Forecaster

Hi Barack,

Life, in common with the planets, moves in cycles and knowing when those cycles begin and end is invaluable when it comes to living your life to the full. There will not always be an exact transit or interpretation shown for every day.

As the planets move around the zodiac they form angles or 'aspects' to the planets in your birth chart. In astrology, these 'aspects' are known as 'transits' and your personal transits are interpreted in the pages that follow, together with the exact date each planet enters the orb of influence and finally exits.

Your Forecaster details the movements of the Sun, Mercury, Venus and Mars - known as the personal inner planets - that signify variations in your level of vitality and your feelings, what you value most as well as the way you think and assert yourself.

Events therefore occur in differing ways according to the natal planet positions outlined in your birth chart. There will not always be an exact transit or interpretation shown for every day.

Please note, at the beginning of your Forecaster, you will find your birth chart and aspect grid with a list of the planet aspects of your birth chart. What follows are interpretations of transiting planets and the aspects, they make to the planet positions of your birth chart.

Your Forecaster should only be used as a helpful guide. At all times, it is for you to choose the best path to follow from what is written below and develop the most positive and rewarding parts of your character.

Retrograde Motion and Why Interpretations Repeat

Sometimes you will notice the interpretation is repeated, because at certain times, when viewed from the Earth, the planet involved may appear to move backwards, then forwards over a specific period, re-creating the same 'transit' several times.

Like when 2 trains travelling in the same direction, pass one another at different speeds, the slower train when viewed from the fast one appears to go backwards. This apparent backwards motion of planets is known as 'retrograde' motion, when this occurs it is indicated by the RX retrograde symbol.

Astrologers treat triple transits quite seriously as it shows where you have an opportunity to think again about your actions before the aspect finally completes.

This is, in fact, a common event. It happens when the transiting planet goes retrograde. The transiting planet contacts the natal planet first moving forward ("direct"), then it appears to reverse direction, contacting the natal planet a second time.

Whatever began on the "first contact" may seem to reverse itself, seemingly needing to be reconsidered and re-attempted - the scheme, conversation or relationship isn't going forward as originally expected.

Then, when the retrograde is over, the transiting planet advances again ("goes direct"), and connects with the natal planet again! For this reason, Forecaster report shows the repeated time periods when they occur.

Long Term Trends

Developing or Exaggerating Trends

Jupiter trends from 6th January 2020 to 5th January 2021

November 3rd 2019 onwards to February 27th 2020

Friendships

♃11th

Jupiter transits your natal 11th house, REPEATED when retrograde from 11th August 2020 to 15th October 2020

Companionship will be of particular importance to you now, and you will become more involved in social or group activities. Working in a team effort would now benefit you more than trying to go it alone. You need to be surrounded by people so that you can learn more about yourself through them. Friends will be more supportive than usual, and could bring you luck in some way. Generosity towards friends will increase, perhaps surprising them with small gifts, throwing a party or simply by being there with a sympathetic shoulder to lean on.

January 3rd to 13th 2020

Give up the grudge

♃ ⚹ ♆

Transiting Jupiter Sextiles your natal Neptune

This is a time when very little will anger or irritate you; even if something goes wrong you will be philosophical and able to put it into perspective. You may even decide to call a truce with previously held grudges.

Good fortune may also smile upon you, perhaps through some legal matter or speculative investment. So, if a financial bonus does come your way - enjoy it!

Help and support may come from established and respectable sources, possibly from older people, or from your parents, or people in some kind of authority. Legal, insurance and tax matters should also proceed smoothly.

This is a time of learning, a time when lessons and knowledge can be absorbed more easily. Life will flow more easily and much can be accomplished with seemingly very little effort.

But don't just sit back and expect opportunities to 'drop into your lap'. You must be prepared to both look for, and create, new opportunities for yourself.

February 27th 2020 onwards to August 11th 2020

Hidden senses

♃12th

Jupiter transits your natal 12th house, REPEATED when direct from 15th October 2020 to 7th March 2021

Searching for a deeper meaning to life, mystical, metaphysical and religious matters will now attract you. You may join a group, or meet an individual, who will teach you a new philosophy or provide a more spiritual outlook. On the other hand, you may take up the role of teacher yourself. Either way, you will feel genuine sympathy for those in need and will want to help in any way you can. Just one word of warning, beware abusing alcohol or drugs.

March 11th to 25th 2020

Opportunity and luck

♃ △ ♂

Transiting Jupiter Trines your natal Mars, REPEATED when retrograde from 3rd to 19th July 2020. Exact 12th July and again when direct from 3rd to 16th November 2020. Exact 10th November

During this time, you will put others before yourself and will be seen as self-confident, sympathetic, generous and optimistic. You may devote time and energy to helping those less fortunate than yourself, or simply have a strong shoulder for a friend in need to lean on. Past grudges should now be forgiven, forgotten and well and truly buried.

