Hi Meghan,

This personal Astrology reading provides a fascinating insight into your Love & Passion Destiny.

It includes your Venus, often known as the Goddess of Love, as well as the placements of Mars and Neptune at the exact moment you were born. This information can be remarkably accurate in revealing your attitude toward love and romance, your fantasies, aspirations and passionate purpose.

It's important to remember that you have a choice about what develops in your world. If you want to be happier, then you can be, regardless of what occurs in the cosmos. However, your Love & Passion Destiny reading offers insight into your unique characteristics and can help you understand the part the heavens play in the unfolding story of your life.

To the right of each pair of 'aspect' symbols is a group of five stars. The darker the stars, the more powerful and significant the meaning of that aspect is to you.

We wish you a wonderful future!

## Love, Comfort and Self-Expression

The lover you are, the lover you want and your creative side.

### A Passionate Observer

Venus in Virgo

You're one of life's true 'observers.' Not only do you excel at watching what is happening, but you are also equally superb at assessing things, situations, and people. The truth is, you are happy to let a loved one do what they want until they need your help. Far be it for you to deliberately interfere with what someone close is doing, even if you can see umpteen mistakes they are making that they can't. When the time comes, you are brilliant at explaining how, where and why your loved one made any mistakes.

A part of you that exists on fear. It's as if you believe fear does you good sometimes, keeps you on your toes and helps you think one step ahead of others. You fear the repercussions of poking your nose where it might not be wanted. You fear making decisions about changes that will affect others. You fear the fact that so many people see you as someone who can always pull a right answer to any problem out of the bag. Equally, you fear not being able to provide answers sometimes.

However, you also possess an amazing ability to gravitate toward the finer, exquisite things in life. You don't just order a 'glass of red wine' in a restaurant; you request a vintage that only a true connoisseur will have heard of. You know how to truly indulge yourself and also enjoy introducing others to your tastes.

However, you are happiest when everything is picture perfect and therein lies the problem because your partner will have to get their head around your quest for perfection in all that you do if they are going to be with you forever more.

### Sweet Talker

Venus in the 3rd House

You know much about how minds process information. There's a particular skill to this that you probably acquired at a young age.

It makes you adept at instigating and maintaining conversations that result, more often than not, in enthusiastic agreements rather than half-hearted compromises. It's not so much a case of knowing precisely what someone wants to hear but conveying yourself in a way that someone finds themselves nodding without fully considering what you've managed to get them to agree with or commit to!

## Your Venus Aspects

### Off-the Scale Sexiness Factor ★★☆☆☆

Venus Sextiles Mars

Your beautiful appearance and alluring nature are genuine. There's nothing superficial about your elegance or charm. You possess a strong zest for life and an equally strong desire to experience everything intensely.

With you, little is done or experienced in 'half measures.' Your intensity is probably aimed most at your love life. Your harmonious and peaceful disposition helps you to attract non-aggressive people. However, where love partners are concerned, they too must be sexy and able to satisfy your strongly sensual desires!

## Perfect Blend of Passion & Affection ★★★★★

Mars Sextiles Venus

You possess a perfect blend of sexual passion and affection that explains why you look and feel so sexy. You're confident and assertive with pursuing your desires without being overbearing.

This balance makes it easy for you to give and receive love and adoration and attract partners who match your sensual and sexy qualities. There's nothing superficial about your elegance or charm. You possess a strong zest for life and an equally strong desire to experience everything intensely, and the connections you form in all areas of your world are often based on intense mutual attraction, an understanding of mutual needs and plenty of chemistry!

## Motivation, Impulsiveness and Passion

How you invest energy and express anger, confrontation, aggressiveness, and competitiveness.

### Focusing Energies on Others

Mars in Cancer

You might choose to retreat or withdraw into your shell when faced with change or anything resembling confrontation. Despite possessing strong, tenacious qualities, you need to feel reassured before taking action. This can make you appear deceptively weak or indecisive in the eyes of others.

Through possessing strong nurturing and protective instincts, you'll often prefer to focus these on others, and this can make you very endearing - and sexually attractive!

Focusing your energies on others is often a more positive experience than focusing on yourself. Doing so often highlights concealed insecurities resulting in a tendency to be over-sensitive, too self-protective or self-critical.

You're extremely passionate and will display your argumentative or even manipulative abilities when confronted or angered. Your initial response to either is often more emotional than cerebral.

When feeling confident and reassured, your sympathetic, dependable, protective and helpful sides emerge in the most wonderful ways.

### Selfless Leader

Mars in the 12th House

You're motivated deeply by selflessness, but often get what you want by helping others to get what they want. You also probably do this without expecting anything in return. You make an excellent life coach by compassionately encouraging others to challenge themselves.

You prefer secrecy, isolation, and detachment rather than announcing your plans to the world or put yourself in a position where your success can be easily monitored.

You could tend to 'bottle up' aggressive energy within you, and this can be unpleasant when it is finally expressed. However, you soon experience inner peace and healing from doing so.

## Your Mars Aspects

### Powerfully Passionate ★☆☆☆☆

Moon Squares Mars

You possess an insatiable need to achieve your desires and have a strong emotional attachment to whatever you want or need. This is helpful with providing dynamism and fighting spirit to succeed but can also make you obstinate and short-tempered at times.

Because you possess a powerfully passionate nature, you can tend to overreact or unleash anger in ways you regret later. However, as far as you're concerned, feelings need to be released, not bottled up.

You believe that, if you're going to express yourself, then it's essential to do so passionately and in ways that leave nobody in any doubt about what you think or feel. Your emotional flair and dramatic displays can be released constructively, and in ways others find extremely sensual or downright sexy!

**Off-the Scale Sexiness Factor** ★★★★★

Venus Sextiles Mars

Your beautiful appearance and alluring nature are genuine. There's nothing superficial about your elegance or charm. You possess a strong zest for life and an equally strong desire to experience everything intensely.

With you, little is done or experienced in 'half measures.' Your intensity is probably aimed most at your love life. Your harmonious and peaceful disposition helps you to attract non-aggressive people. However, where love partners are concerned, they too must be sexy and able to satisfy your strongly sensual desires!

**Dial-Back Over-Defensiveness** ★★★★★

Mars Squares Moon

Your passions tend to simmer before being released which can be exciting if done positively. However, if suppressed emotions manifest as anger, then care is constantly required to avoid being hurtful. There is often an element of danger attached to taking risks or acting impulsively, and self-restraint is needed in every area of your life.

The key to managing pent-up frustrations lies with releasing them in healthy, constructive and safe ways. You might also need to accept that you can annoy or upset others at times and mustn't be overly defensive or mean when they make this clear or share feelings with you.

Courage is needed to face what makes you feel threatened. If you react aggressively, then you're wise to accept others will as well.

**Perfect Blend of Passion & Affection** ★★★★★

Mars Sextiles Venus

You possess a perfect blend of sexual passion and affection that explains why you look and feel so sexy. You're confident and assertive with pursuing your desires without being overbearing.

This balance makes it easy for you to give and receive love and adoration and attract partners who match your sensual and sexy qualities. There's nothing superficial about your elegance or charm. You possess a strong zest for life and an equally strong desire to experience everything intensely, and the connections you form in all areas of your world are often based on intense mutual attraction, an understanding of mutual needs and plenty of chemistry!

**Balancing Caution and Bravado** ★★★★★

Mars Squares Jupiter

Your list of impressive qualities is a long one. Courage, energy, enthusiasm, strength and sex appeal must keep you constantly busy. Actually, keeping busy is essential because if you allow your high energy and passion levels to build up internally, then, without a creative or physical outlet, they can go from being delightful to downright nasty.

That's why expressing your abundant energy and enthusiasm must be done regularly and healthily. Top of your list of Things Not to Do are acting or deciding impulsively or taking potentially dangerous risks. However, a balance between caution and bravado can be found. Although the world needs more people like you to stand up for others and take risks everyone else is afraid to consider, you need to protect yourself from harm by being less obliging to impulsive urges.

**Releasing Negative Energy** ★★☆☆☆

Mars Squares Saturn

Your desires and goals are powerful and vivid to you, but you might experience challenges when it comes to expressing and attaining both. This might be due to experiencing harsh criticism or an overly-strict upbringing when you were younger, perhaps from your father or an authority figure.

This might have led to difficulty in overcoming inhibition, shyness, or feelings of inadequacy. A lifelong need exists to release such negative energy which will always result in greater self-confidence, wisdom gained through experience and a strong work ethic. Patience, perseverance, and empathy can be your strong points and facilitate healthy self-esteem, long-lasting relationships, impressed achievements - and much-deserved recognition!

**Confidence is Key - 'Close One'** ★★★★★

Mars Squares Midheaven

You could believe that investing any effort toward cherished plans or ambitions is better than investing none. However, your fervent and, at times, sporadic approach can mean you focus attention on too many pursuits, plans or projects and spread yourself too thinly as a result.

You want to see results instantly and prefer to create strategies as you go along rather than work to thought-through plans. This also applies to others' ideas and suggestions. You probably see their input as more distracting than helpful or believe they possess a hidden agenda that involves watching you fail.

You might also be disinclined to be advised or instructed by authority figures, perhaps due to a belief that nobody has the right to tell anyone what to do. Fortunately, when your confidence is high, you're more receptive to listening to and working with others and can claim shared responsibility of impressive achievements. If you keep your confidence levels high, then everyone wins!

**Expressing Abundant Energy** ★★☆☆☆

Jupiter Squares Mars

You possess an abundance of courage, energy, enthusiasm, strength and sex appeal but each needs an outlet constantly. If you allow each to build up without a creative or physical means of release, then they'll release themselves in ways you might struggle to control.

That's why it's essential that you express your abundant energy and enthusiasm regularly but healthily and constructively, without acting or making decisions impulsively or taking potentially dangerous risks.

However, it shouldn't prove difficult to find a balance between bravado and cautiousness. Although you undoubtedly gain admiration for standing up for others and take risks most other people would avoid taking, your impulsive urges and willingness to throw caution to the wind need to be kept in check.

**Releasing Negative Energy** ★★☆☆☆

Saturn Squares Mars

Despite how powerfully vivid your desires and goals are, you likely experience challenges when expressing or attaining both. Receiving harsh criticism or an overly-strict upbringing when you were younger might have influenced – and continue to affect - your belief in your abilities, and present difficulty with overcoming inhibition, shyness, or occasional feelings of inadequacy.

This pushes you to release negative energy to boost your self-confidence and strong work ethic. Patience, perseverance, and empathy are a few of your many, strong assets and when applied courageously, facilitates healthy self-esteem, long-lasting relationships, impressive achievements - and plenty of well-deserved recognition!

## Your Mysterious and Compassionate Qualities Revealed

Imagination, dreams, subconscious and extra sensory perceptions.

### Adventure Equals Learning

Neptune in Sagittarius

You're on a personal, lifelong quest to learn and absorb as much information as possible – but will likely focus your learning efforts on gaining an understanding of life on a deep level.

You have a natural fascination with all that can't be explained rationally. This could cause you to gravitate toward unusual phenomena, religion, the occult or philosophy. You could also adopt rigid stances where beliefs and opinions are concerned, convincing yourself that your opinions, through having been formed with considerable effort, must, therefore, be more valid than someone else's.

You will give your 'all' to any interest that fascinates you but might need to guard against an interest becoming a fixation or obsession through being fueled by fantasy or unrealistic expectations. Balance will also likely need to be found between making a realistic and fair judgment of people and situations and allowing emotions to override this.

You're unconcerned with risk-taking, believing 'risk equals adventure' and that adventure forms an integral part of any learning process. This could, in turn, cause you to take unnecessary risks. Therefore, effort needs to be made to be more practical or realistic where the sensible and practical achievement of dreams and goals are concerned.

### Balancing Keeness with Obsessiveness

Neptune in the 5th House

Your keenness and ability to 'live in the moment' can cause you to become 'lost in the moment.' What makes absolute sense to you and fires your imagination could be something others see as illogical.

Fleeting or shallow interests don't interest you. As far as you're concerned, if something captures your imagination, then it deserves to be pursued with as much passion as you can muster.

This applies particularly to two areas of your world. The first relates to creative talents, and your mission could involve balancing a keen interest with addictive or obsessive passion. The second relates to affairs of the heart. By not showing caution or restraint, you can pursue crushes, dates, or flings that don't offer potential you believe you saw initially.

### Your Neptune Aspects

#### Collaborative Dream - 'Close One' ★★★★★

Neptune Sextiles Pluto

You have a 'pioneering spirit' and are unafraid to challenge 'norms' or generally accepted ways of thinking. You're able to spot ways to improve or update what everyone else is so willing to accept. However, before you can rebuild a belief or entire belief system, you must first destroy what has become so widely accepted.

This is something you excel at doing. You're capable of deconstructing any aspect of life, a system, a belief or procedure and present a new truth that is far worthier of considering. You might be seen by others to be obsessive or compulsive, but your higher thought processes require you to create order from chaos and simplicity from complexity.

Ultimately, you probably have one main aim in life: to bring people closer together, not necessarily physically but spiritually. Your dream of everyone collaborating for the greater good is not far-fetched, either.

## Harnessing your Pioneering Spirit - 'Close One'

Jupiter trends from 6th January 2020 to 5th January 2021

#### January 16<sup>th</sup> to 26<sup>th</sup> 2020

##### A fair hearing

Transiting Jupiter Opposes your natal Mars

Courtroom processes usually involve someone declared innocent until proven guilty.

With that in mind, might you be jumping to a certain conclusion now where a certain person is concerned? It's possible you're arming yourself with some set-in-stone assumptions and a certain person with whom you share closeness isn't going to take kindly to what they're being accused of.

Avoid hasty accusations now. Someone is entitled to have their say, and all you need to do is hear them out.

**January 24<sup>th</sup> 2020 onwards to February 2<sup>nd</sup> 2020****Just be yourself**

Transiting Jupiter Trines your natal Venus

Throughout our lives, there are times when we become aware of others suddenly becoming friendlier and nicer to us. Sometimes, we have no idea why this should suddenly happen as we didn't believe we were doing anything different in any way.

What you can expect soon is a noticeable feeling that you're sought after in more than one way. Your bank manager is likely to respond more positively toward you. However, it is in a romantic capacity that you're likely to discover the most pleasing and heart-warming development! Just be yourself now and let a bit of luck take care of the rest.

**Up-and-coming or Messy Trends**

Transiting Uranus Retrograde Sextiles your natal Mars

Hands of a clock move forward. Time, as complex as it is in so many ways is also remarkably simple and predictable.

In an area of your personal world, a situation is moving forward. Time has played a large part in this and will continue to do so, but it is time for you to prepare yourself for natural and necessary change.

