunity now, then something truly heart-warming can make its way to you.

Sunday 24th January**Pushing obsession aside**

Transiting Venus Squares your natal Pluto from 24th to 26th January 2021. Exact 25th January

Something is fascinating you. Whatever it is, appears to matter a great deal to you. Why does it matter? The answer to that question has much to do with how much emphasis you're putting on it – and a seemingly strong desire you have to give it so much attention. In your personal world now, you're being pushed in a very distinct direction and to make a decision.

You're encouraged strongly to make a choice and, to do this, it's important you accept what or whom might have become an obsession and why you need to be more objective. To make progress, you need to curb a tendency to think of nothing else than the one issue or person that occupies so much of your thinking time.

This is a time to gain perspective and make decisions based on fact or at least what feels truly right and sensible and not be bullied into following a path of least resistance simply because it appears an easier or most prominent option.

Tuesday 26th**Getting yourself out there**

Transiting Venus Opposes your natal Ascendant from 26th to 28th January 2021. Exact 27th January

We live in a world governed nowadays by social media. Does communicating electronically make us sociable? Surely, there's more to be said about good old-fashioned face-to-face conversation yet technology today facilitates that in some ways.

You don't need to rely on communicating with phones, laptops or tablets to gain admiration from those who know you – or want to know you! You are in a superb position to increase your network of contacts in some way, and you probably won't have to look too hard to identify those who have a keen interest in a romantic sense.

Get yourself out there. Be willing to meet new people. The greatest romantic opportunities will come from interacting with others and the more it can be done on a face-to-face basis, the greater your chances are.

Wednesday 27th**Knowledge is power**

Transiting Venus Sextiles your natal Uranus from 27th to 29th January 2021. Exact 29th January

Some peoples' sweet smiles often conceal hidden agendas. We can't always tell who is supportive of us and who has plans to scupper our plans. In your relationship world now, there is strong likelihood that someone has an unconscious agenda of doubt or mistrust.

The good news is, there is little you need to do to encourage what has been hidden into the open. Little effort on your part is required to make right what has been wrong of late.

You're about to be in a stronger and more knowledgeable position through information that will come to light shortly. It might not have you punching the air with joy, but you will be grateful for the fact that you will soon be in a much stronger position to know precisely what you will need to do next.

Wednesday 27th January**Drop barriers**

Transiting Mars Sextiles your natal Mars from 27th to 31st January 2021. Exact 29th January

Many people say they don't care what others think of them. In truth, that's rarely the case. We all, to some extent, care what others think and prefer them to think well of us.

Something that does tend to cause others to think otherwise if focusing on our own needs is done at the cost of others.

You are likely very aware now of how and why you ought to be putting your own needs and desires first, and if you want to embark upon a new relationship or strengthen an existing one, then this is likely to cause one or two problems.

Look closely at how defensiveness might be playing a part in this – and then look more closely at why you have no reason to feel quite so defensive!

Thursday 28th**Love Magnet**

Venus transits your natal 7th house from 28th January 2021 to 14th February 2021

Where your relationships are concerned, this could be a time when you discover that you're the recipient of what you give. In other words, if you find that you're on the receiving end of warmth, affection, and generosity, then it's probably because you're a magnet for each through emitting such qualities yourself. However, you might be unaware that you're doing so! Encouraging deeper levels of love and harmony in your closest relationships could be increasingly important at this time and inviting more into your world is easy. Just keep sending out the vibe you're sending and see what comes back to you!

Also on Thursday**If a job's worth doing...**

Transiting Mars Squares your natal Sun from 28th January 2021 to 1st February 2021. Exact 30th January

If a job's worth doing, then many of us adhere to the old motto about it being done properly. This usually involves us doing it ourselves. If you're feeling an urge to take the reins in some way where a relationship matter is concerned, then don't shy from taking the initiative.

A change in a situation is likely to only come about through your efforts. Stick with what you know works best or will produce the most likely desired result. Taking control of a situation doesn't always mean ringing the changes.

It might be more appropriate at this time to simply let a situation and certain person know that you are capable of steering both in a particular direction - and intend to do so!

Saturday 30th**Passion running high**

Transiting Mars Trines your natal Venus from 30th January 2021 to 3rd February 2021. Exact 1st February

Beauty, we are told, is skin deep. We also understand that beauty is in the eye of beholders. If any relationship is to be embarked upon, then there must be some level of attraction between two people.

In a very exciting way you're presented with a fantastic opportunity to allow yourself to be swept off your feet by succumbing to strong desires, passions, and stimulation on varying levels.

Don't underestimate your attraction levels now – or how easily you might find yourself attracted to a new or even existing individual!

Forecast for February 2021

Wednesday 3rd February

What you give, you'll receive

Transiting Venus Trines your natal Moon from 3rd to 6th February 2021. Exact 5th February

Some people will always believe that showing emotion is a sign of weakness. Right now, in your personal world, your greatest asset is not strength but softness. It is this quality that needs nurturing within you now. It is important that you dip deeply into your reserves of compassion, tolerance, patience, and support.

Even if you feel you're reaching the end of your proverbial tether, by being sensitive and supportive, you will find your tether can stretch further than you thought it would.

It's a case of 'doing unto others as you would have them do unto you' and if there's a particular person you want to get closer to, then you'll discover they're likely to respond toward you with whatever you're offering them.

Thursday 4th

Leave serendipity out of it

Transiting Venus Trines your natal Saturn from 4th to 6th February 2021. Exact 5th February

Can you afford to be fussy now? Of course, you can. Not only can you afford to be fussy, but it would also be in your best interests to be so. Dare you take a risk though? Ah, that begs a more important question but what matters now is how you view the risk you're taking. Think of it as 'improvising' rather than undertaking a daunting act.

