Hi Kourtney,

Welcome to your Intimate Lover interpretation, please check that the birth details are correct.

This explicit and honest look at an individual's sensuality and their capacity to indulge their sexual fantasies is based on interpretations of the planets and the relationships they form within your horoscope.

The interpretation of the Sun's position signifies what making loves means to you. The Moon's position indicates the way you 'perform' each time you make love. Mercury tells us your thoughts and self-expression when making love. Venus determines what you value and need most in your lovemaking. Mars helps you understand the driving force of your sexuality. Jupiter indicates your capacity and desire for lovemaking. Saturn lets you know where you feel most awkward or inhibited. The other planets Uranus, Neptune and Pluto signify generational aspirations.

The interactions between the planets within your birth chart are called 'Aspects'. These are given a Star Rating from one to five to show their relative importance in your Intimate Lover. To the right of each pair of 'aspect' symbols is a group of five stars; the more dark stars there are the stronger the connection.

Kourtney's sexual nature

Kourtney's energy level

Fire element strong

You are not afraid to approach your sex life in an active and dynamic way, and well able to take the initiative. You react outwardly (and often spontaneously) and believe in overcoming predicaments through concerted action. You may be inclined to have a hot temperament and it's not difficult for you to be either passionate or alternatively get upset - but you calm down just as easily.

Kourtney's thoughtfulness

Air element weak

You may have difficulty in expressing yourself rationally, not having a wide-ranging view and lacking the necessary insights. Grasping the theoretical side of your sex life is something that completely evades you; with such an absence of a detached viewpoint, you can take things rather too personally and should be aware that you also get hurt fairly easily.

Kourtney's sexual temperament

Kourtney's capabilities

Cardinal modality strong

You have an imaginative, direct approach to your love-making and are quick to exploit any opportunities or openings you find. This type of approach often means you lack a degree of refinement and sensitivity. However, both mentally and physically you possess much staying power, constantly striving towards obtaining the object of your desire.

Kourtney's consistency

Fixed modality weak

You may find it difficult to focus on one particular activity and feel that any form of restriction, when applied to the way you behave, difficult to accept. Your inability to concentrate or show any form of restraint may be somewhat exasperating for others. Having any real sense of assurance and stability does not come very easily for you.

Kourtney's adaptability

Mutable modality weak

You are lacking in any great sense of subtlety and not very inclined to be as adaptable to certain situations as you might be. This can make you appear to be either rather impatient or otherwise truly oblivious to other people's sexual complexities and any unconventional conduct they may feel inclined towards or have a sexual preference for in their love-making.

Kourtney's love-making style

How others see you - the first impression you give.

Pushy

AS♈

Aries rising

You can be pushy, make the first move, get to the point fast (at times too fast), are passionate, physical, excited, in a hurry, and cool quickly after making love, but you can be ready for more soon afterwards. You often dispense with foreplay preferring the basics that lead to ultra fast orgasm, with an especially high peak. More patience and sensitivity are required to avoid turning off more hesitant, easy-going partners. For longer lasting love you should lay back and not be so forceful.

Alternative Rising Sign?

Your Ascendant falls near the cusp of the following sign, so if your birth time is an hour or so later than you have given, you could have Taurus rising.

Earthy appeal

AS♉

Taurus rising

You have a charismatic, earthy appeal; slow at first but, once aroused, you can be relentless. You have staying power, are affectionate, friendly and inclined towards slow building, intense lovemaking. You can keep going all night with an enthusiastic and inventive partner who is raring to go.

Natural - 'Close One' ★★★★★

AS♂☉

Ascendant Conjuncts Sun

Your manner is so effortless it seems you're totally in command of all you do. You have a good sense of timing and are able to make the first move with consummate ease and assurance or, if required, you could just as easily wait for a more appropriate moment to arrive.

Relentless - 'Close One' ★★★★★☆

AS☐♃

Ascendant Squares Jupiter

Completely ignoring conventional guidelines, you will go right over the top, have high expectations and desire more than is reasonable to hope for. But you should calm down with age!

What making love means to Kourtney

How you express yourself as an individual.

Keen

Sun in Aries

You like to make the first move but, eager to engage in sex, you can be a bit pushy so need to exercise a little more patience and be more deliberate in your approach. You can leave your partner exhausted and startled, wanting and needing more time and care in your lovemaking technique. Rushing for your own pleasure's sake with high passion and sex drive is OK for you - but you must be more sympathetic to your partner's needs if you do not want to frustrate them.

First House

Your sense of self-identity.

Alluring

Sun in the 1st House

You're easily noticed in a crowd, possess charm and are open and direct in your approach to others, knowing exactly what you want. You are naturally compelling and capable of achieving satisfaction without any need of the refinements of seduction.