The really good news is, a situation is going to change whether you want it to or not. If you're nurturing fears that it will remain the same forever, then you're about see evidence of why you can feel reassured.

Let the change unfold and reveal itself. Once it starts to manifest, you'll be grateful for how the change has come so dramatically and decisively.

Neptune trends from 6th January 2020 to 5th January 2021

**February 21<sup>st</sup> 2017 onwards to May 9<sup>th</sup> 2030****Captain of Your Own Destiny**

Neptune transits your natal 9th house

A new level of open-mindedness makes you receptive to others' beliefs or convictions. However, you could find yourself believing wholeheartedly in something one person subscribes to strongly only to find yourself persuaded by someone else's beliefs or opinions. This can make finding your 'inner compass' or separating what's right from what's wrong or inaccurate increasingly difficult. However, any confusion you experience can serve a helpful purpose if it encourages you to start investing more confidence in your own psychological or philosophical views. The faith you invest in these can move your life forward wonderfully if you keep both feet on the ground and accept that you're the captain of your own destiny when it comes to steering your life in a particular direction.

# Month-by-Month Forecast

## Forecast for 6th January to 31st January 2020

### Saturday 4<sup>th</sup> January

#### Bring it out into the open

Transiting Venus Trines your natal Pluto from 4th to 7th January 2020. Exact 6th January

People talk about skeletons residing in closets. They speak of issues being swept under carpets. There are always issues we prefer to keep hidden, but we know, in our hearts, when certain issues deserve to see the light of day. We owe it to ourselves and those closest to us to allow what needs to be brought out into the open to no longer be hidden under a veil of secrecy.

In your personal world, your attention is being drawn to a fact that must be faced. You can ignore it for a little while longer but be assured that, very soon, you will have to give it attention. When this happens, it will be good news.

Facing what needs to be faced will expose what has been kept secret for too long and cease to cause you to feel as if you're obliged to pretend you're comfortable in a situation that makes you feel otherwise. It's time to pursue an opportunity that you simply haven't felt was viable and, by finally doing so, you will achieve what or whom you truly desire - and deserve!

### Also on Saturday

#### Trust your hunches

Transiting Venus Sextiles your natal Neptune from 4th to 7th January 2020. Exact 7th January

Sometimes, we're our own worst enemies when it comes to being 'talked out' of doing something. We tend to ignore our intuition because we know what it's telling us is right and we struggle with hearing the truth at times. In your personal world now, a certain truth is emerging.

There is something you are feeling, about a person or situation that you cannot ignore. What you want, before taking any action are facts. You would prefer your decisions were based on logic rather than hunches.

It is important though, to trust what you're feeling. Acknowledge and respect what your hunches are telling you. When the truth does emerge, you will be able to say with confidence and honesty that you knew it already.

### Wednesday 8<sup>th</sup>

#### Stepping up to the plate

Transiting Venus Squares your natal Uranus from 8th to 11th January 2020. Exact 10th January

Sometimes, we feel a need to instigate change for the sake of instigating change. Other times, we do this to send a clear message to certain people that we are in control of ourselves or situations when we believe perception exists otherwise. In your personal world now, there exists a need to create a 'mini-revolution.'

In some way, you have been restricted and held back for too long, and you're very aware of what has become unacceptable within a situation or arrangement. You're being granted an ability to express yourself now and while the urge to rebel is likely intensifying, so too is a perceived need to remove yourself entirely from an undesirable scenario.

Soon, what doesn't make sense will make sense. For now, trust how you're being challenged and all that appears awkward is helping you to re-evaluate everything. Once done, you will bring about the very change you've long wanted to see happen.

**Wednesday 8<sup>th</sup> January****Authority can be very sexy**

Transiting Mars Sextiles your natal Moon from 8th to 11th January 2020. Exact 10th January

Men and women alike often find people in positions of authority to be attractive if not very sexy. There's something about the air of authority and confidence someone gives that makes them very appealing, and you can project yourself in such a way.

Don't underestimate the 'no-nonsense' attitude others see you projecting now. You are very likely conveying strong leadership qualities or reassuring ability to take control where one or two people would like to see you take control and you will soon see evidence of how attractive and respected you are in the eyes of more than one person.

**Thursday 9<sup>th</sup>****Letting it all bounce off you**

Transiting Mars Sextiles your natal Saturn from 9th to 13th January 2020. Exact 11th January

How much are you willing to endure now? Your toleration limits are quite high which, given the situation you are facing or are likely to be facing shortly where your relationship with a certain person is concerned, bodes well. You know there is a right and wrong way to react to a certain situation now.

By adopting a 'keep calm' strategy, you stand to achieve so much more than what the alternative offers. Continue to keep your emotions and impulses in check and all will be fine.

**Also on Thursday****Let it all out**

Transiting Mars Trines your natal Mercury from 9th to 12th January 2020. Exact 11th January

Sometimes, our brains work much quicker than our mouths. We struggle to make a point or convey certain information to others because we struggle to process vast information that wants to go from our heads to our mouths.

There appears to be much you want to say or convey now, and it's a case of trying to assess and make sense of it all yourself before doing so. Don't struggle now with making a point or three. Don't be concerned with whether you're saying the 'right thing.'

Focus only on what you know needs to be said and let it come out in the way it chooses to. All that matters now is that certain points are made and are no longer bottled up.

**Friday 10<sup>th</sup>****Keeping the adrenaline surge in check**

Transiting Mars Sextiles your natal Jupiter from 10th to 14th January 2020. Exact 12th January

We all crave excitement on some level. Excitement, we know, is something we often want more of, especially when we believe it to be lacking in an area of our world we wish contained more of the stuff that adrenaline surges are made of.

You are motivated by a need to boost excitement levels in some way and if this involves a certain person or potential suitor, then be aware of how heavy-handed your keenness to do so may come across. Give them time to come to terms with and prepare for what you're expecting of them.

**Saturday 18<sup>th</sup> January****Giving it your all**

Transiting Mars Trines your natal Sun from 18th to 22nd January 2020. Exact 20th January

We're told from a young age that little comes to us in life without effort. It doesn't take us long to discover this for ourselves, either. If we knew that our efforts would always result in us getting what we wanted, we'd become bored with doing so.

Sometimes, we need a challenge to make a result worthier of attaining. You appear very focused on achieving a particular result where an existing or potential relationship is concerned.

Trust that the effort required to bring about a certain change or produce the desired result is not misplaced. You can make something special and very worthwhile happen now.

**Also on Saturday****It's all about having a plan...**

Transiting Mars Trines your natal Midheaven from 18th to 22nd January 2020. Exact 21st January

To make anything happen, we need a plan. Even if we haven't sat down with a pen and paper or in front of a computer to create one, we are still following a plan of some kind if achieving something is important to us.

What plan are you following now? Is it one that is destined for success or failure? Perhaps it's time to determine if you are following a plan or are heading in a direction in a rudderless way. If you suspect your involvement with something or someone is heading in a direction that needs guidance or brought back on track, then now is a perfect time to do it.

**Monday 20<sup>th</sup>****Establishing boundaries**

Transiting Mars Squares your natal Venus from 20th to 23rd January 2020. Exact 22nd January

Animals, as we know, can be very territorial. Humans often behave similarly. With that in mind, where do you stand with a certain person and where do they stand with you? There is a need to define - or perhaps redefine - 'territory.'

In other words, an agreement is needed regarding what is acceptable, unacceptable and possibly open to negotiation. Make no mistake; love is in the air. However, maybe you would prefer that the current opportunity to embark upon a romantic or intimate relationship was focused creatively or socially.

In any case, guidelines and boundaries exist there, too. Provided you and at least one other person can establish these, for the time being, then delightful and positive progress can be made.

**Tuesday 21<sup>st</sup>****Embrace long-awaited change**

Transiting Venus Trines your natal Mars from 21st to 23rd January 2020. Exact 22nd January

It's not often we have to pinch ourselves to believe something is happening to us. It's great when we find ourselves so amazed at what has transpired that we have to do something to confirm we're not dreaming.

You could be tempted to do something similar now as a development appears to be unfolding that you've wanted to see happen for a long time. A new phase of your life is about to begin, and you have an exceptional opportunity to 'break new ground' where your personal world is concerned.

Where certain relationships are concerned, there are rules that can be rewritten and horizons expanded. All that is required from you is confidence mixed with a tiny amount of courage. Be brave and accepting of the long-awaited change unfolding now. Above all, believe it is yours for the taking.

**Wednesday 22<sup>nd</sup> January****Improving what's currently undesirable**

Transiting Venus Opposes your natal Venus from 22nd to 25th January 2020. Exact 24th January

Where do you 'draw the line'? How do you express your dissatisfaction with a particular situation? Inviting those closest to you to offer advice isn't the best idea because they – or possibly one person in particular – could be the cause of your displeasure. You appear to be tolerating something unacceptable, and this probably has much to do with a perceived need to placate someone else in some way.

When we reach the end of our proverbial tether, then that's clear indication of when 'enough is enough.' It's easy to look at your current situation in the belief that having 'something' is better than 'nothing' yet you could be overlooking how easily 'something' could become 'something more.'

The challenge in your personal world now involves turning a fault into something adequate or sufficient. You needn't try to work a miracle. Approach what needs 'fixing' positively and constructively, and you will improve a less than desirable situation.

**Thursday 23<sup>rd</sup>****Love Attracts Love**

Venus transits your natal 9th house from 23rd January 2020 to 18th February 2020

It's important that you accept how attractive and elegant you are when you feel free or unrestricted by life's shackles. Your altruistic qualities could be enhanced now, and you might have a lovely vision of how you wish everyone would be kind, considerate and loving to each other. You're keen to be all the above to everyone now, and even if others believe you're deluded, you'll stand by your beliefs. You're right to have faith in the undisputed fact that 'like attracts like.' Embarking upon - or strengthening - a relationship with someone who shares your positive, kind and adventurous outlook could be remarkably easier at this time. All you need to attract more love into your world is to offer it, unconditionally.

**Thursday 30<sup>th</sup>****Smelling the coffee**

Transiting Venus Squares your natal Neptune from 30th January 2020 to 1st February 2020. Exact 1st February

The world is and always will be full of insensitive people. That's why it's important now that you separate yourself from such individuals. It's important to gain proper perspective and assess how far to trust one or two individuals and how much to believe what you're being told by them, and by one in particular.

Detaching yourself will also help you to identify certain flaws in a particular person that will help with a decision you need to make. You're not being encouraged to be judgmental.

You're being encouraged to, as the old saying goes, wake up and smell some coffee. To do that, you need to restrain your imagination slightly and view a certain relationship with both honesty and sensitivity. If you can do that, then you'll soon be better placed to identify a way forward.

## Forecast for February 2020

### Saturday 1<sup>st</sup> February

#### Personal popularity

Transiting Venus Trines your natal Ascendant from 1st to 3rd February 2020. Exact 2nd February

Few people need convincing of how attractive confident people often are. People who exude confidence can have an almost Pied Piper effect on others, or they at least turn a head or two from those who are inquisitive.

You're in a superb position now to create your own 'self-image'; how you're seen in the eyes of those who know you and who, through a noticeable sense of ease and self-worth, want to know you. You don't need to go to great lengths to impress anyone.

You need only be yourself now to meet new and interesting people – and probably won't have to look very hard to identify those whose interests are of the romantic variety!

### Sunday 2<sup>nd</sup>

#### The power of imagination

Transiting Venus Trines your natal Uranus from 2nd to 4th February 2020. Exact 4th February

What do we mean we say someone is 'imaginative' or 'creative'? We tend to associate such words with possessing artistic or musical abilities, yet there are many people who possess no writing, artistic or designing abilities who are blessed with potent imaginations.

Sometimes, to make progress when we feel we're struggling, we have no option other than to apply some creative thinking and, in your personal world now, that's precisely what you're being encouraged to do.

Through adopting an open mind and being willing to apply imagination, you're extremely well placed to set your personal, emotional or romantic life on a firmer, more meaningful - and hopefully less stressful – footing. To achieve this, you need to take a brave step into the unknown and, by applying imagination and creativity you're blessed with now, can achieve wonderful and heart-warming success.

### Also on Sunday

#### Looking beyond the obvious

Transiting Mars Conjuncts your natal Neptune from 2nd to 6th February 2020. Exact 4th February

People often use the phrase 'bottling up' when it comes to emotions. Now is an ideal time to not only release a few feelings or powerful emotions but it's also a good time to take a risk or two where forming relationships, particularly with individuals who are a bit quirky or mysterious are concerned.

Breaking from the norm and exploring what you might normally choose to ignore or write off as odd or peculiar is worth trying now. Doing so might just reveal a side of someone's personality that you never knew existed and it might be their quirkiness that causes your heart to beat a little bit faster.

**Sunday 2<sup>nd</sup> February****Do what you fear most, and your fear will disappear**

Transiting Mars Sextiles your natal Pluto from 2nd to 5th February 2020. Exact 4th February

Despite how things may appear, you are not as alone as you perhaps believe yourself to be. You have assistance available to you, even if you cannot see it.

This is unlikely to be in the form of a person but it more likely to manifest from within you and without intending to wax lyrical about an issue that is probably causing you to be fearful, you can make something special happen now where your relationship with a certain person is concerned if you're willing to abandon a fear.

Does that sound more difficult than it's likely to be? Provided you can summon determination to overcome it while remaining calm and sensitive; you can remove a barrier and conquer a long-standing fear at the same time. This can only help you to embark upon or strengthen a relationship.

**Thursday 6<sup>th</sup>****Essential Teamwork**

Mars transits your natal 6th house from 6th February 2020 to 22nd March 2020

You could put considerable focus on being as productive as possible at this time. Even if you normally set lofty standards regarding your effectiveness, you could feel it's necessary to raise the bar in some way now. That's fine and admirable, but you might need to accept that others in your world, or possibly one person, in particular, will be unlikely to share your determination to exceed expectations, or at least on the level you're working to. You can play an important part in reducing or possibly eliminating tension in one close relationship by accepting that perfection is an illusion. Embracing the spirit of teamwork can make you and someone else much more productive.

**Monday 10<sup>th</sup>****There's nothing like a 'Eureka Moment'**

Transiting Venus Trines your natal Mercury from 10th to 13th February 2020. Exact 12th February

Sometimes, we experience things called 'Eureka Moments.' We can feel relieved or amazed when we make a vital discovery or something that has been problematic finally 'clicks' into place.

In your personal world now, such a discovery awaits you. You're about to be blessed with ingenuity. There's no need for you to work harder or smarter. Whatever plans or ideas come to light will be simple, obvious and effective.

Where your relationships are concerned, you're about to see how using your imagination will allow you to gain valuable insight into a problem and how you can then explore new ground. This is a time to believe in magic. Let a wonderful discovery reveal itself now.