In your personal world now, you have a very particular and specific goal in mind. There is undoubtedly something you yearn to see happen. You're aware that, to achieve this, you're going to have to take a chance in some way. You know that making something wonderful happen between you and someone else will require you to be selective and structured in your approach.

A heart-warming development is on offer provided you ensure the right kind of disciplined preparations are in place first. Take a brave step forward in the knowledge that you're not leaving a result to happen entirely by chance.

Also on Thursday

Distancing yourself

Transiting Venus Opposes your natal Mercury from 4th to 6th February 2021. Exact 5th February

Are you able to feel the tug being made in your heart? It appears someone or something wants all you're able to give plus a little more besides. You're also likely very aware of how finite what you're able to supply actually is, and that's why the challenge facing you in your personal world surrounds defining, explaining and sticking to the limit that exists.

You can do this without fear or shame. You can also achieve this through backing away from situations you know you don't need to involve yourself with. Sidestep any debate, discussion or disagreement that you can afford to remove yourself from.

Distancing yourself will ensure that no accusation can be made your direction about being manipulative or trying to engineer situations to your advantage. Relax, and you will soon see how whatever is concerning you now will sort itself out in a way that truly pleases and heartens you.

Friday 5th February**Dare to dream**

Transiting Venus Trines your natal Jupiter from 5th to 7th February 2021. Exact 6th February

Do you dare to dream? Do you risk pursuing any of the wild ideas likely occupying your thoughts now? The answer to both questions is undoubtedly 'yes.' Dream as much as you dare to. Entertain as many of the wild ideas as you can because, in your relationship world now, one or two dreams or ideas will lead you toward a very clever move.

You're entering a time that promises to be more rewarding than you probably suspect, and once you see evidence of rewards, you're likely to want more. Is there a downside to this? The only point to consider surrounds possible belief on your part that any inch should be seized and made into a mile.

At least one tempting possibility is presenting itself, and through your confidence being boosted, you might be oblivious to how charismatic you appear in the eyes of certain others. Go with the flow now and avoid the tendency to be forceful or overly determined. Let what is unfolding naturally do so in its own way while continuing to dream and let ideas create themselves.

Tuesday 9th**Keeping desperation at bay**

Transiting Venus Opposes your natal Sun from 9th to 11th February 2021. Exact 10th February

Desperate people tend to do desperate things. Why, if a solution is being provided to a problem, do we discover things get worse before they get better? Perhaps, this has much to do with an inappropriate or unhelpful solution being applied to a problem that only ends up shifting a problem elsewhere instead of resolving it not being much of a solution at all.

In your personal world, you are likely feeling a strong urge to do something very indulgent. You are so focused on what or whom you want that you're inclined to go about attaining it or them in any way possible, regardless of how ridiculous some options might be. It's time to stop working so hard to attain happiness.

It's time to appreciate what you have and what you do have available to you. Your options might be limited, but that's not a bad thing. All you need to do is focus on pursuing the one option that your heart tells you makes the most sense.

Also on Tuesday**Cooperation is key**

Transiting Venus Sextiles your natal MidHeaven from 9th to 11th February 2021. Exact 11th February

Some people always insist on 'getting their way.' They tend to be largely unconcerned about what matters to others. All that does matter, it seems, is that they 'win' in some way. Such people want those they're trying to persuade to simply succumb and do what's demanded of them.

In your personal world now, you are likely adopting a completely contrary point of view in some way. You know that to get what – or whom – you want, you don't have to be heavy-handed. You need encourage peace and harmony, and you'll discover it will prevail over any tension.

To make progress on personal or romantic fronts, be seen to be approachable and willing to compromise where necessary. The key to progress now relies entirely upon cooperation, not obstruction.

Wednesday 10th February**Collaborative Energy**♂ 11th

Mars transits your natal 11th house from 10th February 2021 to 12th April 2021

Your focus could shift strongly to the pursuit of cherished ambitions with a little help you're your friends or possibly through networking. You might be in good company and the energy you bring to anything requiring collaboration or teamwork can be inspiring. However, keep a close watch on how your strategies or ideas could be conveyed unintentionally aggressively or assertively. Affairs of the heart could be put on a back burner while you form new connections or possibly revive old ones that can be integral to turning one special vision into something real.

Sunday 14th**Drop the Defensive Barrier**♀ 8th

Venus transits your natal 8th house from 14th February 2021 to 6th March 2021

This is a time when it's important to accept that the past – and any painful or upsetting episodes connected with previous relationships – is not a guide for the future. Of course, any love life lessons, regardless of how painful they might have been, need to be absorbed and not ignored. However, you probably don't need to go to the lengths you're considering to be loved or adored by others. Don't allow any past events to create an unrealistic view of relationships or one special connection now. To enjoy the most delightfully close, loving and intimate connections now or in the future, you need only do two things. The first involves accepting you deserve them. The second involves dropping a defensive barrier that prevents opportunities to enjoy them from presenting themselves.

Tuesday 16th**Confidently but Sensitive**

♂ ♀ ♃

Transiting Mars Conjuncts your natal Chiron from 16th to 20th February 2021. Exact 18th February

We learn from a young age that, if we don't 'ask,' then we don't 'get.' In your emotional world or within a close relationship now, it's important to accept that you are justified in asking for what you need or expect from a certain person. It's also important to accept that there are right and wrong ways of doing this. Expressing needs and desires could be done in an unintentionally heavy-handed or possibly aggressive way at this time. It is possible to convey both too passionately, and you might have to balance passion and assertiveness. Above all, accept that what you feel and your need to express or convey this is natural. Just ensure it is done confidently and sensitively.

Wednesday 17th**Trust your hunches**

♀ ✖ ♃

Transiting Venus Sextiles your natal Neptune from 17th to 19th February 2021. Exact 19th February

Sometimes, we're our own worst enemies when it comes to being 'talked out' of doing something. We tend to ignore our intuition because we know what it's telling us is right and we struggle with hearing the truth at times. In your personal world now, a certain truth is emerging.