Practice makes perfect - 'Close One' ★★★★★

Sun Squares Jupiter

Too much - or not enough? Sometimes overwhelming your lover - sometimes leaving them wanting more. It's difficult for you to get your lovemaking just right; but practice can lead to perfection!

Spell binding ★☆☆☆☆

Sun Trines Neptune

You have lofty ideas of romance; a dream lover who thrives on passionate feelings of romantic desire and sexual attraction - ever hopeful of the ultimate 'merging' with another.

The way you 'perform' when you make love

Your immediate reactions; your emotional and compassionate nature.

Seeks reassurance

Moon in Capricorn

You can be a serious and shy lover who is very uncomfortable in those lovemaking situations where spontaneous sex and exuberant reactions seem called for. You need, therefore, to be reassured by your lover, because although you can be a little slow at first, you will go all the way with plenty of love and encouragement.

10th House

What you aim to achieve.

Attention seeker

Moon in the 10th House

You strive for attention and require loads of action with a partner who willingly anticipates your needs in order to achieve ultimate satisfaction and share fully in the outcome.

Brazen - 'Close One' ★★★★★

Moon Squares Mars

Ready, willing and able, you're often 'up for it'! Trouble is; you're impulsive and inclined to act on the spur of the moment, so when your alternating moods change just as swiftly, you either orgasm too late or too soon. You're just as liable to pick a fight - when all you really want is sex!

Dependable ★★★★★

Moon Trines Saturn

You know just how to look after, and care for, your lover. You're consistent, protective and always aware, even from afar, so you'll give all that is required.

Control freak ★★☆☆☆

Moon Squares Pluto

You're liable to use sex to exert power over your partner. You are perfectly capable of controlling your own desires in order to have others do your bidding and for you to be in total command.

Kourtney's thoughts and self expression when making love

Communication skills; how you think and receive information from others.

Spontaneous

Mercury in Aries

You are a fast thinker who makes love spontaneously, indulging in activities that can be a lot of fun. Your desires are clear-cut and you don't elaborate much on your sexual technique; never lingering too long you make your mark and then move on. Try to develop your fantasies more - and don't leave your partner behind!

First House

Your sense of self-identity.

Uninhibited

Mercury in the 1st House

You ask your partner straight away what their preferences are and seek immediately to deliver in the most exacting way. You adapt willingly to new techniques, keen to get them spot on, and are dedicated to perfection.

Panache ★★☆☆☆

Mercury Conjuncts Venus

You have exceptionally good taste and are more than adequately able to express your desires. Imaginative and refined when it comes to sex, you're pleasing on the eye with a stylishness well suited to sizzling situations.

Limitless - 'Close One' ★★★★★

Mercury Trines Jupiter

You have a boundless imagination that is capable of positive and determined action. You're likely to be sensible about what's suitable to indulge in - but also open to all suggestions.

What you value and need most

How you express your emotions within personal relationships.

Fusion

Venus in Pisces

You are likely to treasure the unspoken link with your lover. You desire to melt into one with your partner, experiencing this as an uplifting revelation. You are totally unselfish, giving your all - and you want this to be reciprocated. You will thrive on fantasies about your lover, which leads to the arousal of your unbounded imagination and desires.

Twelfth House

Forces that are beyond your control; a higher power or ideal.

Mysterious

Venus in the 12th House

Your true desires are a mystery; time and care is needed before committing to a love affair. You enjoy privacy in order to explore the boundless depths of passion, love, pain, anguish and torment that for you, somehow, are exquisitely merged. You're drawn to secret affairs but you shouldn't take them too seriously.

Insatiable ★★☆☆☆

Venus Trines Jupiter

You hunger for more, take part regardless and have an 'anything goes' attitude. You're very positive about sex, know what is acceptable and enjoy it whenever possible.

Extraordinary ★★☆☆☆

Venus Trines Uranus

You have an unusual, far-ranging desire accompanied by a good sense of the limits of what's reasonable. There is also a strong craving for anything new or unconventional that can be enjoyed.

Unclear ★★☆☆☆

Venus Squares Neptune

Your vague fantasies are not easy to achieve and your lack of clarity, or unrealism, inevitably results in dissatisfaction. It is difficult for you to focus on, and bring about, your desires.

The driving force of Kourtney's sexuality

Your sex drive and stamina and the way you assert yourself and express your desires.

Energetic

Mars in Aries

You are a lover who is good at making speedy and decisive moves. You have a highly intense energy level, which can spurt rather hot and quickly, but you can just as easily fade as fast as you came. You are very easily aroused and can be just as easily satisfied. You need to practise slowing down so you can give your partner the full measure of lingering satisfaction that is yours to give them. If you cannot do it the first time, save some in reserve for next time you make love to them - and make it soon!

First House

Your sense of self-identity.