**Monday 10<sup>th</sup> February****Remove your barriers**

Transiting Venus Opposes your natal Moon from 10th to 12th February 2020. Exact 11th February

Many songs have been written by people who felt compelled to share with us the intense feeling of being in love. Such people found their capacity to care was seemingly limitless. They discovered as well through experiencing the joy of love that their ability to show compassion, patience, tolerance, and kindness became inexhaustible.

They willingly removed barriers that kept all such feelings at bay. With that in mind, how are you doing with your barriers? You're probably aware of how your emotions are being softened but could be equally aware of reasons you believe you have to be fearful of exposing yourself emotionally.

There's a question you want an answer to now. To receive an answer, you're going to have to make yourself a tiny bit vulnerable but will soon discover that the act of doing so will be enormously helpful and pivotal.

**Tuesday 11<sup>th</sup>****A sprinkle of realism**

Transiting Venus Opposes your natal Jupiter from 11th to 14th February 2020. Exact 13th February

Throughout our lives, we're encouraged by certain others not to get 'too carried away.' Such advice is often given by well-meaning folk who seem to think we are at risk of disappointment or being foolish. We learn from experience that if we set our sights slightly higher than what we want, we invariably end up getting what we want.

In your relationship world, balance is needed between overconfidence and realism. You are being given reason to be confident and optimistic. That's fine, provided you have both feet on the ground where certain aspirations are concerned.

Look closely at what you want to make happen and then apply a sprinkle of realism regarding realistic timescales. Provided what you want is right and appropriate, then it will come to you. Avoid any tendency to be unnecessarily forceful or overly determined.

**Also on Tuesday****Your heart won't fail you**

Transiting Venus Opposes your natal Saturn from 11th to 13th February 2020. Exact 12th February

We allow ourselves to be ruled by our heads. We also allow our hearts to have a say in what we ought to be doing or considering. Perhaps, that's why your head and various ideas you're generating are pulling you in one direction, and your feelings are pulling you in another.

You could be inclined now to support one and abandon the other. What ideally needs to happen is both your head and your heart working together, and the best way to achieve this is to decide what in your personal or relationship world is essential and what's merely little more than preferable. How can you tell which is which? That's easy.

Trust what you feel. Allow your instincts to guide you. Avoid the tendency to 'think' as much as you believe you must about a particular arrangement or situation and invest more faith in what you 'feel.' Your heart can have stronger influence if you'll allow it to and, if given a chance, won't fail you.

**Saturday 15<sup>th</sup> February****A reward for being brave and sincere**

Transiting Venus Squares your natal Mars from 15th to 18th February 2020. Exact 17th February

In your personal world, there is a problem you sorely want to resolve but could be struggling to settle. You're being asked to 'accept the impossible.' You want to give in to an indulgence of some sort yet are very aware of how common sense is dictating that you would be foolish to make any hasty or risky move.

Remember that we live in a world that rewards the brave and the sincere far more than it takes care of the cautious and unimaginative. It is time to take a courageous step towards achieving a dream.

It is time to be strong, proud, daring, ambitious and, above all else, confident. If you can manage all of the above, then various natural processes now unfolding will restore your faith and spur you on to make something wonderful, heart-warming and long lasting happen.

**Sunday 16<sup>th</sup>****Enhancing your and others' worlds**

Transiting Venus Conjuncts your natal MidHeaven from 16th to 18th February 2020. Exact 17th February

Like, we know, attracts like. How 'liked' are you feeling now? If you doubt how you're perceived by certain people, then have absolute faith in the fact that you can attract numerous people into your world now on several levels by simply being yourself.

Avoid any tendency to attempt to try to live up to anyone else's expectations of what you could or should be. Even if you believe you possess no creative or artistic talents, at least be willing to be led by your imagination. You hold strong influence.

Use it to enhance your and others' worlds through levels of beauty and peace you convey effortlessly. Be yourself and allow romantic opportunities to come to you. That way, you won't have to seek them.

**Also on Sunday****The secret to happiness isn't so elusive**

Transiting Venus Trines your natal Sun from 16th to 18th February 2020. Exact 17th February

Is there a recipe for happiness? Do we need to stick to a rigid plan to be happy? In some ways, we do, but when we become too rigid to something that should be spontaneous, we lose the potential for happiness as well as some of the magic needed to create it.

In your personal world now, you have much support available to you to attain what so many people spend lifetimes trying to find or manifest – happiness!

You have a rare opportunity to experience a rise in your status in more than one person's eyes, but it is one person in particular who looks set to see you in a much different and positive way. That, in turn, will relieve pressure in a relationship where you've long wanted to experience it.

**Tuesday 18<sup>th</sup>****Recognition and Admiration**

Venus transits your natal 10th house from 18th February 2020 to 21st March 2020

Are you aware of the mesmeric, captivating vibe you possess now? It's not only your outward appearance that makes you so magnetic. It's the way you possess tact, appreciation and a finely-tuned sensitivity when interacting with others that makes you even more endearing. However, even though others respect your charming manner - and your list of admirers could increase at this time – your vibe is strangely and intriguingly distant. Your need for recognition or admiration could intensify but be careful not to become too concerned about what others think of you. As long as you make full use of the tact and sensitivity you're blessed with now, you needn't be concerned about whether you're seen in the right ways.

**Friday 21<sup>st</sup> February****Count to ten and relax**

Transiting Mars Squares your natal Moon from 21st to 24th February 2020. Exact 23rd February

It doesn't take much for some people to become very defensive. All they need is the slightest instance or perceived need to defend themselves, and woe betide anyone on the receiving end of their response.

Such feelings tend to be short-lived though and if you're feeling an urge to defend yourself – probably where a certain female is concerned – then look closely at why.

It's possible that your need stems more from emotions running high than any real basis to come across so defensively or assertively. You can protect what it is important to you now without causing a scene.

**Saturday 22<sup>nd</sup>****Yes sir, no sir...**

Transiting Mars Squares your natal Saturn from 22nd to 26th February 2020. Exact 24th February

Authority figures often have different ideas to the rest of us. What makes perfect sense to them regarding how and why something should be done a certain way sometimes confuses us.

This is often because they assume we have had the same train of thought about rules or procedures as they have and when they discover we haven't, that's when tension or problems arise. Your relationship with a certain person – possibly in a position of authority – needs careful care now.

Limitations are being imposed upon you. The more you can smile, nod and do what's being asked of you, the more you will play a helpful role in dissipating a potentially tense situation.

**Sunday 23<sup>rd</sup>****All it takes is one tiny spark...**

Transiting Mars Squares your natal Jupiter from 23rd to 27th February 2020. Exact 25th February

It takes two to tango. It also takes at least two people to experience confrontation or conflict. You're dealing with a sensitive situation where your relationship with a certain individual is concerned, and it's important you don't underestimate how a single spark can create a conflagration now.

The more you can smile, be supportive and sensitive, the more you can avert a tense and unnecessary confrontation that there is every sign of being potentially overblown.

**Monday 24<sup>th</sup>****Let it be**

Transiting Venus Opposes your natal Pluto from 24th to 27th February 2020. Exact 26th February

What or who has you so 'fired up'? What or who possesses such fascinating and hypnotic qualities that you're likely struggling to think clearly? What is needed now is clarity. Before that can become available though, effort on your part is needed to extract fact from fiction and reality from fantasy.

That doesn't mean you're wrong to dream or even pursue whatever or whoever it is that has you so captivated or fascinated. But if it isn't becoming increasingly clear that you need to be more motivated and less manipulative, then such clarity will come soon enough. To get what or whom you truly want, you'll have to let go slightly.

Try to care less but believe more that whatever is for you won't pass you by. Trust your deepest instincts now and let a process unfold in its own way and time. Relax and avoid the tendency to control what needs to happen naturally.

**Tuesday 25<sup>th</sup> February****Removing limitations**

Transiting Venus Trines your natal Neptune from 25th to 27th February 2020. Exact 26th February

Do you feel as if you've taken too much on in some way? Have you taken on too much responsibility, overstretched yourself, embarked upon a plan that you feel you might be unable to finish or embarked on something you feel you might not accomplish?

Sometimes, when we experience too much of a good thing, we forget or ignore our limitations! You are extremely well placed now to put your personal or relationship world on a much stronger footing.

You can bring about change through applying imagination. Be creative. Be imaginative. Be yourself and you can transform something that has been troublesome into something you will welcome and embrace.

**Thursday 27<sup>th</sup>****Look no further than a mirror**

Transiting Venus Squares your natal Ascendant from 27th to 29th February 2020. Exact 28th February

Is there some unseen council that dictates who and what is attractive and who and what isn't? We need only look on the cover of glossy magazines to see who or what is deemed attractive and many people make such effort to measure their own attractiveness by what's socially acceptable.

You, however, don't need to measure your attractive levels – and your ability to attract – in such ways. You don't need to succumb to any pressure to meet someone else's criteria of what's attractive. In your personal world now, it's important to accept how attractive you are in the eyes of others.

Even if you wrongly believe you aren't 'measuring up' to someone else's ideas of attractiveness, have utter faith in how you are attracting very much the right attention through determination you are showing in some way. You know something or someone worth having is worth giving proper effort toward – and that, in itself, is attractive!

**Forecast for March 2020****Sunday 1<sup>st</sup> March****No need to reinvent the wheel**

Transiting Mars Opposes your natal Mars from 1st to 5th March 2020. Exact 3rd March

The need to find solutions to problems often involves us thinking we have to start from scratch to create them. After all, if what we thought was a solution has turned out to be otherwise, then we have reason to believe we must change our thinking or approach.

You don't have to start again where a current drama is concerned. In fact, where you and a certain person are concerned, you need only skim the surface to find an agreeable way forward.

To make this a stress and tension free exercise, avoid being impulsive or headstrong. Be patient and understanding, and all will be fine.

**Monday 2<sup>nd</sup> March****Listening is key**

Transiting Mars Squares your natal MidHeaven from 2nd to 6th March 2020. Exact 4th March

Where a certain person is concerned, is it possible to 'meet in the middle' somehow? This could be a time when you address certain needs of yours - and if someone can satisfy them.

That's fine, provided you're aware of strong likelihood of you being 'put in your place' or told to know your place in the scheme of things and it is this likely scenario that will probably encourage you to want to reach some form of compromise

By taking the initiative and making clear what you need and why you need it, you're giving someone the chance to do the same and provided you're both willing to listen, then a compromise can be reached.

**Wednesday 4<sup>th</sup>****Passion running high**

Transiting Mars Trines your natal Venus from 4th to 7th March 2020. Exact 6th March

Beauty, we are told, is skin deep. We also understand that beauty is in the eye of beholders. If any relationship is to be embarked upon, then there must be some level of attraction between two people.

In a very exciting way you're presented with a fantastic opportunity to allow yourself to be swept off your feet by succumbing to strong desires, passions, and stimulation on varying levels.

Don't underestimate your attraction levels now – or how easily you might find yourself attracted to a new or even existing individual!

**Sunday 8<sup>th</sup>****Facing what needs to be faced**

Transiting Venus Squares your natal Mercury from 8th to 10th March 2020. Exact 9th March

When we feel unable to relax, the last thing we want to hear is someone telling us to relax. After all, we have our reasons for feeling tetchy, nervous or apprehensive and believe that anyone who tries to convince us otherwise clearly is unable to grasp what we believe we understand.

There are, however, limits to how much anyone can worry. In your personal world now, it's important you accept how, through ignoring something that needs to be acknowledged, you're not coming close to creating a solution.

Through denying the existence of a problem, you also deny yourself an opportunity to take constructive action to remedy it. Deal now with what you are trying to ignore. It isn't as daunting as it appears, and life will become sweeter once you have faced what needs facing.

**Friday 13<sup>th</sup> March****Faith restoration**

Transiting Venus Sextiles your natal Mars from 13th to 16th March 2020. Exact 15th March

Sometimes, confidence is dented all too easily. We've all experienced a situation where we believe we can take on the world and any problem within it and then discover that all it takes is one unforeseen development to create a sense of fear or disbelief toward what we were so focused on originally. There are also times when we are willing to invest faith in something we cannot see or justify until we experience a similar crisis of faith.

In your personal world now, there is something you believed you were once very sure of. Now, it appears to have reservations about whatever-it-is. The good news is, very soon, your faith and confidence will be restored. The even better news is your faith and confidence look set to be higher and stronger than they were previously.

There is though, something you must do for this change to unfold. This involves bringing about a change in your romantic or emotional world that surrounds being less dutiful or beholden and being willing to inviting more joy into your world. Make that change, and you will soon be feeling rejuvenated and optimistic.

**Saturday 14<sup>th</sup>****Let the real you emerge**

Transiting Venus Squares your natal Sun from 14th to 16th March 2020. Exact 15th March

There's a certain person in your world deserving of more respect than you're showing them. There's a particular individual concerned unnecessarily about how they're seen in the eyes of certain others. You know this person very well and, to discover their identity, all you have to do is look in the nearest mirror.

In your personal world, need exists for you to muster a bit more self-respect and dignity than you might be used to mustering. That doesn't mean you have a specific reason to be more self-respectful, but neither does it mean one isn't being created.

If you really want to emerge from any situation with the ability to walk tall and proud, then abandon entirely any concerns about how you look in the eyes of others. Trust what you feel to be right and don't succumb to any pressure from certain others about what you ought to be feeling.

**Sunday 15<sup>th</sup>****Take notice of what's begging to be noticed**

Transiting Venus Trines your natal Venus from 15th to 18th March 2020. Exact 17th March

Would you like to experience a breakthrough? Does the thought of being presented with a chance to instigate a new and very different plan in your personal world hold any appeal? As much as you might be inclined to answer 'yes' to both questions, you could (understandably) have reservations about what will change or if a breakthrough or chance to bring about a much-needed change will bring what you truly desire.

You're in an exceptional position now to experience both. For this to happen, you need only heed the idea that is begging you to take notice of it. If you are willing to see how much potential is on offer from seizing an opportunity now, then something truly heart-warming can make its way to you.

**Monday 16<sup>th</sup> March****Bring out the objectivity**

Transiting Mars Squares your natal Pluto from 16th to 20th March 2020. Exact 18th March

People often speak about 'obsession.' Is obsession healthy or unhealthy? Many would argue it is unhealthy, especially when it causes us to cross a line deemed acceptable or appropriate.

That's why you need to stand back in some way now. If you're able to resist the temptation to give your all to someone or something, then you will at least be able to gain some objectivity. That's what's important to you now: your ability to be see a romantic or relationship in an unbiased and realistic way.

Distance yourself from someone or something in the knowledge that, if you can create distance, even briefly, then you are better placed to move forward toward it in the future when it suits you to do so.