There is something you are feeling, about a person or situation that you cannot ignore. What you want, before taking any action are facts. You would prefer your decisions were based on logic rather than hunches.

It is important though, to trust what you're feeling. Acknowledge and respect what your hunches are telling you. When the truth does emerge, you will be able to say with confidence and honesty that you knew it already.

Wednesday 17th February**Bring it out into the open**

Transiting Venus Trines your natal Pluto from 17th to 19th February 2021. Exact 18th February

People talk about skeletons residing in closets. They speak of issues being swept under carpets. There are always issues we prefer to keep hidden, but we know, in our hearts, when certain issues deserve to see the light of day. We owe it to ourselves and those closest to us to allow what needs to be brought out into the open to no longer be hidden under a veil of secrecy.

In your personal world, your attention is being drawn to a fact that must be faced. You can ignore it for a little while longer but be assured that, very soon, you will have to give it attention. When this happens, it will be good news.

Facing what needs to be faced will expose what has been kept secret for too long and cease to cause you to feel as if you're obliged to pretend you're comfortable in a situation that makes you feel otherwise. It's time to pursue an opportunity that you simply haven't felt was viable and, by finally doing so, you will achieve what or whom you truly desire - and deserve!

Friday 19th**Confidence attracts**

Transiting Mars Sextiles your natal Ascendant from 19th to 24th February 2021. Exact 22nd February

What qualities make someone attractive? Beauty is, as they say, skin deep and we all know that there are many other qualities that can make someone attractive in the eyes of others or a certain person.

Laughter is a proven aphrodisiac but so too is confidence. Who couldn't be swept off their feet by someone who has high levels of confidence and self-esteem? It is your growing confident – and possibly assertive – approach that will work well for you now.

The key to attracting someone special is to simply be yourself and let your confidence flow in the knowledge it will show!

Saturday 20th**Stepping up to the plate**

Transiting Venus Squares your natal Uranus from 20th to 22nd February 2021. Exact 22nd February

Sometimes, we feel a need to instigate change for the sake of instigating change. Other times, we do this to send a clear message to certain people that we are in control of ourselves or situations when we believe perception exists otherwise. In your personal world now, there exists a need to create a 'mini-revolution.'

In some way, you have been restricted and held back for too long, and you're very aware of what has become unacceptable within a situation or arrangement. You're being granted an ability to express yourself now and while the urge to rebel is likely intensifying, so too is a perceived need to remove yourself entirely from an undesirable scenario.

Soon, what doesn't make sense will make sense. For now, trust how you're being challenged and all that appears awkward is helping you to re-evaluate everything. Once done, you will bring about the very change you've long wanted to see happen.

Monday 22nd February**Going solo**

Transiting Mars Opposes your natal Uranus from 22nd to 26th February 2021. Exact 25th February

If a job is worth doing, then many of us subscribe to the adage about it being done singlehandedly and without help from others. If we believe ourselves to be the best person to perform a certain task, then it is either because nobody else has come forth to do it or we have little or no faith in their ability to do it as well as we believe we can.

As willing as a certain person might be to lend a hand, you'd probably do a better job of letting them down gently by explaining you intend to go solo where the task in question is concerned.

On this occasion, it does appear you will perform it in a way that you'll be satisfied with. Break the news to someone else gently.

Forecast for March 2021**Thursday 4th March****Embrace long-awaited change**

Transiting Venus Trines your natal Mars from 4th to 7th March 2021. Exact 6th March

It's not often we have to pinch ourselves to believe something is happening to us. It's great when we find ourselves so amazed at what has transpired that we have to do something to confirm we're not dreaming.

You could be tempted to do something similar now as a development appears to be unfolding that you've wanted to see happen for a long time. A new phase of your life is about to begin, and you have an exceptional opportunity to 'break new ground' where your personal world is concerned.

Where certain relationships are concerned, there are rules that can be rewritten and horizons expanded. All that is required from you is confidence mixed with a tiny amount of courage. Be brave and accepting of the long-awaited change unfolding now. Above all, believe it is yours for the taking.

Also on Thursday**Energetic Approach to Love**

Transiting Mars Sextiles your natal North Node from 4th to 8th March 2021. Exact 6th March

You're aware that relationships require consistent effort and will probably have no issue within summoning energy in any way it's needed now. You possess a highly energetic approach to love, romance, and relationships and what others might see as daunting challenges, you approach with relish. If you're single, then it is crystal clear to you that romantic or relationship progress relies on taking the initiative and bringing results rather than waiting to see what the love gods do on your behalf. If you're attached, then you can be a positive influence in someone's life and help them to look beyond personal limitations at what might be possible regarding self-improvement or advancement. You can help them to identify and seize opportunities they might have otherwise overlooked.

Also on Thursday**Harmony Creates Satisfying Connections**

Transiting Mars Trines your natal South Node from 4th to 8th March 2021. Exact 6th March

Your ability to know instinctively how to balance your needs and desires with those of a loved one or potential partner is heightened now. Perhaps this admirable gift is the result of having applied numerous trial-and-error approaches to relationships in the past – or possibly in a previous life - but you have emerged more courageous and determined as a result. Despite being clear in your mind and heart about your romantic or relationship needs and expectations, you're willing to support someone close to achieve theirs. You accept that creating harmony and balance in relationships is essential to maintaining and enjoying a long-term, satisfying connection – and on every possible level.

Saturday 6th March**Love Attracts Love**♀ 9th

Venus transits your natal 9th house from 6th to 31st March 2021

It's important that you accept how attractive and elegant you are when you feel free or unrestricted by life's shackles. Your altruistic qualities could be enhanced now, and you might have a lovely vision of how you wish everyone would be kind, considerate and loving to each other. You're keen to be all the above to everyone now, and even if others believe you're deluded, you'll stand by your beliefs. You're right to have faith in the undisputed fact that 'like attracts like.' Embarking upon - or strengthening - a relationship with someone who shares your positive, kind and adventurous outlook could be remarkably easier at this time. All you need to attract more love into your world is to offer it, unconditionally.