No nonsense

Mars in the 1st House

You have an energetic approach to sex, are really powerful once in motion, but are not necessarily aggressive. Choosing to be straightforward and direct with no messing about, you know what is wanted and will strive to achieve it. You are likely to stand out in a crowd.

Inhibited ★★☆☆☆

Mars Quincunx Saturn

You need to have belief and confidence in your ability to succeed and persevere with your tendency to give up too soon. You must make up your mind about what it is that you desire and then go for it.

Kourtney's capacity and desire for lovemaking

Your sense of fun, optimism, generosity and what you believe in most.

Penetrating

♃ ♋

Jupiter in Cancer

You can be a passionate and steamy lover. You tend to be protective towards your partner and require penetration in perfect privacy. When away from outside interference you can get to ecstatically high levels of sexual arousal. This passionate intensity inevitably leads to melting and all-consuming intimacy with your lover, which leaves you unavoidably and unbearably undone, with all known barriers blown away - totally spent!

Fourth House

Deep inner feelings and habits.

Big hearted

♃ 4th

Jupiter in the 4th House

You create an ample, loving environment to please partners and achieve your secret dream. The existence of a secure home enables love fantasies to grow and enthusiasm for an intimate life to become a reality.

Awkwardness or inhibitions

Your sense of responsibility and lessons you have to learn.

Disapproving

Saturn in Virgo

Your love life must be orderly, practical and full of familiar routines in order for you to feel comfortable with yourself. Be careful, however, not to let 'order' become the be-all and end-all, or you may become cold, crass and unfeeling. You are very critical of yourself and others, indeed at times quite disapproving. Try to relax a bit and allow yourself the freedom to fail once in a while.

Sixth House

The interaction of your mind and body.

Willing to learn

Saturn in the 6th House

You have a tendency to plan, and play, by certain predetermined rules but you really should learn to break free from the old and try something new for a change. Once initiated into other, more adventurous techniques, you're never likely to forget - and a patient partner would be well rewarded!

Inventiveness and spontaneity

Your imagination, initiative and ingenuity.

Enlightened

Uranus in Scorpio

Explores the mysterious depths of sexuality and is able to experiment without fear of consequences. Honestly confronting your inner feelings will be an enlightening and rewarding experience.

Eighth House

Relationships where you relate to others on a deeper, more emotional level.

Exposed

Uranus in the 8th House

You're inextricably drawn to deeply meaningful relationships, starting off reluctantly and then becoming absorbed. As a result, a great deal can be learned about your innermost desires as they rise up from hidden depths within.

Leading question - 'Close One' ★★★★★

Uranus Semisextile Neptune

A heady mixture of love and being 'under the influence' of a lover's powerful charms that leads to spiritual union. Sex is another matter - and may not be what this is about.

Dreams, fantasies and imagination

Reveals your inner ideals, expectations and creativity.

Opinions

Neptune in Sagittarius

Your opinions about what is an ideal relationship may be clouded. You imagine it should be straightforward and uncomplicated. Rather than expect others to automatically fit your norm, seek those who actually do.

Ninth House

Your depth of understanding; your more intuitive faculties.

Overwhelming

Neptune in the 9th House

You have imaginative sexual fantasies but still hang on to a belief in a romantic ideal, dreaming of love even when involved in unemotional, impersonal sex. You may often be so totally absorbed by overpowering fantasies that it could be difficult to express your true needs, but, with time, you will come to understand and achieve your dreams.

Certainty ★★☆☆☆

Neptune Sextiles Pluto

An unrelenting inner energy stimulates fantasy from one phase to the next. Satisfaction is not in the act itself, but in powerful belief.

Unconscious depths and intensity

What motivates you.

Transformer

Pluto in Libra

You are part of a generation unable to accept things as they are. Intent on improving the equality between the sexes, you will not be content until changes are brought about - regardless of the upheaval that this entails.

Seventh House

How you express yourself in your relationships and the qualities you look for in others.

Power play

Pluto in the 7th House

Your partner may dominate your sexual activity because, on a deep level you are aware of their power. Developing a role-playing game that articulates these feelings and which can be incorporated into foreplay could be a real turn on for both of you.

Preconceived ideas about Kourtney's sexuality

What you can achieve.

Staying power

MC ♄

Midheaven in Capricorn

A reputation for being cautious and conventional allows unexpected, comparatively small gestures, to make an impact. You have great staying power and should make certain you develop a more encouraging approach rather than adopting one that may discourage prospective partners.

Status ★☆☆☆☆

MC ♀ ☾

Midheaven Conjuncts Moon

You have a high profile public image that's well liked by everyone and are capable of great empathy with lovers who are sure to be at your beck and call. You love the limelight.

Curious ★★☆☆☆

MC ✎ ♃

Midheaven Sextiles Uranus

Your being known for original technique is more than just a rumour! You react well to any type of proposal involving a change, or any suggestion to try something new.