**Tuesday 17<sup>th</sup>****Shining Example**

Transiting Mars Trines your natal Chiron from 17th to 21st March 2020. Exact 19th March

Taking the lead or decisive action could be your most powerful and helpful assets with making romantic or relationship progress now. However, your passionate energy needs to be harnessed in ways that heal, cleanse or teach and you could feel you're on a personal mission to one or all the above. You'd be wise to focus attention on yourself and any lingering or unresolved personal pain or inner wounds that remain unresolved. If you have struggled to summon the courage to face these in the past, then you could feel pushed to do so now. Only when you feel confident that you've taken long overdue steps to heal yourself should you focus attention on others. You can be a shining example of what we achieve when we face our fears. Whether single or attached, this quality, combined with the noticeable boost to your confidence it will bring, can boost your powers of attraction significantly.

**Friday 20<sup>th</sup>****Sharing in measured doses**

Transiting Mars Opposes your natal Ascendant from 20th to 24th March 2020. Exact 22nd March

From a young age, we're taught to share and accept that there is much in our world that must be shared. Prehistoric Man discovered problems that can arise when some level of enforced sharing must be done, and you are discovering similar problems.

However, there is no need to be greedy and selfish. Consider instead how much you ought to share and why. You could find yourself having to give more than you ought to in some way and in ways that benefit someone else more than you.

Use your instincts to help you determine how much someone else deserves or is entitled to.

**Saturday 21<sup>st</sup>****Hidden Attractive Qualities**

Venus transits your natal 11th house from 21st March 2020 to 30th July 2020

Your positive vibe makes you powerfully endearing and might explain why you're drawn toward a leadership role in group or social situations. However, it's important to accept that, regardless of how drawn toward you others might be at this time, you won't please or win over everyone all of the time. You're blessed with copious amounts of charm and kindness now, and such qualities can only make forming or strengthening a special connection considerably easier than it has been recently. Your magnetism stems from knowing not only how to attract people but being able to look beyond someone's obvious, exterior and at their hidden attractive qualities that few others probably see. If you're single, then be aware of how quickly Cupid might work on your behalf. Someone who is a mere acquaintance one day could become a lover the next!

**Sunday 22<sup>nd</sup> March****Keeping your distance**

Transiting Mars Sextiles your natal Uranus from 22nd to 26th March 2020. Exact 24th March

What's needed now is space. Breathing space. Thinking space. Whatever you want to call it, clearly there is a need to allow distance between you and a certain person because an equilibrium is changing.

An arrangement is shifting and as positive as the process is, this shift is likely to manifest as differences being identified between you and another person. You have to adjust to this, and so are they. With change, upheaval and insecurity are never far behind.

Riding this one out is best done by allowing each other time and space to adjust to what's happening now.

**Also on Sunday****Constructive and Imaginative**

Mars transits your natal 7th house from 22nd March 2020 to 23rd April 2020

This could be a time when you possess an energetic, invigorating and passionate attitude toward partnerships, and romantic connections are included. You could derive a strange kind of pleasure from engaging in – or instigating – heated debates or confrontations. This isn't because you're a nasty, hurtful individual. It's likely to involve a thrill that comes from going toe-to-toe with others, being determined to back up words with actions and encouraging them to do the same. However, this attitude is likely to push away those you want to be closer to. If you encourage confrontation or aggressiveness in others, then that's what you'll receive. Give thought to ways in which your fervent energy can be applied in more constructive and imaginative ways!

**Thursday 26<sup>th</sup>****Taking the initiative**

Transiting Venus Sextiles your natal Ascendant from 26th to 29th March 2020. Exact 28th March

We know that, when the going gets tough, the tough are known to get going. Some people enjoy rising to particular challenges and being seen to 'prove' themselves. Similarly, there is a challenge you must rise to and demonstrate to a few people how willing you are to prove yourself.

Perhaps, where your personal world is concerned, you've grown used or accustomed to wanting something simply because you feel you deserve it. Now, it is probably becoming clear that to attain what – or whom – you want, you have to demonstrate your keenness or worthiness.

Don't shy from the challenge offered now. You can not only make real and tangible progress with a particular person and possibly surprise yourself and them at the same time.

**Saturday 28<sup>th</sup>****Looking beyond the present**

Transiting Venus Opposes your natal Uranus from 28th to 31st March 2020. Exact 30th March

Are you aware of your heart beating noticeably faster? Are you also aware of what's making you feel restless or causing a bit more tension in your world than you wish there was? In your relationship world now, you appear to be experiencing as much pleasure as you are pain in some way. In some ways, this is good.

In others, it is far from desirable. What needs to be removed now is indecision, uncertainty, and denial. In amongst all of the above is a genuine reason to be happy and feel optimistic. Avoid the tendency now to focus so intently on immediate dramas and be willing to focus on a much bigger picture. This includes the development you yearn to see happen in your emotional world. Keep reaching for it because it is genuinely attainable.

**Monday 30<sup>th</sup> March****Conflict of Egos**

Transiting Mars Opposes your natal North Node from 30th March 2020 to 3rd April 2020. Exact 1st April

This could be a time when you give deeper consideration to what the word, 'partnership' means. You and a loved one or potential partner might have a shared goal, but a hurdle could exist surrounding difficulties with working together to achieve it. It's also possible that conflicting egos are at work here, even if neither of you is aware of it. It might not be difficult to embrace the spirit of collaboration but finding a goal or project that inspires and motivates both of you is the real challenge. The fact that both of you want to be at the helm or 'the boss' could create further complications. However, if you can identify and accept the ways you and a certain person can make an exceptional team, then this can not only strengthen your relationship but make you feel more directed and determined as individuals.

**Also on Monday****Drama and Chaos**

Transiting Mars Conjuncts your natal South Node from 30th March 2020 to 3rd April 2020. Exact 1st April

Your emotional world or a special relationship could experience delays or hurdles due to your attitude toward commitment. You might consider taking the plunge by committing yourself but could also conceal or nurture fears of feeling out of your depth by doing so. The last thing you want is for a relationship to stagnate but by being fearful of stepping across a certain line where commitment is concerned, you're the likely cause of any stagnation. Don't resort to creating drama in the belief that doing so moves a relationship forward. If anything, drama or chaos hamper progress. The answer lies in looking closely at previous relationships. By identifying patterns related to how things progressed - or failed – with these, you can apply lessons learned to your current circumstances. Be aware that these will encourage change, but change is essential to progress.

**Forecast for April 2020****Saturday 4<sup>th</sup> April****Desire for excitement**

Transiting Mars Trines your natal Moon from 4th to 7th April 2020. Exact 6th April

What is stirring within you now? Might it be a desire for excitement? Are you aware of powerful or impulsive feelings trying to manifest from within? If the answer is 'yes,' then allow them to do so.

This is a time of powerful attraction and a need to address powerful urges. With either or both comes a need to invest considerable energy.

Allow yourself to be led by what's creating intense feelings but make sure you balance assertiveness or impulsiveness with sensitivity.

**Sunday 5<sup>th</sup>****Leave emotion out of it**

Transiting Mars Opposes your natal Mercury from 5th to 8th April 2020. Exact 7th April

It's no secret that we are often unhappiest with others when we're unhappy with ourselves. When we are struggling with hidden frustrations or a belief that we're not being helped or listened to, then we often release such stress on others.

Interestingly, it is often those closest to us whom we do this to. Emotions are likely to be running high at this time, especially on your part. It's possible you could instigate a discussion that you'll end up wishing you hadn't.

As tempting as it might be to release frustration on a certain person, accept that is precisely what you'll be doing. If you really want to make a point, then keep your emotions in check.

**Sunday 5<sup>th</sup> April****Keeping your cool**

Transiting Mars Trines your natal Saturn from 5th to 9th April 2020. Exact 7th April

Have you ever wondered how martial arts experts can remain so calm and controlled one minute yet able to put fists through wooden planks or blocks of concrete the next? This ability has much to do with suppressing and targeting anger or hostility.

It also has much to do with an ability to summon patience, discipline, endurance, and resistance. Might such qualities be needed by you where your relationship with a certain person is concerned?

To maintain control of a volatile situation, all you need to do is smile, count to ten and let any tension dissipate. Trust that it doesn't need to be released in any other way.

**Tuesday 7<sup>th</sup>****Sharing of energy**

Transiting Mars Trines your natal Jupiter from 7th to 10th April 2020. Exact 9th April

Within the strongest relationships, teamwork is almost always evident. Nothing brings two people closer together than a shared objective or keenness to work together to solve a problem.

Your relationship status can escalate wonderfully if you're prepared to work with someone in a competitive or corroborative environment. Whether this be athletic or simply doing a crossword puzzle together, focusing on a shared achievement or solution promises a delightful meeting of minds.

**Also on Tuesday****What you give, you'll receive**

Transiting Venus Trines your natal Moon from 7th to 10th April 2020. Exact 9th April

Some people will always believe that showing emotion is a sign of weakness. Right now, in your personal world, your greatest asset is not strength but softness. It is this quality that needs nurturing within you now. It is important that you dip deeply into your reserves of compassion, tolerance, patience, and support.

Even if you feel you're reaching the end of your proverbial tether, by being sensitive and supportive, you will find your tether can stretch further than you thought it would.

It's a case of 'doing unto others as you would have them do unto you' and if there's a particular person you want to get closer to, then you'll discover they're likely to respond toward you with whatever you're offering them.

**Wednesday 8<sup>th</sup>****A solution in the form of a brainwave**

Transiting Venus Sextiles your natal Mercury from 8th to 11th April 2020. Exact 9th April

Life ticks along in ways that we get used to and then suddenly, we find ourselves dealing with a development that truly grabs our attention. We wonder where on Earth such a development could have come from, what caused it or how instrumental we were in making it happen.

Something similar happens with brainwaves. We become very used to a situation that we know is crying out for a new and exciting idea. In your personal world now, that's precisely what you can expect. Powerful forces are being unleashed in your life. You're not quite sure how you ought to be acknowledging or adapting to them.

Let the solution that is determined to make its way to you come to you and then embrace it. It is precisely what you need now.

**Wednesday 8<sup>th</sup> April****Leave serendipity out of it**

Transiting Venus Trines your natal Saturn from 8th to 11th April 2020. Exact 10th April

Can you afford to be fussy now? Of course, you can. Not only can you afford to be fussy, but it would also be in your best interests to be so. Dare you take a risk though? Ah, that begs a more important question but what matters now is how you view the risk you're taking. Think of it as 'improvising' rather than undertaking a daunting act.

In your personal world now, you have a very particular and specific goal in mind. There is undoubtedly something you yearn to see happen. You're aware that, to achieve this, you're going to have to take a chance in some way. You know that making something wonderful happen between you and someone else will require you to be selective and structured in your approach.

A heart-warming development is on offer provided you ensure the right kind of disciplined preparations are in place first. Take a brave step forward in the knowledge that you're not leaving a result to happen entirely by chance.

**Thursday 9<sup>th</sup>****Dare to dream**

Transiting Venus Trines your natal Jupiter from 9th to 12th April 2020. Exact 11th April

Do you dare to dream? Do you risk pursuing any of the wild ideas likely occupying your thoughts now? The answer to both questions is undoubtedly 'yes.' Dream as much as you dare to. Entertain as many of the wild ideas as you can because, in your relationship world now, one or two dreams or ideas will lead you toward a very clever move.

You're entering a time that promises to be more rewarding than you probably suspect, and once you see evidence of rewards, you're likely to want more. Is there a downside to this? The only point to consider surrounds possible belief on your part that any inch should be seized and made into a mile.

At least one tempting possibility is presenting itself, and through your confidence being boosted, you might be oblivious to how charismatic you appear in the eyes of certain others. Go with the flow now and avoid the tendency to be forceful or overly determined. Let what is unfolding naturally do so in its own way while continuing to dream and let ideas create themselves.

**Tuesday 14<sup>th</sup>****Unhealthy competition**

Transiting Mars Opposes your natal Sun from 14th to 18th April 2020. Exact 16th April

Company bosses and business people often speak about 'healthy competition.' As much as anyone resents having to constantly keep an eye on a competitor, this is often good for business. In the world of relationships though, it can present problems.

If we or the person we're with believe we must prove or change something about ourselves to be seen as a worthier option, then stress and tension almost always follow. In what way has competition become an issue between you and another?

Look closely at what can be gained from going to considerable effort to outdo someone else now. Time and effort could be spent far more productively to strengthen rather than protect a relationship.

**Tuesday 14<sup>th</sup> April****Commanding respect**

Transiting Mars Sextiles your natal MidHeaven from 14th to 18th April 2020. Exact 17th April

If we want respect, we must command it. We need to be seen in the eyes of others as deserving of respect. You have an excellent opportunity now to gain respect in the eyes of certain others – or a certain person – but are likely to have to invest some effort to prove your worthiness of it.

This needn't require considerable effort on your part. An opportunity exists for you to take the lead in some way and through making clear what you need and why you need it, you could find more than one person responds positively - and will respect you for doing so!

**Thursday 16<sup>th</sup>****Cooperation is key**

Transiting Venus Sextiles your natal MidHeaven from 16th to 19th April 2020. Exact 18th April

Some people always insist on 'getting their way.' They tend to be largely unconcerned about what matters to others. All that does matter, it seems, is that they 'win' in some way. Such people want those they're trying to persuade to simply succumb and do what's demanded of them.

In your personal world now, you are likely adopting a completely contrary point of view in some way. You know that to get what – or whom – you want, you don't have to be heavy-handed. You need encourage peace and harmony, and you'll discover it will prevail over any tension.

To make progress on personal or romantic fronts, be seen to be approachable and willing to compromise where necessary. The key to progress now relies entirely upon cooperation, not obstruction.

**Also on Thursday****It's all moving forward**

Transiting Venus Sextiles your natal Sun from 16th to 19th April 2020. Exact 18th April

Depending on where we are on planet Earth, we're constantly spinning at between 700 and 900 miles per hour. If we stand still, we feel nothing. We're oblivious to how the spinning rock which we inhabit is hurtling through space at approximately 67,000 miles per hour.

So, can it not be said that even when we think nothing is happening in our world or situations show no sign of progress, we're part of a complex process that indicates otherwise? In your personal world now, you probably suspect you're standing still. You're not. You are making real and tangible progress.

You probably suspect a certain situation is far from ideal and makes little sense. Actually, it is very ideal and makes a lot of sense. This is a time to look closely at what appears imperfect and discover that there is a real reason to believe you're much closer to the desired scenario than you probably believe.