Also on Saturday**Improving what's currently undesirable**

♀ ♃ ♀

Transiting Venus Opposes your natal Venus from 6th to 8th March 2021. Exact 7th March

Where do you 'draw the line'? How do you express your dissatisfaction with a particular situation? Inviting those closest to you to offer advice isn't the best idea because they – or possibly one person in particular – could be the cause of your displeasure. You appear to be tolerating something unacceptable, and this probably has much to do with a perceived need to placate someone else in some way.

When we reach the end of our proverbial tether, then that's clear indication of when 'enough is enough.' It's easy to look at your current situation in the belief that having 'something' is better than 'nothing' yet you could be overlooking how easily 'something' could become 'something more.'

The challenge in your personal world now involves turning a fault into something adequate or sufficient. You needn't try to work a miracle. Approach what needs 'fixing' positively and constructively, and you will improve a less than desirable situation.

Tuesday 9th**Desire for excitement**

♂ △ ☾

Transiting Mars Trines your natal Moon from 9th to 13th March 2021. Exact 12th March

What is stirring within you now? Might it be a desire for excitement? Are you aware of powerful or impulsive feelings trying to manifest from within? If the answer is 'yes,' then allow them to do so.

This is a time of powerful attraction and a need to address powerful urges. With either or both comes a need to invest considerable energy.

Allow yourself to be led by what's creating intense feelings but make sure you balance assertiveness or impulsiveness with sensitivity.

Thursday 11th**Keeping your cool**

♂ △ ♃

Transiting Mars Trines your natal Saturn from 11th to 15th March 2021. Exact 13th March

Have you ever wondered how martial arts experts can remain so calm and controlled one minute yet able to put fists through wooden planks or blocks of concrete the next? This ability has much to do with suppressing and targeting anger or hostility.

It also has much to do with an ability to summon patience, discipline, endurance, and resistance. Might such qualities be needed by you where your relationship with a certain person is concerned?

To maintain control of a volatile situation, all you need to do is smile, count to ten and let any tension dissipate. Trust that it doesn't need to be released in any other way.

Thursday 11th March**Commanding respect**

Transiting Mars Sextiles your natal Mercury from 11th to 15th March 2021. Exact 13th March

To hear some lawyers argue with each other in courtrooms, we could be justified in thinking they dislike each other intensely. Given the intensity of their passionate and heated exchanges, we wonder if any level of friendship could possibly exist between them.

Often, when their work is done for that day, they head to a bar or restaurant together to unwind and talk about anything other than their respective cases. The need to strongly convey or defend a point needn't always result in animosity or bitterness.

Quite the reverse can be true, and you are in a strong position to gain respect from a certain person by standing up for yourself in some way now. They might even thank you for it.

Friday 12th**Sharing of energy**

Transiting Mars Trines your natal Jupiter from 12th to 16th March 2021. Exact 15th March

Within the strongest relationships, teamwork is almost always evident. Nothing brings two people closer together than a shared objective or keenness to work together to solve a problem.

Your relationship status can escalate wonderfully if you're prepared to work with someone in a competitive or corroborative environment. Whether this be athletic or simply doing a crossword puzzle together, focusing on a shared achievement or solution promises a delightful meeting of minds.

Saturday 13th**Smelling the coffee**

Transiting Venus Squares your natal Neptune from 13th to 15th March 2021. Exact 15th March

The world is and always will be full of insensitive people. That's why it's important now that you separate yourself from such individuals. It's important to gain proper perspective and assess how far to trust one or two individuals and how much to believe what you're being told by them, and by one in particular.

Detaching yourself will also help you to identify certain flaws in a particular person that will help with a decision you need to make. You're not being encouraged to be judgmental.

You're being encouraged to, as the old saying goes, wake up and smell some coffee. To do that, you need to restrain your imagination slightly and view a certain relationship with both honesty and sensitivity. If you can do that, then you'll soon be better placed to identify a way forward.

Monday 15th**Personal popularity**

Transiting Venus Trines your natal Ascendant from 15th to 17th March 2021. Exact 16th March

Few people need convincing of how attractive confident people often are. People who exude confidence can have an almost Pied Piper effect on others, or they at least turn a head or two from those who are inquisitive.

You're in a superb position now to create your own 'self-image'; how you're seen in the eyes of those who know you and who, through a noticeable sense of ease and self-worth, want to know you. You don't need to go to great lengths to impress anyone.

You need only be yourself now to meet new and interesting people – and probably won't have to look very hard to identify those whose interests are of the romantic variety!

Tuesday 16th March**The power of imagination**

Transiting Venus Trines your natal Uranus from 16th to 18th March 2021. Exact 18th March

What do we mean we say someone is 'imaginative' or 'creative'? We tend to associate such words with possessing artistic or musical abilities, yet there are many people who possess no writing, artistic or designing abilities who are blessed with potent imaginations.

Sometimes, to make progress when we feel we're struggling, we have no option other than to apply some creative thinking and, in your personal world now, that's precisely what you're being encouraged to do.

Through adopting an open mind and being willing to apply imagination, you're extremely well placed to set your personal, emotional or romantic life on a firmer, more meaningful - and hopefully less stressful – footing. To achieve this, you need to take a brave step into the unknown and, by applying imagination and creativity you're blessed with now, can achieve wonderful and heart-warming success.

Sunday 21st**Singing from the same hymn sheet**

Transiting Mars Sextiles your natal Sun from 21st to 25th March 2021. Exact 24th March

Does someone share your ambitions? They might not want the same as you do from life but that shouldn't make them unsupportive of your aims. Would it be more helpful though if they did want what you want?