**Friday 17<sup>th</sup> April****Call off the quest for perfection**

Transiting Venus Squares your natal Venus from 17th to 21st April 2020. Exact 19th April

We know nobody's perfect. We also know nothing in life is perfect, either. Even that which appears perfect has imperfections if we're prepared to find them. But why would we want to find that which isn't perfect within something that appears perfect? With that in mind, what levels of perfection are you expecting within your personal world now? Of course, your relationships with certain others will never be perfect.

That's what makes them so fascinating and intriguing. Things might not be as smooth and comfortable as you'd like them to be but the drama you sense looming on the horizon is unlikely to be anywhere near as tense, important or threatening as it appears, either.

All you need to do now to bring about a near-perfect result in your relationship world is refrain from worrying or focusing too intently on finding perfection where 'near perfection' will suffice!

**Thursday 23<sup>rd</sup>****Constructive, Not Destructive**

Mars transits your natal 8th house from 23rd April 2020 to 30th May 2020

You're blessed with plenty of passion that you can channel toward your most cherished goals at this time. However, passion could transform into obsession if you don't harness and channel it constructively. Otherwise, what might start as a healthy obsession could become destructive, and it's not only your personal ambitions that are at risk. The same applies to your connections with others and closest relationships. You might find the intensity of confrontations, rising to challenges, and facing fears to be exciting or thrilling. You might also be prepared to inflict varying degrees of pain on others if it allows you to retain or regain control of situations you're so determined to control. This too, can only be destructive. The more you can resist any desire to confront, manipulate or control others, the less likely it will be that you'll have to repair any damage done to your closest connections.

**Tuesday 28<sup>th</sup>****Equal terms**

Transiting Mars Trines your natal Pluto from 28th April 2020 to 2nd May 2020. Exact 30th April

Are you feeling a need to prove yourself in some way? Or, in what way is someone expecting you to justify your position? There is a need for a crucial conversation or some level of debate or discussion to happen. There's a deal to be done and an agreement to be reached.

For you to truly benefit from this, you need to lose any belief that you are beholden, subservient or inferior to a certain person. Enter this discussion believing you have something valuable to say and offer.

If you can remain positive and sensitive, then a balance can be created between you and someone else where you have, for some time, believed an imbalance existed.

**Wednesday 29<sup>th</sup>****Creating something special together**

Transiting Mars Sextiles your natal Neptune from 29th April 2020 to 3rd May 2020. Exact 1st May

One interesting fact about talented people is, they are rarely talented at only one thing. Someone who is creative in an artistic sense can often possess skill or talents across a wide range of things artistic. When two creative people 'click', they often do so superbly.

Whether or not you believe yourself to be blessed with artistic or creative abilities, you have a fantastic opportunity begin or strengthen a relationship by focusing on what can be 'created' together. Stimulation and excitement is on offer now with someone who wants to create with you.

Look closely at who might fit that bill and you probably won't have to look as hard as you think you might.

**Wednesday 29<sup>th</sup> April****Personal Wounds Come First**

Transiting Mars Squares your natal Chiron from 29th April 2020 to 3rd May 2020. Exact 2nd May

With both friendships and intimate relationships, you could feel tempted to reach out to comfort loved ones but secretly know that doing so distracts you from your feelings of insecurity or loneliness. Sure, there are many benefits to helping and healing others, but it's important to remember that you have personal needs that you can't overlook. It's also possible that lashing out -deliberately or unintentionally - toward loved ones could be a futile and desperate attempt to reduce your inner pain. It's essential to remember this is more likely to harm or possibly destroy your close relationships and serve only to push away those you want and need to be closer to if you don't make a concerted and genuine effort to address your personal, inner wounds.

**Forecast for May 2020****Tuesday 5<sup>th</sup> May****Clearing the air**

Transiting Mars Squares your natal Uranus from 5th to 8th May 2020. Exact 7th May

Each of us has a limit to how much we will tolerate regarding an undesirable situation. Some of us have long fuses. Others, well, it doesn't take much for them to air their frustrations or anger. You appear to be experiencing – or about to experience – an outburst of sorts that will make very clear where your or someone else's frustrations lie.

This frustration probably stems from a perceived obstacle that is hindering progress in some way. Let the air clear and you and you-know-who can put the tense episode behind you.

**Also on Tuesday****Bring it out into the open**

Transiting Venus Trines your natal Pluto from 5th to 19th May 2020. Exact 12th May

People talk about skeletons residing in closets. They speak of issues being swept under carpets. There are always issues we prefer to keep hidden, but we know, in our hearts, when certain issues deserve to see the light of day. We owe it to ourselves and those closest to us to allow what needs to be brought out into the open to no longer be hidden under a veil of secrecy.

In your personal world, your attention is being drawn to a fact that must be faced. You can ignore it for a little while longer but be assured that, very soon, you will have to give it attention. When this happens, it will be good news.

Facing what needs to be faced will expose what has been kept secret for too long and cease to cause you to feel as if you're obliged to pretend you're comfortable in a situation that makes you feel otherwise. It's time to pursue an opportunity that you simply haven't felt was viable and, by finally doing so, you will achieve what or whom you truly desire - and deserve!

**Thursday 7<sup>th</sup> May****Balancing practicality with magic**

Transiting Venus Opposes your natal Neptune from 7th to 18th May 2020. Exact 12th May

Each of us is blessed with imagination and creativity. Both are hindered only by doubt and how we refrain from developing our talents and imaginations for reasons we create ourselves. Sometimes, this happens because we prefer to focus on what appears logical and practical. We believe both to be more sensible and that focusing on both will always provide 'the right answer.'

In your personal world now, there exists a need to create a balance between applying imagination and sensibility to a particular issue. Your head is conveying one message, yet your heart has a different agenda.

It's important to see a situation involving someone else by removing rose-tinted glasses, yet there also needs to be preparedness on your part to spot the magic that exists within a relationship. Be creative, be imaginative but keep both feet on the ground while doing so. That way, you will be able to identify a practical solution that retains all that is special between you and you-know-who.

**Wednesday 27<sup>th</sup>****The force is strong within you**

Transiting Mars Trines your natal Mars from 27th to 31st May 2020. Exact 29th May

Some people believe that the best way to win an argument is to shout louder than the other person or people. Others adhere to a saying about whoever shouts loudest gets heard above others.

Defensiveness often plays the biggest part in our decision to respond to perceived aggression or confrontation and being overly defensive is something you need to keep an eye on now, particularly where a certain relationship is concerned.

It's possible you could end up being a bit too preoccupied with your List of Needs and overlook what someone else wants or needs. It may feel as if you have tremendous levels of power available to you now but keep some in reserve for everyone's sake.

**Saturday 30<sup>th</sup>****Playful and Forthright**

Mars transits your natal 9th house from 30th May 2020 to 19th July 2020

Your quest for knowledge could be pursued rigorously at this time and although much of what you discover or uncover will be interesting and worthy of sharing with others, don't expect everyone to agree with or support your findings or views. This is also a time when intimacy could shift from being a bonding of souls to something more recreational or playful. Your connection with others can also be noticeably more lighthearted, even if you choose to 'say it as you see it' with your viewpoints. There will be something undeniably attractive about your honesty and zest for life, and a partner who makes you laugh or has interesting contributions or observations will make your world feel complete!

**Saturday 30<sup>th</sup> May****Biting off more than you can chew**

Transiting Mars Opposes your natal Venus from 30th May 2020 to 2nd June 2020. Exact 1st June

Songwriters know how effective it can be to leave gaps in compositions. If music was constant, it would be too much for the ear and brain to take in. Horror filmmakers also know how our imaginations can create something far scarier than any filmmaker could create.

The point surrounds how effective something that isn't there can be compared to something that is. In your relationship world now, it's what isn't being said or conveyed that is putting you in a strong position. Make no mistake; your attraction levels are high.

So too are your creative and financial prospects. But be careful with your charisma now. It's what you're conveying without words that needs to be watched and could cause you to bite off a bit more than you're able to chew!

**Forecast for June 2020****Monday 1<sup>st</sup> June****Call off the quest for perfection**

Transiting Venus Retrograde Squares your natal Venus from 1st to 5th June 2020. Exact 4th June

We know nobody's perfect. We also know nothing in life is perfect, either. Even that which appears perfect has imperfections if we're prepared to find them. But why would we want to find that which isn't perfect within something that appears perfect? With that in mind, what levels of perfection are you expecting within your personal world now? **Saturday 13<sup>th</sup>****Achieving Passionate Potential**

Transiting Mars Sextiles your natal Chiron from 13th to 17th June 2020. Exact 15th June

This is a time when you could become more conscious of the energy you possess for personal transformation and healing in your life – and within your closest relationships. However, you'll need to be prepared to address deep-rooted pain and work through old issues to heal them. Once you start to see the positive effects of this, you could focus your efforts on encouraging and supporting others to do the same. It's also possible that healing energy could arrive in the form of a certain person who enters your world at this time. You might also deal with issues surrounding self-acceptance as well as rejection, and the latter could require you to look deep within yourself for answers and solutions. The experience might be painful briefly, but it's by addressing these that you can embark properly on a journey to achieve your passionate potential.

**Also on Saturday****Dare to dream**

Transiting Venus Retrograde Trines your natal Jupiter from 13th to 20th June 2020. Exact 16th June

Do you dare to dream? Do you risk pursuing any of the wild ideas likely occupying your thoughts now? The answer to both questions is undoubtedly 'yes.' Dream as much as you dare to. Entertain as many of the wild ideas as you can because, in your relationship world now, one or two dreams or ideas will lead you toward a very clever move.

**Saturday 13<sup>th</sup> June****Keeping feet firmly on the ground...for now**

Transiting Mars Squares your natal Neptune from 13th to 16th June 2020. Exact 15th June

How realistic are you now? Think carefully before answering that question. You could be in a situation that is restrictive, yet you aren't inclined to remove yourself from it because you fear you might feel lost were it to be removed.

The same can be said about particular hopes and aspirations you have. To achieve these will require upheaval but are you prepared for how much upheaval you may experience?

No one is trying to dampen your enthusiasm for anything or anyone. However, you are encouraged to simply be realistic about what can be achieved between you and at least one other person in your world. Avoid fanciful thoughts now and focus solely on what can be achieved and agreed.

**Monday 15<sup>th</sup>****Leave serendipity out of it**

Transiting Venus Retrograde Trines your natal Saturn from 15th June 2020 to 4th July 2020. Exact 19th June

**Tuesday 16<sup>th</sup>****Leave competition out of it**

Transiting Mars Trines your natal Ascendant from 16th to 20th June 2020. Exact 18th June

Within any relationship, the need must exist to keep it moving forward, and one way to achieve this is to have shared goals. Sometimes though, the pursuit of shared goals becomes competitive and in a relationship context, competitive natures can cause more than one problem.

Where you and someone else are concerned, an opportunity is on offer to pursue something together and learn something valuable in the process. This will be made infinitely more enjoyable if competition is left out of the picture.

Enjoy doing something together for the sake of doing something together and not because one or both of you want to be seen to be 'better' at doing something.

**Tuesday 16<sup>th</sup> June****A solution in the form of a brainwave**

Transiting Venus Sextiles your natal Mercury from 16th June 2020 to 3rd July 2020. Exact 28th June

**Friday 19<sup>th</sup>****Putting your heads together**

Transiting Mars Trines your natal Uranus from 19th to 22nd June 2020. Exact 21st June

Two heads, we are told, are better than one. We also understand that many hands make light work. Fortunately, you and a certain person don't need help from others to make something special happen now.

The two of you can make something wonderful happen without intervention from others. But, for this to happen, you're going to have to put your heads together in some way.

Doing so will bring about an idea or revelation that will beg for your attention and bring about a change that will delight you.

**Sunday 28<sup>th</sup> June****Dare to dream**

Transiting Venus Trines your natal Jupiter from 28th June 2020 to 6th July 2020. Exact 3rd July

**Also on Sunday****Balance from Selflessness**

Transiting Mars Trines your natal North Node from 28th June 2020 to 2nd July 2020. Exact 30th June

Balancing selflessness and assertiveness is necessary in your emotional world at this time. You're acutely aware of your relationship needs and are prepared do whatever it takes to ensure they're met. However, you're equally tuned-in to how you can support a loved one or partner to achieve their needs as well. You're able to maintain harmony with the object of your affections because of your intuitive ability to keep things balanced, and by ensuring a relationship is fresh, fun and spontaneous. Your romantic or relationship ambitiousness can also inspire a partner to push harder and do more. You feel an urge to encourage equality in a relationship and will do whatever you can to maintain it.

**Also on Sunday****Mutual Fervent Energy**

Transiting Mars Sextiles your natal South Node from 28th June 2020 to 2nd July 2020. Exact 30th June

Your ability to balance personal needs and ambitions with those of a loved one or partner is heightened now, making you an even more dynamic and supportive lover. Your passions could push you to identify more deeply what you need from a partner, and you won't settle for less than what your heart decides is top of the list. Fortunately, you're able to curtail your assertiveness when necessary to allow a loved one or potential partner to speak openly about what they expect in return from you. What you're looking for now is shared drive, strength, and stamina to maintain your interest in a connection and keep you pushing forward toward a shared future. Having a shared goal to focus fervent mutual energy toward is icing on the proverbial cake!

**Forecast for July 2020****Friday 3<sup>rd</sup> July****Everyone has an opinion**

Transiting Mars Opposes your natal Moon from 3rd to 7th July 2020. Exact 5th July

Many hands, we are told, make light work. When many hands become involved, so too do many opinions. Suddenly, others see a need to provide unhelpful input or cast negative judgment, and you could be seeing evidence now of a need to defend yourself against certain people who believe they're right to be critical of you in some way.

What started off a cooperative venture may have become strained or divided through the clash of opinion. You know, in your heart, what is right and makes sense. Trust that, in time, others who can't see or feel what you feel will do so before long.

**Saturday 4<sup>th</sup> July****Let it all out**

Transiting Mars Trines your natal Mercury from 4th to 8th July 2020. Exact 7th July

Sometimes, our brains work much quicker than our mouths. We struggle to make a point or convey certain information to others because we struggle to process vast information that wants to go from our heads to our mouths.

There appears to be much you want to say or convey now, and it's a case of trying to assess and make sense of it all yourself before doing so. Don't struggle now with making a point or three. Don't be concerned with whether you're saying the 'right thing.'

Focus only on what you know needs to be said and let it come out in the way it chooses to. All that matters now is that certain points are made and are no longer bottled up.

**Sunday 5<sup>th</sup>****Fixing it properly**

Transiting Mars Opposes your natal Saturn from 5th to 9th July 2020. Exact 7th July

Repair manuals are supposed to be helpful regarding identifying problems and offering solutions. Before a correct solution can be found, the problem needs to be properly identified first.

The swiftest and most effective way to fix something is to understand what caused the need to fix it in the first place. In your world now, there exists a need to 'fix' something in a relationship sense.

Avoid the need to start again in any way; you could end up making unnecessary work for yourself. Look closely what the issue is, how it came about and the most effective way to put it right. You can do it and then move on.

**Monday 6<sup>th</sup>****Curb your enthusiasm**

Transiting Mars Opposes your natal Jupiter from 6th to 10th July 2020. Exact 9th July

The word 'passion' can be used in several ways. There are the obvious connotations, but sometimes, we're driven by passion in ways that make us impulsive or hasty, and it is your impulsiveness and hastiness surrounding action you appear determined to take that needs to be reined in now.

If you're planning on standing up for yourself in some way, then you'd be well advised to wait a little bit longer before doing so because the chances are high that you could end up taking a contested issue to an extreme and making it unnecessarily complicated. Channel your passion into more interesting - and less offensive - ways.

**Sunday 12<sup>th</sup>****It's all moving forward**

Transiting Venus Sextiles your natal Sun from 12th to 16th July 2020. Exact 15th July

Depending on where we are on planet Earth, we're constantly spinning at between 700 and 900 miles per hour. If we stand still, we feel nothing. We're oblivious to how the spinning rock which we inhabit is hurtling through space at approximately 67,000 miles per hour.

So, can it not be said that even when we think nothing is happening in our world or situations show no sign of progress, we're part of a complex process that indicates otherwise? In your personal world now, you probably suspect you're standing still. You're not. You are making real and tangible progress.

You probably suspect a certain situation is far from ideal and makes little sense. Actually, it is very ideal and makes a lot of sense. This is a time to look closely at what appears imperfect and discover that there is a real reason to believe you're much closer to the desired scenario than you probably believe.

**Monday 13<sup>th</sup> July****Cooperation is key**

Transiting Venus Sextiles your natal MidHeaven from 13th to 17th July 2020. Exact 15th July

Some people always insist on 'getting their way.' They tend to be largely unconcerned about what matters to others. All that does matter, it seems, is that they 'win' in some way. Such people want those they're trying to persuade to simply succumb and do what's demanded of them.

In your personal world now, you are likely adopting a completely contrary point of view in some way. You know that to get what – or whom – you want, you don't have to be heavy-handed. You need encourage peace and harmony, and you'll discover it will prevail over any tension.

To make progress on personal or romantic fronts, be seen to be approachable and willing to compromise where necessary. The key to progress now relies entirely upon cooperation, not obstruction.

**Tuesday 14<sup>th</sup>****Call off the quest for perfection**

Transiting Venus Squares your natal Venus from 14th to 18th July 2020. Exact 16th July

We know nobody's perfect. We also know nothing in life is perfect, either. Even that which appears perfect has imperfections if we're prepared to find them. But why would we want to find that which isn't perfect within something that appears perfect? With that in mind, what levels of perfection are you expecting within your personal world now? Of course, your relationships with certain others will never be perfect.

That's what makes them so fascinating and intriguing. Things might not be as smooth and comfortable as you'd like them to be but the drama you sense looming on the horizon is unlikely to be anywhere near as tense, important or threatening as it appears, either.

All you need to do now to bring about a near-perfect result in your relationship world is refrain from worrying or focusing too intently on finding perfection where 'near perfection' will suffice!

**Wednesday 15<sup>th</sup>****Step back...quietly**

Transiting Mars Squares your natal Mars from 15th to 19th July 2020. Exact 17th July

Opinions, we know, are like certain parts of our anatomy – everyone has one. It is the way some people choose to voice their opinions, and how defensively they do so that causes the most problems between them and others.

The wrong way to do this surrounds conveying an 'I'm not going to back down on this matter' attitude, and that could be what you're inclined to do where your relationship another is concerned. To say friction between you and them is waiting for an opportunity to present itself is an understatement.

You can sidestep an argument and make real, tangible progress by counting to ten and refraining from responding in a way you-know-who is expecting you to respond. Be sensitive and as understanding as you can possibly be.

**Thursday 16<sup>th</sup> July****The powers of (gentle) persuasion**

Transiting Mars Conjuncts your natal MidHeaven from 16th to 21st July 2020. Exact 19th July

Is it up to you to take the reins where a certain relationship is concerned? If you're prepared to take the initiative in some way now, you can make something wonderful happen, that much is clear. This needn't involve bossiness or becoming noticeably heavy-handed though.

You could be very persuasive and surprised at how easily others agree with what you're proposing. That's the key word now – proposing. There's a difference between 'proposing' and 'demanding.' If you're willing to show leadership and combine it with gentle but firm persuasion, then real progress is assured.

**Also on Thursday****Giving it your all**

Transiting Mars Trines your natal Sun from 16th to 20th July 2020. Exact 18th July

We're told from a young age that little comes to us in life without effort. It doesn't take us long to discover this for ourselves, either. If we knew that our efforts would always result in us getting what we wanted, we'd become bored with doing so.

Sometimes, we need a challenge to make a result worthier of attaining. You appear very focused on achieving a particular result where an existing or potential relationship is concerned.

Trust that the effort required to bring about a certain change or produce the desired result is not misplaced. You can make something special and very worthwhile happen now.

**Sunday 19<sup>th</sup>****Strides, Not Steps**

Mars transits your natal 10th house from 19th July 2020 to 10th February 2021

Your enhanced passion could have several outlets at this time, and one that might be top of your list is your career or status. The noticeable increase to your determination to make professional progress will likely catch the attention of others, and if there's someone higher up the chain you're keen to impress, then chances are, they're watching you. Any area of your world can benefit from the fervent focus you apply to take strides where you might have grown used to taking small steps. You're also bound to project a very sexy and attractive vibe by being a shining example of what applying passion in the right way to any pursuit can achieve!

**Monday 27<sup>th</sup>****Balancing practicality with magic**

Transiting Venus Opposes your natal Neptune from 27th to 30th July 2020. Exact 29th July

Each of us is blessed with imagination and creativity. Both are hindered only by doubt and how we refrain from developing our talents and imaginations for reasons we create ourselves. Sometimes, this happens because we prefer to focus on what appears logical and practical. We believe both to be more sensible and that focusing on both will always provide 'the right answer.'

In your personal world now, there exists a need to create a balance between applying imagination and sensibility to a particular issue. Your head is conveying one message, yet your heart has a different agenda.

It's important to see a situation involving someone else by removing rose-tinted glasses, yet there also needs to be preparedness on your part to spot the magic that exists within a relationship. Be creative, be imaginative but keep both feet on the ground while doing so. That way, you will be able to identify a practical solution that retains all that is special between you and you-know-who.

**Monday 27<sup>th</sup> July****Bring it out into the open**

Transiting Venus Trines your natal Pluto from 27th to 30th July 2020. Exact 28th July

People talk about skeletons residing in closets. They speak of issues being swept under carpets. There are always issues we prefer to keep hidden, but we know, in our hearts, when certain issues deserve to see the light of day. We owe it to ourselves and those closest to us to allow what needs to be brought out into the open to no longer be hidden under a veil of secrecy.

In your personal world, your attention is being drawn to a fact that must be faced. You can ignore it for a little while longer but be assured that, very soon, you will have to give it attention. When this happens, it will be good news.

Facing what needs to be faced will expose what has been kept secret for too long and cease to cause you to feel as if you're obliged to pretend you're comfortable in a situation that makes you feel otherwise. It's time to pursue an opportunity that you simply haven't felt was viable and, by finally doing so, you will achieve what or whom you truly desire - and deserve!

**Thursday 30<sup>th</sup>****Intuitive Connection**

Venus transits your natal 12th house from 30th July 2020 to 1st September 2020

This is a time to be aware of and embrace your many powerful, lovable and appealing qualities. Perhaps, you're oblivious to how lovable and appealing you are and might feel unsure at this time how to give and receive love, because of something connected with your past. This might also be a time when you become aware of the line that exists between being loving and smothering. Your attitude toward love and relationships is probably much more intuitive now. You could be finely tuned-in to the needs of others, or one person in particular and your intuition is unlikely to fail you when it comes to knowing how to make anyone you focus your kind and compassionate qualities toward feel loved and comforted.

**Forecast for August 2020****Thursday 6<sup>th</sup> August****Lose the excess baggage**

Transiting Mars Opposes your natal Pluto from 6th to 12th August 2020. Exact 9th August

How much does something really matter? How important is a concern that you appear to be nurturing? There's something you're taking more seriously than it deserves to be taken and it's important to accept that, where your relationship world is concerned, a story is only half told.

There is the issue surrounding how you're being pulled in various directions and encouraged to take the action you might have reservations about to alleviate unhappiness with a situation that cannot be ignored. To improve the situation, all you need to do is be willing to lose negativity associated with it.

If you can shake off the concern that seems intent on playing a part and weighing you down, you can make delightful progress now.

**Friday 7<sup>th</sup> August****You won't know unless you try**

Transiting Mars Trines your natal Neptune from 7th to 13th August 2020. Exact 10th August

People often speak about a need to 'look before we leap.' Of course, this makes sense. We want to know what we're leaping into and how safe it is before we do something so rash, but you have an excellent opportunity now to trust how leaping into the unknown can take you into unfamiliar but exciting territory.

If a relationship has become too predictable for your liking, then you can try encouraging a bit of the untried and untested into it.

If you're of the opinion that your relationships with others need a kickstart or an injection of life, then taking a chance with what's new or unorthodox could be just the tonic you need to rejuvenate whatever is need of rejuvenating.

**Monday 10<sup>th</sup>****Emotional release**

Transiting Venus Squares your natal Moon from 10th to 13th August 2020. Exact 12th August

Some people 'say it as they see it.' They cannot resist giving their input or sharing observations which is an admirable trait in some ways but can tend to get others' backs up. As 'right' as these outspoken people are, not everyone shares their keenness to know whatever it is such people feel the need to impart. It's easy though to misinterpret sensitivity for bullishness or arrogance sometimes.

That's why, in your personal world now, it's important that you understand your reasons for releasing a pent-up feeling. The emotional strength surrounding what you've kept concealed until now is likely stronger than you gave it credit for being. All of this would be easier if something in your emotional world 'made sense.'

The fact it doesn't probably has something to do with how emotionally you're choosing to react toward it. What's happening now is powerful and necessary. It's also providing a helpful step toward emotional stability you've wanted for some time.

**Tuesday 11<sup>th</sup>****A boundary needs pushing**

Transiting Venus Squares your natal Saturn from 11th to 14th August 2020. Exact 13th August

In what way - or ways - might you be feeling trapped or restricted now? Life always provides rules and restrictions, and we understandably opt to reject many in principle yet, in practice, we know we must adhere to or obey them. Sometimes though, it becomes necessary to push a boundary or restriction, and in your personal world now, that's precisely what you're being encouraged to do.

It's time to assess what you believe to be impossible or immovable and see how far you can exceed a particular expectation. It's not necessarily a case of focusing on what's missing in your relationship world but looking closely at what you do have available to you and how, through effort, imagination and a healthy dose of courage, you can improve significantly what you do have.

It's time to accept what - or who - you truly want and remove the idea of failure from any equation surrounding getting it or them. Be brave and willing to push your luck.

**Wednesday 12<sup>th</sup> August****Confidence in measured doses**

Transiting Venus Squares your natal Jupiter from 12th to 15th August 2020. Exact 14th August

We hear people say that they or others 'don't know their own strength.' Throughout history and in popular culture, there have been many characters who possessed superhuman strength and, despite being able to make spectacular things happen, often found themselves wishing they were a bit more delicate or sensitive.

In your personal world now, you are being blessed with an impressive ability to cause things to happen with the sheer force of your will. This, combined with an ability to be smart and generally lucky, is putting you in a very strong position. Be careful.

Avoid any tendency to be unnecessarily forceful or overly determined. Where your relationships with certain people – and likely one person in particular – are concerned, you can achieve a spectacular result. Be realistic and confident. But not too confident!

**Thursday 13<sup>th</sup>****Keep impatience at bay**

Transiting Mars Squares your natal Ascendant from 13th to 21st August 2020. Exact 17th August

Tension could be rife. Competition and conflict could become issues if they aren't already. If you're finding your relationship with a certain person to be strained, then there is much you can do to improve the situation, and top of the list involves keeping impatience at bay.

Letting impatience get involved could be like pouring gasoline on any flames of resentment now, and this is likely to have much to do without thinking through properly certain responses or actions. If you can't say or do something nice now, then distance yourself until you can.

**Monday 17<sup>th</sup>****Allow yourself to be drawn**

Transiting Venus Conjuncts your natal Mars from 17th to 20th August 2020. Exact 19th August

When we feel good, and on top of the world, we often don't feel challenged. That's fine, provided we have had enough of being challenged and are enjoying the respite. However, when faced with a problem, we usually have an idea of a solution that needs applying. In your personal world now, you're being given a chance to decide how you should react to a situation that appears challenging.

The best and quickest solution will come to you if you're willing to simply allow that which wants you, to have you. A very positive process is unfolding, and this involves someone who needs you and a way in which you are 'required' in some way. Make yourself available.

Don't resist how you are being drawn to whom or what needs you now. What appears challenging will, soon enough, become pleasing and comfortable.

**Tuesday 18<sup>th</sup> August****Don't sell yourself short**

Transiting Venus Squares your natal MidHeaven from 18th to 20th August 2020. Exact 19th August

Relationships are two-way things. We know what we expect from another person, and they usually have a clear idea what they ideally want from us. Given that we know this two-way process must exist, we still struggle to meet others' expectations or their demands.

If, in your personal or relationship world now, you're trying to seek love or approval, then be aware of lengths you ought to go to attain either. You could be at risk of investing more effort than is required and altering unnecessarily how you're seen in the eyes of others.

Don't sell yourself short in the belief that onus is entirely on you to take the initiative where the process should be two-fold.

**Wednesday 19<sup>th</sup>****Reasons to be more than cheerful**

Transiting Venus Sextiles your natal Venus from 19th to 21st August 2020. Exact 20th August

If we watch the news any night on TV or pick up a newspaper at any time, we're given plenty of reasons to believe that the world in which we live is far from the beautiful and peaceful place it was intended to be. With little effort, we can create numerous reasons to worry about anything or identify problems and difficulties.

It's very easy to overlook or ignore completely how beautiful the world in which we live truly is. Too many people regard life as a constant struggle instead of the precious gift it is. Have you reasons to look upon your personal world with such pessimism? Are your relationships with certain people or one person in particular less than ideal or how you'd like them to be?

Expect, very soon, to see real reasons to be grateful for all that is truly wonderful where your interactions with certain people are concerned. Prepare to be inspired even if those around you fail to see what you have to be so happy about!