Perhaps, but rarely do two people want precisely the same thing. Although this is precisely the message you now receive.

As keen as you might be to have a very open and honest conversation with a certain person to ensure you're both in agreement about what you truly want, you might need to make an allowance for the fact that you-know-who doesn't share, on the same level, your needs or ambitions.

This isn't a bad or negative thing. All you need to do is focus on what common ground does exist, and something exciting and worthwhile can be built or strengthened.

Monday 22nd**Commanding respect**

Transiting Mars Sextiles your natal MidHeaven from 22nd to 26th March 2021. Exact 24th March

If we want respect, we must command it. We need to be seen in the eyes of others as deserving of respect. You have an excellent opportunity now to gain respect in the eyes of certain others – or a certain person – but are likely to have to invest some effort to prove your worthiness of it.

This needn't require considerable effort on your part. An opportunity exists for you to take the lead in some way and through making clear what you need and why you need it, you could find more than one person responds positively - and will respect you for doing so!

Tuesday 23rd March**Remove your barriers**

Transiting Venus Opposes your natal Moon from 23rd to 26th March 2021. Exact 25th March

Many songs have been written by people who felt compelled to share with us the intense feeling of being in love. Such people found their capacity to care was seemingly limitless. They discovered as well through experiencing the joy of love that their ability to show compassion, patience, tolerance, and kindness became inexhaustible.

They willingly removed barriers that kept all such feelings at bay. With that in mind, how are you doing with your barriers? You're probably aware of how your emotions are being softened but could be equally aware of reasons you believe you have to be fearful of exposing yourself emotionally.

There's a question you want an answer to now. To receive an answer, you're going to have to make yourself a tiny bit vulnerable but will soon discover that the act of doing so will be enormously helpful and pivotal.

Also on Tuesday**Establishing boundaries**

Transiting Mars Squares your natal Venus from 23rd to 27th March 2021. Exact 26th March

Animals, as we know, can be very territorial. Humans often behave similarly. With that in mind, where do you stand with a certain person and where do they stand with you? There is a need to define - or perhaps redefine - 'territory.'

In other words, an agreement is needed regarding what is acceptable, unacceptable and possibly open to negotiation. Make no mistake; love is in the air. However, maybe you would prefer that the current opportunity to embark upon a romantic or intimate relationship was focused creatively or socially.

In any case, guidelines and boundaries exist there, too. Provided you and at least one other person can establish these, for the time being, then delightful and positive progress can be made.

Wednesday 24th**Your heart won't fail you**

Transiting Venus Opposes your natal Saturn from 24th to 26th March 2021. Exact 26th March

We allow ourselves to be ruled by our heads. We also allow our hearts to have a say in what we ought to be doing or considering. Perhaps, that's why your head and various ideas you're generating are pulling you in one direction, and your feelings are pulling you in another.

You could be inclined now to support one and abandon the other. What ideally needs to happen is both your head and your heart working together, and the best way to achieve this is to decide what in your personal or relationship world is essential and what's merely little more than preferable. How can you tell which is which? That's easy.

Trust what you feel. Allow your instincts to guide you. Avoid the tendency to 'think' as much as you believe you must about a particular arrangement or situation and invest more faith in what you 'feel.' Your heart can have stronger influence if you'll allow it to and, if given a chance, won't fail you.

Wednesday 24th March**There's nothing like a 'Eureka Moment'**

Transiting Venus Trines your natal Mercury from 24th to 26th March 2021. Exact 25th March

Sometimes, we experience things called 'Eureka Moments.' We can feel relieved or amazed when we make a vital discovery or something that has been problematic finally 'clicks' into place.

In your personal world now, such a discovery awaits you. You're about to be blessed with ingenuity. There's no need for you to work harder or smarter. Whatever plans or ideas come to light will be simple, obvious and effective.

Where your relationships are concerned, you're about to see how using your imagination will allow you to gain valuable insight into a problem and how you can then explore new ground. This is a time to believe in magic. Let a wonderful discovery reveal itself now.

Thursday 25th**A sprinkle of realism**

Transiting Venus Opposes your natal Jupiter from 25th to 27th March 2021. Exact 26th March

Throughout our lives, we're encouraged by certain others not to get 'too carried away.' Such advice is often given by well-meaning folk who seem to think we are at risk of disappointment or being foolish. We learn from experience that if we set our sights slightly higher than what we want, we invariably end up getting what we want.

In your relationship world, balance is needed between overconfidence and realism. You are being given reason to be confident and optimistic. That's fine, provided you have both feet on the ground where certain aspirations are concerned.

Look closely at what you want to make happen and then apply a sprinkle of realism regarding realistic timescales. Provided what you want is right and appropriate, then it will come to you. Avoid any tendency to be unnecessarily forceful or overly determined.

March 28th 2021 onwards to October 1st 2021**Rediscovering yourself**

Transiting Neptune Squares your natal Neptune

When others see you smile, are they seeing the reality of your situation or something you're doing to simply placate them? It appears you are likely aware of how others are depending on you to be logical and sensible, yet you suspect you must act as if you're in full control even though everything, in your mind, secretly seems to be falling apart. Pressure is mounting in more than one way, and urgency seems to be escalating.

How you interact peacefully and sensitively with someone else or certain others in your world depends on how willing you are to dwell less on your fears and focus more on your hopes. You have a fantastic opportunity to assess, layer upon layer, certain beliefs that have been engrained within you, perhaps since childhood and rediscover who you are as a person. But you are learning more about what and whom you truly want and need – and why! With that, will come an understanding of how wonderful your life - and relationships with those within it - can and deserve to be.

Monday 29th March**The secret to happiness isn't so elusive**

Transiting Venus Trines your natal Sun from 29th to 31st March 2021. Exact 30th March

Is there a recipe for happiness? Do we need to stick to a rigid plan to be happy? In some ways, we do, but when we become too rigid to something that should be spontaneous, we lose the potential for happiness as well as some of the magic needed to create it.