**Thursday 27<sup>th</sup>****Pushing obsession aside**

Transiting Venus Squares your natal Pluto from 27th to 30th August 2020. Exact 29th August

Something is fascinating you. Whatever it is, appears to matter a great deal to you. Why does it matter? The answer to that question has much to do with how much emphasis you're putting on it – and a seemingly strong desire you have to give it so much attention. In your personal world now, you're being pushed in a very distinct direction and to make a decision.

You're encouraged strongly to make a choice and, to do this, it's important you accept what or whom might have become an obsession and why you need to be more objective. To make progress, you need to curb a tendency to think of nothing else than the one issue or person that occupies so much of your thinking time.

This is a time to gain perspective and make decisions based on fact or at least what feels truly right and sensible and not be bullied into following a path of least resistance simply because it appears an easier or most prominent option.

**Sunday 30<sup>th</sup> August****Beauty is more than skin deep**

Transiting Venus Conjuncts your natal Ascendant from 30th August 2020 to 1st September 2020. Exact 31st August

Is beauty only 'skin deep'? We know how beautiful some people are on the inside despite not possessing physical qualities that magazines and websites adorned with airbrushed models glorify constantly. How attractive do you feel now and are you truly aware of how attractive you are to certain others?

Your physical attractiveness is powerful now but pales in comparison to levels of inner beauty you possess. Beauty and attractiveness, whether they be inner or external, aren't always viewable with the eye. You have an exceptional opportunity now to attract others through your love of beauty, harmony and having such a friendly and affectionate attitude toward those around you.

Use all that you're being blessed with now where such attractive qualities are concerned, and you cannot fail to become closer to at least one admirer keen to become closer to you!

**Monday 31<sup>st</sup>****The power of imagination**

Transiting Venus Trines your natal Uranus from 31st August 2020 to 3rd September 2020. Exact 2nd September

What do we mean we say someone is 'imaginative' or 'creative'? We tend to associate such words with possessing artistic or musical abilities, yet there are many people who possess no writing, artistic or designing abilities who are blessed with potent imaginations.

Sometimes, to make progress when we feel we're struggling, we have no option other than to apply some creative thinking and, in your personal world now, that's precisely what you're being encouraged to do.

Through adopting an open mind and being willing to apply imagination, you're extremely well placed to set your personal, emotional or romantic life on a firmer, more meaningful - and hopefully less stressful – footing. To achieve this, you need to take a brave step into the unknown and, by applying imagination and creativity you're blessed with now, can achieve wonderful and heart-warming success.

**Forecast for September 2020****Tuesday 1<sup>st</sup> September****Warm, Amiable Vibe**

Venus transits your natal 1st house from 1st to 20th September 2020

You're blessed with a warm vibe that others can't help but be drawn toward at this time. Your thoughts and feelings could be delightfully transparent as well, and your willingness to be less hesitant toward revealing these could also be endearing. Your calm, amiable disposition gains trust and makes persuading others easier. The glow you emit on the inside reflects the glow you emit on the outside - making you powerfully attractive in every possible way!

**Tuesday 8<sup>th</sup> September****Powers of attraction**

Transiting Venus Sextiles your natal Moon from 8th to 11th September 2020. Exact 10th September

Like, we know, attracts like. Positive people tend to be drawn toward other positive people. Might positivity you're experiencing now be playing a part in attracting others toward you – or vice versa? The air of confidence and degree of attractiveness you're exuding now cannot and should not be ignored or underestimated.

But, it's all well and good that you're being seen as such an attractive option but what do you intend to do with the influence now available to you? Use it wisely. Use it effectively. Use it to draw a special person toward you or captivate one person whose attention you've wanted for some time.

You're blessed now with an enviable opportunity to use powers of attraction available to you, and no reason exists why you can't attain something very special, very soon.

**Wednesday 9<sup>th</sup>****Pleasurable journeys or conversations await**

Transiting Venus Conjuncts your natal Mercury from 9th to 11th September 2020. Exact 11th September

There are some journeys we embark upon that we anticipate problems or delays with and find ourselves relieved when we don't encounter either. There are some conversations we brace ourselves for, expecting them to be confrontational and feel relieved when we discover our fears were unfounded.

Such relief is available to you now, and your personal world can benefit enormously from smoothness on offer where travel or communication (possibly both) are concerned. This is a time of pleasurable interaction so don't hesitate to call on certain others for help if you feel you need it or be willing to help them.

Discussions rarely have the chance to go as smoothly as those you're likely to have now, so say what you want or need to say. Have that exchange. You look likely to be both pleased and relieved that you did.

**Also on Wednesday****Look closely to see what's good**

Transiting Venus Sextiles your natal Saturn from 9th to 12th September 2020. Exact 11th September

Imagine how dull life would be if we didn't have to do various things we didn't want to do. Where would the thrill of overcoming a challenge be? Where would we draw inspiration to seek new and exciting challenges that await us?

We can postpone some tasks or obligations that don't exactly excite or inspire us but regardless of what bores or daunts us; we can either endure discomfort surrounding what we have to do or find a way to see it as exciting - or even learn to love - whatever it is we dislike. In your personal world now, you might not be able to change an undesirable situation, but you can change your attitude toward it.

If you're willing to look closely at what is good in a situation you're inclined to believe is more tedious or uninspiring, then you will soon see it from a much more positive perspective.

**Thursday 10<sup>th</sup> September****Confidence is key**

Transiting Venus Sextiles your natal Jupiter from 10th to 12th September 2020. Exact 12th September

We know how attractive confident people can be. We know how attractive we feel when people are appreciative of us and our abilities. In your relationship world now, you're about to experience a much-needed boost to your confidence, and this has strong implications regarding what you can make happen that you truly want to make happen.

Guard against a perceived need to use extreme measures to achieve this, though. What you're experiencing now is the result of having pushed your luck in the past. You don't need to find a big, 'new' solution. All you need to do is channel confidence into allowing an existing solution to give itself a chance to work – and it will!

**Tuesday 15<sup>th</sup>****Bringer of harmony**

Transiting Venus Trines your natal MidHeaven from 15th to 17th September 2020. Exact 16th September

Many people believe attack to be the best strategy to adopt when defending themselves. With some people, we can see their barriers appearing like rolling metallic doors, and when these become evident, they often encourage or prolong further confrontation.

You, however, are superbly placed to diffuse a tense situation and replace tension with friendliness and warmth. You needn't invest considerable effort with this. Simply be yourself, and it's possible you can create harmony effortlessly.

Your personal world can definitely be affected and influenced positively through a love of beauty and desire for peace and, through being instrumental in building bridges or assisting with the extension of olive branches, you can bring about a positive change in your romantic or personal world.

**Also on Tuesday****A love life through loving life**

Transiting Venus Conjuncts your natal Sun from 15th to 17th September 2020. Exact 16th September

Is it your love life that you would like to see significant improvement within – or might it be your 'love of life' that could do with an injection of optimism and energy? You're being given an exceptional chance now to put your emotional or romantic life on a firmer, more meaningful and hopefully less stressful footing.

Through your increased ability to love life, you will be well placed to get along much better with a certain person who means the world to you or, through simply being yourself, attract a special person into your world.

All you need to do is take a small but courageous step in the right direction. To be guided by that, you need only have faith in the fact that you're being helped in every way possible.

**Sunday 20<sup>th</sup>****What Money Cannot Buy...**

Venus transits your natal 2nd house from 20th September 2020 to 12th October 2020

A curious link could exist in your world now between love and money. You might believe the two are connected. Perhaps, it's your love of money that is highlighted in some way now. In any case, if you're considering making an extravagant financial gesture in the name of love, then a particular lesson might await you. We all know the cliché about money's inability to buy love. Your keenness to impress anyone or sweep someone off their feet with grand, material gestures might result in forming a close relationship – but not necessarily a loving one. Focus instead on what no sum of money could ever buy: compassion, kindness, sensitivity, and creativity. It's those qualities that need nurturing now and can help you form or strengthen a connection that is authentic and long-lasting.

**Wednesday 23<sup>rd</sup> September****The key to happiness is yours**

Transiting Venus Sextiles your natal Pluto from 23rd to 26th September 2020. Exact 25th September

It's both easy and natural for us to want what we haven't got. When we become aware of an absence, we start to identify ways in which we might be happier if only we had what is missing. The other side of the proverbial coin involves wishing something was removed from our world, believing life would be simpler and happier without it.

In your personal world now, you are being granted an exceptional opportunity to be happy. To seize and benefit from this opportunity, all you need to do is stop focusing on what might go wrong in a certain situation.

Avoid succumbing to a tendency to be overly cautious or pessimistic. If you are willing to relax and believe wholeheartedly that an uncertain situation can and will improve, then you can expect to be surprised at how much quicker happiness starts to permeate your world.

**Thursday 24<sup>th</sup>****Removing limitations**

Transiting Venus Trines your natal Neptune from 24th to 26th September 2020. Exact 25th September

Do you feel as if you've taken too much on in some way? Have you taken on too much responsibility, overstretched yourself, embarked upon a plan that you feel you might be unable to finish or embarked on something you feel you might not accomplish?

Sometimes, when we experience too much of a good thing, we forget or ignore our limitations! You are extremely well placed now to put your personal or relationship world on a much stronger footing.

You can bring about change through applying imagination. Be creative. Be imaginative. Be yourself and you can transform something that has been troublesome into something you will welcome and embrace.

**Sunday 27<sup>th</sup>****Stepping up to the plate**

Transiting Venus Squares your natal Uranus from 27th to 29th September 2020. Exact 29th September

Sometimes, we feel a need to instigate change for the sake of instigating change. Other times, we do this to send a clear message to certain people that we are in control of ourselves or situations when we believe perception exists otherwise. In your personal world now, there exists a need to create a 'mini-revolution.'

In some way, you have been restricted and held back for too long, and you're very aware of what has become unacceptable within a situation or arrangement. You're being granted an ability to express yourself now and while the urge to rebel is likely intensifying, so too is a perceived need to remove yourself entirely from an undesirable scenario.

Soon, what doesn't make sense will make sense. For now, trust how you're being challenged and all that appears awkward is helping you to re-evaluate everything. Once done, you will bring about the very change you've long wanted to see happen.

**Monday 28<sup>th</sup> September****Keep impatience at bay**

Transiting Mars Retrograde Squares your natal Ascendant from 28th September 2020 to 5th October 2020. Exact 2nd October

There is the issue surrounding how you're being pulled in various directions and encouraged to take the action you might have reservations about to alleviate unhappiness with a situation that cannot be ignored. **Saturday 10<sup>th</sup> October****Faith restoration**

Transiting Venus Sextiles your natal Mars from 10th to 13th October 2020. Exact 12th October

Sometimes, confidence is dented all too easily. We've all experienced a situation where we believe we can take on the world and any problem within it and then discover that all it takes is one unforeseen development to create a sense of fear or disbelief toward what we were so focused on originally. There are also times when we are willing to invest faith in something we cannot see or justify until we experience a similar crisis of faith.

In your personal world now, there is something you believed you were once very sure of. Now, it appears to have reservations about whatever-it-is. The good news is, very soon, your faith and confidence will be restored. The even better news is your faith and confidence look set to be higher and stronger than they were previously.

There is though, something you must do for this change to unfold. This involves bringing about a change in your romantic or emotional world that surrounds being less dutiful or beholden and being willing to inviting more joy into your world. Make that change, and you will soon be feeling rejuvenated and optimistic.

**Monday 12<sup>th</sup>****Diplomatic and Tactful**

You could be surprised at how easily you can win others over with your words and could readily offer compliments or make effective use of flattery. If someone needs a good mediator, then you could fit that bill superbly, too. If you've struggled to come up with the right words to sweep a certain person off their feet or relieve tension in a relationship, then it is definitely worth trying again now. Most people respond positively to any message conveyed with the right levels of empathy and sensitivity, and that's something you could excel at offering now.

Experienced artists know how to achieve specific hues through applying a dab of one and a dollop of another and can take pride in the fact that they've probably created something that can't be purchased in any store.

In your personal world now, you have a fantastic opportunity to create something unique and, without putting too fine a point on it, beautiful. Far less effort will be required on your part to reach agreements or have helpful discussions or meetings.

Be willing to experiment. Be receptive to exploring the depth of a feeling. If you can, then you and certain others – and one person in particular – can gel gloriously and enjoy progress of the most heart-warming variety.

**Monday 19<sup>th</sup> October****Smelling the coffee**

Transiting Venus Squares your natal Neptune from 19th to 22nd October 2020. Exact 21st October

The world is and always will be full of insensitive people. That's why it's important now that you separate yourself from such individuals. It's important to gain proper perspective and assess how far to trust one or two individuals and how much to believe what you're being told by them, and by one in particular.

Detaching yourself will also help you to identify certain flaws in a particular person that will help with a decision you need to make. You're not being encouraged to be judgmental.

You're being encouraged to, as the old saying goes, wake up and smell some coffee. To do that, you need to restrain your imagination slightly and view a certain relationship with both honesty and sensitivity. If you can do that, then you'll soon be better placed to identify a way forward.

You're about to be in a stronger and more knowledgeable position through information that will come to light shortly. Something similar happens with brainwaves. We become very used to a situation that we know is crying out for a new and exciting idea. In your personal world now, that's precisely what you can expect. Apparently, each of us possesses powers of extrasensory perception, known otherwise as ESP. Interestingly, each of us can use the powers of our intuition to see into the future. Whether it's ESP or intuition we've developed the use of, all we're ever given are glimpses into what might happen or could potentially unfold.

Similarly, in your personal world now, you're starting to get a strong inkling into what's coming next in your life. Let this motivate, inspire and guide you but don't turn it into a fixed expectation.

While you're undoubtedly becoming more psychic as well as more creative, you need to be sure that you are tuning in to your inner-voice of wisdom and not your inner-voice of fear. Your heart is in the future, tending to the best interests of the people you care about and it's beckoning to you to follow it now.

**Saturday 31<sup>st</sup>****Doing 'the right thing'**

Transiting Venus Conjuncts your natal Jupiter from 31st October 2020 to 3rd November 2020. Exact 2nd November

A mistake, they say, is only a mistake if we make it a second time. It's easy for 'them' to say that, though. We know how we feel when we make an error of judgment. We are very aware when we fail to do 'the right thing.' How often do we find that what we thought was a mistake is a blessing in disguise?

Until we can see evidence of having done 'the right thing,' we remain unconvinced. That's why, in your personal world now, you need to be more optimistic about that fact that you haven't made an error in any way. It's true that a new development is heading your direction. It's also true that a process you have set in motion is going to cause you to have to reassess certain priorities.

Where you feel powerless, you can expect strength. Where you feel uninspired, you can soon expect to feel inspired. Have faith in the fact that what you've started has begun properly despite possible appearances to the contrary and, through continuing to have faith in the fact that you have done 'the right thing,' you can expect positive progress, very soon.