In your personal world now, you have much support available to you to attain what so many people spend lifetimes trying to find or manifest – happiness!

You have a rare opportunity to experience a rise in your status in more than one person's eyes, but it is one person in particular who looks set to see you in a much different and positive way. That, in turn, will relieve pressure in a relationship where you've long wanted to experience it.

Also on Monday**Enhancing your and others' worlds**

Transiting Venus Conjuncts your natal MidHeaven from 29th to 31st March 2021. Exact 31st March

Like, we know, attracts like. How 'liked' are you feeling now? If you doubt how you're perceived by certain people, then have absolute faith in the fact that you can attract numerous people into your world now on several levels by simply being yourself.

Avoid any tendency to attempt to try to live up to anyone else's expectations of what you could or should be. Even if you believe you possess no creative or artistic talents, at least be willing to be led by your imagination. You hold strong influence.

Use it to enhance your and others' worlds through levels of beauty and peace you convey effortlessly. Be yourself and allow romantic opportunities to come to you. That way, you won't have to seek them.

Also on Monday**A reward for being brave and sincere**

Transiting Venus Squares your natal Mars from 29th to 31st March 2021. Exact 30th March

In your personal world, there is a problem you sorely want to resolve but could be struggling to settle. You're being asked to 'accept the impossible.' You want to give in to an indulgence of some sort yet are very aware of how common sense is dictating that you would be foolish to make any hasty or risky move.

Remember that we live in a world that rewards the brave and the sincere far more than it takes care of the cautious and unimaginative. It is time to take a courageous step towards achieving a dream.

It is time to be strong, proud, daring, ambitious and, above all else, confident. If you can manage all of the above, then various natural processes now unfolding will restore your faith and spur you on to make something wonderful, heart-warming and long lasting happen.

Wednesday 31st**Recognition and Admiration**

Venus transits your natal 10th house from 31st March 2021 to 29th April 2021

Are you aware of the mesmeric, captivating vibe you possess now? It's not only your outward appearance that makes you so magnetic. It's the way you possess tact, appreciation and a finely-tuned sensitivity when interacting with others that makes you even more endearing. However, even though others respect your charming manner - and your list of admirers could increase at this time – your vibe is strangely and intriguingly distant. Your need for recognition or admiration could intensify but be careful not to become too concerned about what others think of you. As long as you make full use of the tact and sensitivity you're blessed with now, you needn't be concerned about whether you're seen in the right ways.

Forecast for April 2021

April 4th 2021 onwards to September 21st 2021

Managing Energies & Emotions

Transiting Neptune Sextiles your natal Chiron

A strong link could exist now between what you think and feel. However, your thoughts and emotions are being softened as kindness and compassion become more integral to your interactions with others or one person in particular. You're being 'softened' but in a way that facilitates deeper exchanges rather than puts you at risk of being taken advantage of through making yourself as vulnerable as you're likely to become now. You might feel extra sensitive as well, but this opens the door to learning more about managing energies and emotions instead of suppressing them.

Tuesday 6th

Let it be

Transiting Venus Opposes your natal Pluto from 6th to 8th April 2021. Exact 7th April

What or who has you so 'fired up'? What or who possesses such fascinating and hypnotic qualities that you're likely struggling to think clearly? What is needed now is clarity. Before that can become available though, effort on your part is needed to extract fact from fiction and reality from fantasy.

That doesn't mean you're wrong to dream or even pursue whatever or whoever it is that has you so captivated or fascinated. But if it isn't becoming increasingly clear that you need to be more motivated and less manipulative, then such clarity will come soon enough. To get what or whom you truly want, you'll have to let go slightly.

Try to care less but believe more that whatever is for you won't pass you by. Trust your deepest instincts now and let a process unfold in its own way and time. Relax and avoid the tendency to control what needs to happen naturally.

Also on Tuesday

Removing limitations

Transiting Venus Trines your natal Neptune from 6th to 9th April 2021. Exact 8th April

Do you feel as if you've taken too much on in some way? Have you taken on too much responsibility, overstretched yourself, embarked upon a plan that you feel you might be unable to finish or embarked on something you feel you might not accomplish?

Sometimes, when we experience too much of a good thing, we forget or ignore our limitations! You are extremely well placed now to put your personal or relationship world on a much stronger footing.

You can bring about change through applying imagination. Be creative. Be imaginative. Be yourself and you can transform something that has been troublesome into something you will welcome and embrace.

Wednesday 7th

Equal terms

Transiting Mars Trines your natal Pluto from 7th to 11th April 2021. Exact 9th April

Are you feeling a need to prove yourself in some way? Or, in what way is someone expecting you to justify your position? There is a need for a crucial conversation or some level of debate or discussion to happen. There's a deal to be done and an agreement to be reached.

For you to truly benefit from this, you need to lose any belief that you are beholden, subservient or inferior to a certain person. Enter this discussion believing you have something valuable to say and offer.

If you can remain positive and sensitive, then a balance can be created between you and someone else where you have, for some time, believed an imbalance existed.

Thursday 8th April**Look no further than a mirror**

Transiting Venus Squares your natal Ascendant from 8th to 10th April 2021. Exact 10th April

Is there some unseen council that dictates who and what is attractive and who and what isn't? We need only look on the cover of glossy magazines to see who or what is deemed attractive and many people make such effort to measure their own attractiveness by what's socially acceptable.

You, however, don't need to measure your attractive levels – and your ability to attract – in such ways. You don't need to succumb to any pressure to meet someone else's criteria of what's attractive. In your personal world now, it's important to accept how attractive you are in the eyes of others.

Even if you wrongly believe you aren't 'measuring up' to someone else's ideas of attractiveness, have utter faith in how you are attracting very much the right attention through determination you are showing in some way. You know something or someone worth having is worth giving proper effort toward – and that, in itself, is attractive!