In your personal or emotional world now, you're being encouraged to make the most of what you DO have available to you.

The problem is, you're struggling to make the most of what you have when you see it as a poor substitute for what you dearly want – or think you want! It's important that you don't talk yourself into a 'state of acceptance' but learn to appreciate what or who you have.

Remember that we live in a world that rewards the brave and the sincere far more than it takes care of the cautious and unimaginative. It is time to take a courageous step towards achieving a dream.

It is time to be strong, proud, daring, ambitious and, above all else, confident. If you can manage all of the above, then various natural processes now unfolding will restore your faith and spur you on to make something wonderful, heart-warming and long lasting happen.

**Thursday 5<sup>th</sup>****It's all moving forward**

Transiting Venus Sextiles your natal Sun from 5th to 7th November 2020. Exact 6th November

Depending on where we are on planet Earth, we're constantly spinning at between 700 and 900 miles per hour. If we stand still, we feel nothing. We're oblivious to how the spinning rock which we inhabit is hurtling through space at approximately 67,000 miles per hour.

So, can it not be said that even when we think nothing is happening in our world or situations show no sign of progress, we're part of a complex process that indicates otherwise? In your personal world now, you probably suspect you're standing still. You're not. You are making real and tangible progress.

You probably suspect a certain situation is far from ideal and makes little sense. Actually, it is very ideal and makes a lot of sense. This is a time to look closely at what appears imperfect and discover that there is a real reason to believe you're much closer to the desired scenario than you probably believe.

**Thursday 5<sup>th</sup> November****Give where it feels right**

Transiting Venus Opposes your natal MidHeaven from 5th to 7th November 2020. Exact 6th November

Love manifests itself on many levels. There is the love we feel for friends and family members. Then, there is the love we feel toward those we are linked with in various other ways. We often fail to consider that our love levels are self-replenishing. Where so many other resources are available in finite supply, we can always find within our hearts a further quantity when we need it.

With that in mind, in what way or ways is love you're capable of giving being directed now? It appears you have options regarding how best to 'distribute' love you can offer. To make everything simpler, trust your heart to guide you as to where your love supply is best aimed.

Trust that you don't have to be as cautious as you perhaps feel you must be with deciding who is worthy of love you can provide. Give where it feels right, and you will discover, to your delight, how loved you are in return.

**Saturday 7<sup>th</sup>****Where the Heart Is...**

Venus transits your natal 4th house from 7th November 2020 to 5th December 2020

Your idea of some quality 'you time' is likely to involve others now. Rather than immerse yourself in a comfortable world of your own creation, you could draw delightful comfort from having a special someone at your side, sharing it with you. Your home might provide a perfect setting for such companionship and offer an ideal environment to enjoy and nurture your closest relationships or one in particular now. If it's an atmosphere of peace and love you need, then there really could be no place like home to provide it now.

**Friday 13<sup>th</sup>****Trust your hunches**

Transiting Venus Sextiles your natal Neptune from 13th to 15th November 2020. Exact 15th November

Sometimes, we're our own worst enemies when it comes to being 'talked out' of doing something. We tend to ignore our intuition because we know what it's telling us is right and we struggle with hearing the truth at times. In your personal world now, a certain truth is emerging.

There is something you are feeling, about a person or situation that you cannot ignore. What you want, before taking any action are facts. You would prefer your decisions were based on logic rather than hunches.

It is important though, to trust what you're feeling. Acknowledge and respect what your hunches are telling you. When the truth does emerge, you will be able to say with confidence and honesty that you knew it already.

**Also on Friday****The power of passion**

Transiting Venus Conjuncts your natal Pluto from 13th to 15th November 2020. Exact 14th November

Passion is always attractive. So too, is confidence. Passionate and confident people will always have the ability to turn heads or attract attention, and that might explain why you're being seen in such ways now. If you're not aware of how you are radiating intensity and carrying a particular kind of power, then you will, very soon.

That's why you need to understand what or whom you're becoming so passionate about. Is your passion being expressed positively or might it be attached to a dubious or even dangerous idea?

Try to curb your enthusiasm if you can because you could be at risk of going a bit too far too quickly. But perhaps that is a risk you're willing to ignore and take!

**Sunday 15<sup>th</sup> November****Look no further than a mirror**

Transiting Venus Squares your natal Ascendant from 15th to 17th November 2020. Exact 16th November

Is there some unseen council that dictates who and what is attractive and who and what isn't? We need only look on the cover of glossy magazines to see who or what is deemed attractive and many people make such effort to measure their own attractiveness by what's socially acceptable.

You, however, don't need to measure your attractive levels – and your ability to attract – in such ways. You don't need to succumb to any pressure to meet someone else's criteria of what's attractive. In your personal world now, it's important to accept how attractive you are in the eyes of others.

Even if you wrongly believe you aren't 'measuring up' to someone else's ideas of attractiveness, have utter faith in how you are attracting very much the right attention through determination you are showing in some way. You know something or someone worth having is worth giving proper effort toward – and that, in itself, is attractive!

**Tuesday 24<sup>th</sup>****Facing what needs to be faced**

Transiting Venus Squares your natal Mercury from 24th to 26th November 2020. Exact 25th November

When we feel unable to relax, the last thing we want to hear is someone telling us to relax. After all, we have our reasons for feeling tetchy, nervous or apprehensive and believe that anyone who tries to convince us otherwise clearly is unable to grasp what we believe we understand.

There are, however, limits to how much anyone can worry. In your personal world now, it's important you accept how, through ignoring something that needs to be acknowledged, you're not coming close to creating a solution.

Through denying the existence of a problem, you also deny yourself an opportunity to take constructive action to remedy it. Deal now with what you are trying to ignore. It isn't as daunting as it appears, and life will become sweeter once you have faced what needs facing.

**Sunday 29<sup>th</sup>****Let the real you emerge**

Transiting Venus Squares your natal Sun from 29th November 2020 to 1st December 2020. Exact 30th November

There's a certain person in your world deserving of more respect than you're showing them. There's a particular individual concerned unnecessarily about how they're seen in the eyes of certain others. You know this person very well and, to discover their identity, all you have to do is look in the nearest mirror.

In your personal world, need exists for you to muster a bit more self-respect and dignity than you might be used to mustering. That doesn't mean you have a specific reason to be more self-respectful, but neither does it mean one isn't being created.

If you really want to emerge from any situation with the ability to walk tall and proud, then abandon entirely any concerns about how you look in the eyes of others. Trust what you feel to be right and don't succumb to any pressure from certain others about what you ought to be feeling.

**Sunday 29<sup>th</sup> November****Embrace long-awaited change**

Transiting Venus Trines your natal Mars from 29th November 2020 to 1st December 2020. Exact 30th November

If we watch the news any night on TV or pick up a newspaper at any time, we're given plenty of reasons to believe that the world in which we live is far from the beautiful and peaceful place it was intended to be. With little effort, we can create numerous reasons to worry about anything or identify problems and difficulties.

It's very easy to overlook or ignore completely how beautiful the world in which we live truly is. Too many people regard life as a constant struggle instead of the precious gift it is. Have you reasons to look upon your personal world with such pessimism? Are your relationships with certain people or one person in particular less than ideal or how you'd like them to be?

**Wednesday 9<sup>th</sup>****Personal popularity**

Transiting Venus Trines your natal Ascendant from 9th to 11th December 2020. Exact 10th December

You're in a superb position now to create your own 'self-image'; how you're seen in the eyes of those who know you and who, through a noticeable sense of ease and self-worth, want to know you. You don't need to go to great lengths to impress anyone.

You need only be yourself now to meet new and interesting people – and probably won't have to look very hard to identify those whose interests are of the romantic variety!

**Thursday 10<sup>th</sup> December****The importance of choosing wisely**

Transiting Venus Conjuncts your natal Uranus from 10th to 12th December 2020. Exact 12th December

The phrase 'falling in love' is a curious one. The word 'falling' implies we have little control over what we're experiencing and have no other option than invest huge amounts of faith in the fact that we'll be safe. Interestingly, we're often told to be careful about what we 'fall' for, meaning there is a risk that we could end up being deceived or duped.

In your personal world now, it's important to be careful about what – or whom – you're potentially 'falling' – or wishing - for. This isn't due to a possibility that you won't get what you want. It has much more to do with you likely attaining what or who you want only to discover that you should have been seeking something or someone else. In deciding, you needn't be specific.

Neither do you need to make grand or far-reaching plans for the future. You do, however, need to be discriminating and should you choose to pursue a particular plan or dream, be certain it feels right from the outset. An incorrect choice could result in a situation that might take you a long time to free yourself from.

To improve the situation, all you need to do is be willing to lose negativity associated with it.

If you can shake off the concern that seems intent on playing a part and weighing you down, you can make delightful progress now.

Transiting Mars Trines your natal Neptune from 15th to 21st December 2020. Exact 19th December

We want to know what we're leaping into and how safe it is before we do something so rash, but you have an excellent opportunity now to trust how leaping into the unknown can take you into unfamiliar but exciting territory.

If a relationship has become too predictable for your liking, then you can try encouraging a bit of the untried and untested into it.

If you're of the opinion that your relationships with others need a kickstart or an injection of life, then taking a chance with what's new or unorthodox could be just the tonic you need to rejuvenate whatever is need of rejuvenating.

The air of confidence and degree of attractiveness you're exuding now cannot and should not be ignored or underestimated.

But, it's all well and good that you're being seen as such an attractive option but what do you intend to do with the influence now available to you? Use it wisely. Use it effectively. Use it to draw a special person toward you or captivate one person whose attention you've wanted for some time.

In your personal world now, you might not be able to change an undesirable situation, but you can change your attitude toward it.

If you're willing to look closely at what is good in a situation you're inclined to believe is more tedious or uninspiring, then you will soon see it from a much more positive perspective.

**Saturday 19<sup>th</sup> December****Confidence is key**

In your relationship world now, you're about to experience a much-needed boost to your confidence, and this has strong implications regarding what you can make happen that you truly want to make happen.

Guard against a perceived need to use extreme measures to achieve this, though. What you're experiencing now is the result of having pushed your luck in the past. You don't need to find a big, 'new' solution. All you need to do is channel confidence into allowing an existing solution to give itself a chance to work – and it will!

**Monday 21<sup>st</sup>****Keep impatience at bay**

Transiting Mars Squares your natal Ascendant from 21st to 27th December 2020. Exact 24th December

Tension could be rife. Competition and conflict could become issues if they aren't already. If you're finding your relationship with a certain person to be strained, then there is much you can do to improve the situation, and top of the list involves keeping impatience at bay.

Letting impatience get involved could be like pouring gasoline on any flames of resentment now, and this is likely to have much to do without thinking through properly certain responses or actions. If you can't say or do something nice now, then distance yourself until you can.

**Wednesday 23<sup>rd</sup>****The secret to happiness isn't so elusive**

Transiting Venus Trines your natal Sun from 23rd to 25th December 2020. Exact 24th December

Is there a recipe for happiness? Do we need to stick to a rigid plan to be happy? In some ways, we do, but when we become too rigid to something that should be spontaneous, we lose the potential for happiness as well as some of the magic needed to create it.

In your personal world now, you have much support available to you to attain what so many people spend lifetimes trying to find or manifest – happiness!

You have a rare opportunity to experience a rise in your status in more than one person's eyes, but it is one person in particular who looks set to see you in a much different and positive way. That, in turn, will relieve pressure in a relationship where you've long wanted to experience it.

**Also on Wednesday****Bringer of harmony**

Transiting Venus Trines your natal MidHeaven from 23rd to 25th December 2020. Exact 25th December

Many people believe attack to be the best strategy to adopt when defending themselves. With some people, we can see their barriers appearing like rolling metallic doors, and when these become evident, they often encourage or prolong further confrontation.

You, however, are superbly placed to diffuse a tense situation and replace tension with friendliness and warmth. You needn't invest considerable effort with this. Simply be yourself, and it's possible you can create harmony effortlessly.

Your personal world can definitely be affected and influenced positively through a love of beauty and desire for peace and, through being instrumental in building bridges or assisting with the extension of olive branches, you can bring about a positive change in your romantic or personal world.

**Thursday 24<sup>th</sup> December****Call off the quest for perfection**

Transiting Venus Squares your natal Venus from 24th to 26th December 2020. Exact 25th December

We know nobody's perfect. We also know nothing in life is perfect, either. Even that which appears perfect has imperfections if we're prepared to find them. But why would we want to find that which isn't perfect within something that appears perfect? With that in mind, what levels of perfection are you expecting within your personal world now? Of course, your relationships with certain others will never be perfect.

That's what makes them so fascinating and intriguing. Things might not be as smooth and comfortable as you'd like them to be but the drama you sense looming on the horizon is unlikely to be anywhere near as tense, important or threatening as it appears, either.

All you need to do now to bring about a near-perfect result in your relationship world is refrain from worrying or focusing too intently on finding perfection where 'near perfection' will suffice!

**Thursday 31<sup>st</sup>****The key to happiness is yours**

Transiting Venus Sextiles your natal Pluto from 31st December 2020 to 2nd January 2021. Exact 1st January 2021

It's both easy and natural for us to want what we haven't got. When we become aware of an absence, we start to identify ways in which we might be happier if only we had what is missing. The other side of the proverbial coin involves wishing something was removed from our world, believing life would be simpler and happier without it.

In your personal world now, you are being granted an exceptional opportunity to be happy. To seize and benefit from this opportunity, all you need to do is stop focusing on what might go wrong in a certain situation.

Avoid succumbing to a tendency to be overly cautious or pessimistic. If you are willing to relax and believe wholeheartedly that an uncertain situation can and will improve, then you can expect to be surprised at how much quicker happiness starts to permeate your world.

**Also on Thursday****No second-rate substitutes here**

Transiting Venus Conjunctions your natal Neptune from 31st December 2020 to 2nd January 2021. Exact 2nd January 2021

If we're shopping and an item we want is unavailable, we tend not to be as receptive to accepting a substitute. If our heart is set on attaining a particular item, then it doesn't matter how it looks or if it serves a similar purpose, we know what we like and like what we know.

In other areas of our world, we can sometimes be a bit too quick to accept that which is a poor substitute or 'second-rate' option. In your relationship world now, you are being presented with a wonderful opportunity. You, however, could be inclined to see it as a poor alternative to what you believe your heart truly desires.

You could be inclined to shrug your shoulders and tell yourself that 'this is as good as it's likely to get' and you'd best make do with what you have available. Push aside all logic and reason. Listen to your heart and what your intuition is telling you. Then, you will soon be able to see how right what you're being offered now really is.