Also on Thursday**Honesty is the best policy for all concerned**

Transiting Mars Opposes your natal Neptune from 8th to 12th April 2021. Exact 10th April

Years ago, many television sitcoms were always based on a 'misunderstanding.' If there's one thing drama, tension, confusion, and turmoil love, it's misunderstanding, particularly due to one person not being completely honest with themselves.

Right now, there is a chance that person could be you. It's important you don't feel obliged to provide all the answers where someone's demands to do so are concerned. If there's something you don't know, then there's no shame in saying so.

Deception and potential for misunderstandings are high now. Don't make things potentially worse by choosing to overlook the need to be honest with yourself and you-know-who!

Monday 12th**Likely Apologies**

Mars transits your natal 12th house from 12th April 2021 to 2nd June 2021

You're motivated by selflessness at this time and can find yourself in an interesting position of achieving what you want by assisting others. Your altruistic efforts are probably made without expecting anything in return. However, personal progress is likely to be made in the background, rather than announcing your plans to the world or putting yourself in a position where your plans are visible or easily monitored. On an emotional level, you could be prone to suppressing any negative or aggressive energy and choose to release it on those closest to you. Although healing in close relationships can come from apologies issued later, the more effort you can make to avoid such unpleasant scenarios, the better.

Saturday 17th April**Facing what needs to be faced**

Transiting Venus Squares your natal Mercury from 17th to 19th April 2021. Exact 18th April

When we feel unable to relax, the last thing we want to hear is someone telling us to relax. After all, we have our reasons for feeling tetchy, nervous or apprehensive and believe that anyone who tries to convince us otherwise clearly is unable to grasp what we believe we understand.

There are, however, limits to how much anyone can worry. In your personal world now, it's important you accept how, through ignoring something that needs to be acknowledged, you're not coming close to creating a solution.

Through denying the existence of a problem, you also deny yourself an opportunity to take constructive action to remedy it. Deal now with what you are trying to ignore. It isn't as daunting as it appears, and life will become sweeter once you have faced what needs facing.

Thursday 22nd**Let the real you emerge**

Transiting Venus Squares your natal Sun from 22nd to 24th April 2021. Exact 24th April

There's a certain person in your world deserving of more respect than you're showing them. There's a particular individual concerned unnecessarily about how they're seen in the eyes of certain others. You know this person very well and, to discover their identity, all you have to do is look in the nearest mirror.

In your personal world, need exists for you to muster a bit more self-respect and dignity than you might be used to mustering. That doesn't mean you have a specific reason to be more self-respectful, but neither does it mean one isn't being created.

If you really want to emerge from any situation with the ability to walk tall and proud, then abandon entirely any concerns about how you look in the eyes of others. Trust what you feel to be right and don't succumb to any pressure from certain others about what you ought to be feeling.

Also on Thursday**Faith restoration**

Transiting Venus Sextiles your natal Mars from 22nd to 24th April 2021. Exact 23rd April

Sometimes, confidence is dented all too easily. We've all experienced a situation where we believe we can take on the world and any problem within it and then discover that all it takes is one unforeseen development to create a sense of fear or disbelief toward what we were so focused on originally. There are also times when we are willing to invest faith in something we cannot see or justify until we experience a similar crisis of faith.

In your personal world now, there is something you believed you were once very sure of. Now, it appears to have reservations about whatever-it-is. The good news is, very soon, your faith and confidence will be restored. The even better news is your faith and confidence look set to be higher and stronger than they were previously.

There is though, something you must do for this change to unfold. This involves bringing about a change in your romantic or emotional world that surrounds being less dutiful or beholden and being willing to inviting more joy into your world. Make that change, and you will soon be feeling rejuvenated and optimistic.

Friday 23rd April**Take notice of what's begging to be noticed**

Transiting Venus Trines your natal Venus from 23rd to 25th April 2021. Exact 25th April

Would you like to experience a breakthrough? Does the thought of being presented with a chance to instigate a new and very different plan in your personal world hold any appeal? As much as you might be inclined to answer 'yes' to both questions, you could (understandably) have reservations about what will change or if a breakthrough or chance to bring about a much-needed change will bring what you truly desire.

You're in an exceptional position now to experience both. For this to happen, you need only heed the idea that is begging you to take notice of it. If you are willing to see how much potential is on offer from seizing an opportunity now, then something truly heart-warming can make its way to you.

Wednesday 28th**Count ten and relax**

Transiting Mars Squares your natal Moon from 28th April 2021 to 2nd May 2021. Exact 1st May

It doesn't take much for some people to become very defensive. All they need is the slightest instance or perceived need to defend themselves, and woe betide anyone on the receiving end of their response.

Such feelings tend to be short-lived though and if you're feeling an urge to defend yourself – probably where a certain female is concerned – then look closely at why.

It's possible that your need stems more from emotions running high than any real basis to come across so defensively or assertively. You can protect what it is important to you now without causing a scene.

Thursday 29th**Hidden Attractive Qualities**

Venus transits your natal 11th house from 29th April 2021 to 27th May 2021

Your positive vibe makes you powerfully endearing and might explain why you're drawn toward a leadership role in group or social situations. However, it's important to accept that, regardless of how drawn toward you others might be at this time, you won't please or win over everyone all of the time. You're blessed with copious amounts of charm and kindness now, and such qualities can only make forming or strengthening a special connection considerably easier than it has been recently. Your magnetism stems from knowing not only how to attract people but being able to look beyond someone's obvious, exterior and at their hidden attractive qualities that few others probably see. If you're single, then be aware of how quickly Cupid might work on your behalf. Someone who is a mere acquaintance one day could become a lover the next!

Friday 30th**Yes sir, no sir...**

Transiting Mars Squares your natal Saturn from 30th April 2021 to 4th May 2021. Exact 2nd May

Authority figures often have different ideas to the rest of us. What makes perfect sense to them regarding how and why something should be done a certain way sometimes confuses us.

This is often because they assume we have had the same train of thought about rules or procedures as they have and when they discover we haven't, that's when tension or problems arise. Your relationship with a certain person – possibly in a position of authority – needs careful care now.

Limitations are being imposed upon you. The more you can smile, nod and do what's being asked of you, the more you will play a helpful role in dissipating a potentially tense situation.

Forecast Until 13th May 2021

Saturday 1st May

All it takes is one tiny spark...

Transiting Mars Squares your natal Jupiter from 1st to 5th May 2021. Exact 4th May

It takes two to tango. It also takes at least two people to experience confrontation or conflict. You're dealing with a sensitive situation where your relationship with a certain individual is concerned, and it's important you don't underestimate how a single spark can create a conflagration now.

The more you can smile, be supportive and sensitive, the more you can avert a tense and unnecessary confrontation that there is every sign of being potentially overblown.

Sunday 2nd

Taking the initiative

Transiting Venus Sextiles your natal Ascendant from 2nd to 5th May 2021. Exact 4th May

We know that, when the going gets tough, the tough are known to get going. Some people enjoy rising to particular challenges and being seen to 'prove' themselves. Similarly, there is a challenge you must rise to and demonstrate to a few people how willing you are to prove yourself.

Perhaps, where your personal world is concerned, you've grown used or accustomed to wanting something simply because you feel you deserve it. Now, it is probably becoming clear that to attain what – or whom – you want, you have to demonstrate your keenness or worthiness.

Don't shy from the challenge offered now. You can not only make real and tangible progress with a particular person and possibly surprise yourself and them at the same time.

Tuesday 4th

Looking beyond the present

Transiting Venus Opposes your natal Uranus from 4th to 6th May 2021. Exact 5th May

Are you aware of your heart beating noticeably faster? Are you also aware of what's making you feel restless or causing a bit more tension in your world than you wish there was? In your relationship world now, you appear to be experiencing as much pleasure as you are pain in some way. In some ways, this is good.

In others, it is far from desirable. What needs to be removed now is indecision, uncertainty, and denial. In amongst all of the above is a genuine reason to be happy and feel optimistic. Avoid the tendency now to focus so intently on immediate dramas and be willing to focus on a much bigger picture. This includes the development you yearn to see happen in your emotional world. Keep reaching for it because it is genuinely attainable.

Sunday 9th

Holding your horses

Transiting Mars Conjuncts your natal Mars from 9th to 13th May 2021. Exact 12th May

Considerable energy and willpower is available to you now, provided you want it. The equivalent of a celestial kick up the backside to take the initiative in ways you may have delayed doing is on offer. Much depends on how you intend to use it and even more depends on whether you believe you need it.

Sometimes, we can come across as a bit heavy handed all of a sudden in the eyes of certain people and should you choose to make use of energy and power available to you, then you might find one or two people are taken aback by your new-found drive and determination.

By all means, make changes or take reins where they need to be taken but remember to be sensitive to the needs of others before doing so.

Monday 10th May**Listening is key**

Transiting Mars Squares your natal MidHeaven from 10th to 15th May 2021. Exact 13th May

Where a certain person is concerned, is it possible to 'meet in the middle' somehow? This could be a time when you address certain needs of yours - and if someone can satisfy them.

That's fine, provided you're aware of strong likelihood of you being 'put in your place' or told to know your place in the scheme of things and it is this likely scenario that will probably encourage you to want to reach some form of compromise

By taking the initiative and making clear what you need and why you need it, you're giving someone the chance to do the same and provided you're both willing to listen, then a compromise can be reached.

Tuesday 11th**A solution in the form of a brainwave**

Transiting Venus Sextiles your natal Mercury from 11th to 14th May 2021. Exact 13th May

Life ticks along in ways that we get used to and then suddenly, we find ourselves dealing with a development that truly grabs our attention. We wonder where on Earth such a development could have come from, what caused it or how instrumental we were in making it happen.

Something similar happens with brainwaves. We become very used to a situation that we know is crying out for a new and exciting idea. In your personal world now, that's precisely what you can expect. Powerful forces are being unleashed in your life. You're not quite sure how you ought to be acknowledging or adapting to them.

Let the solution that is determined to make its way to you come to you and then embrace it. It is precisely what you need now.

Also on Tuesday**What you give, you'll receive**

Transiting Venus Trines your natal Moon from 11th to 13th May 2021. Exact 12th May

Some people will always believe that showing emotion is a sign of weakness. Right now, in your personal world, your greatest asset is not strength but softness. It is this quality that needs nurturing within you now. It is important that you dip deeply into your reserves of compassion, tolerance, patience, and support.

Even if you feel you're reaching the end of your proverbial tether, by being sensitive and supportive, you will find your tether can stretch further than you thought it would.

It's a case of 'doing unto others as you would have them do unto you' and if there's a particular person you want to get closer to, then you'll discover they're likely to respond toward you with whatever you're offering them.

Wednesday 12th May

Leave serendipity out of it

Transiting Venus Trines your natal Saturn from 12th to 14th May 2021. Exact 13th May

Can you afford to be fussy now? Of course, you can. Not only can you afford to be fussy, but it would also be in your best interests to be so. Dare you take a risk though? Ah, that begs a more important question but what matters now is how you view the risk you're taking. Think of it as 'improvising' rather than undertaking a daunting act.

In your personal world now, you have a very particular and specific goal in mind. There is undoubtedly something you yearn to see happen. You're aware that, to achieve this, you're going to have to take a chance in some way. You know that making something wonderful happen between you and someone else will require you to be selective and structured in your approach.

A heart-warming development is on offer provided you ensure the right kind of disciplined preparations are in place first. Take a brave step forward in the knowledge that you're not leaving a result to happen entirely by chance.