This would be an excellent time to start anything new. Feeling restless, adventurous and extremely receptive to new ideas, you will now be looking to do something completely different - and whatever you do start during this time should turn out well. Business deals should be particularly profitable around now.

Freedom and a sense of independence will also be of importance to you so there will be a temptation to break free of any restrictions - be they personal or professional - which are seemingly holding you back and keeping you stuck in a rut.

However, you will be putting other people's needs before your own and will not be selfish in whatever action you take. If you are going to break free, then it will be done in such a way as to consider other's feelings. In fact, during this time, new exciting and unusual friendships could be formed.

Some pleasant news or a small, unexpected, windfall may also come your way as a sort of 'thank you' for a past kindness; long forgotten by you, but not by the recipient. All good things come to those who truly deserve them!

March 30th 2020 onwards to April 19th 2020

Opportunities

♃ ☌ ♄

Transiting Jupiter Conjuncts your natal Saturn, REPEATED when retrograde from 6th to 27th June 2020. Exact 18th June and again when direct from 20th November 2020 to 1st December 2020. Exact 26th November

Start of new 11-12 year period of 'structure in your life'

During this period you will have an irresistible desire to expand your horizons. You will try to break free of any limitations and unendurable restrictions that up until now have been holding you back. Growth and expansion will be your keywords and you will be prepared to work with much more energy and enthusiasm than usual towards reaching personal goals and ambitions; moving a few steps closer to making your dreams come true.

Depending on your current circumstances, you will literally either have to re-assert your individuality and break free of negative influences or, if you are satisfied with the current state of play in your life, you will find a way to expand and grow within your present lifestyle. Either way, some radical changes are likely.

This is a time when you are likely to reap the rewards of positive past actions and events. Business and career matters are particularly highlighted, with travel connected to business likely. Similarly, you may now be considering a change of jobs, or a move up the career ladder in your present employment.

December 8th to 18th 2020

Pooled resources

♃ ⚹ MC

Transiting Jupiter Sextiles your natal MidHeaven

Because of your good sense of fun, enthusiasm and willingness to co-operate and pool resources with others, help, support and new opportunities will come from unexpected sources. Your talents and abilities will be noticed, especially by people in authority. Your own previous generosity is now likely to be returned.

Business deals and financial transactions should now work to your advantage. Contracts and agreements are likely to be negotiated without delays and proceed smoothly through to completion. This could therefore be an extremely profitable time to make major purchases or investments. Cash flow should also, finally, improve.

This could also be an excellent time to plan for the future because no minor details will escape your notice. You may decide to embark on a new field of study, or retrain for a completely different career. In any case, you will probably feel an insatiable need to learn as much as you can.

You may find yourself dealing with the public much more than usual during this time, so be confident, because the outcome could be extremely successful.

Expect some contact from abroad, perhaps from family or friends living overseas. They may even surprise you with a visit or phone call!

December 17th to 27th 2020

Good fortune

♃ ☌ ♃

Transiting Jupiter Conjuncts your natal Jupiter

Start of new 11-12 year period of 'growth and development'

These next few weeks could be an extremely fortunate period for you, both on a material level and with regard to personal understanding and growth.

Significant changes are likely during this new Jupiter cycle, but mostly because of your own deeper understanding of what you want and expect from life. Some good should now occur; it may be a person or an event that triggers the challenging and exciting opportunities that should present themselves to you. Look forward to the increased freedom that should allow you to follow your dreams and tread your own individual path.

If Lady Luck does smile upon you, then be prepared to share some of your good fortune. The more you give, the more you are eventually likely to gain.

Expect some contact from abroad, either in personal or business matters.

December 24th 2020 onwards to January 2nd 2021

Feeling confident

♃ ☌ ☿

Transiting Jupiter Opposes your natal Mercury

Keep hold of your purse strings because there could be an expensive time ahead! Confidence will be your keyword - you will feel as if you can handle anything. No job will seem too big to tackle. The only problem is that bubbling over with overconfidence could land you in hot water! Don't promise more than you can deliver - and don't spend more than you can afford to.

If entering into financial or business negotiations - then make sure you take professional advice. Someone will have to read the small print!

Also, don't become a 'know-it-all'. A certain element of arrogance could prevent you from listening to the other person's point of view. Be aware of this possibility and keep a level headed balance when voicing opinions.

Another word of warning; be careful not to over-extend or over-commit yourself. No matter how much you think you can handle, you are only human and you will get tired from time to time. Make sure that you allow yourself plenty of time for rest and relaxation.

You will not be in the mood to take life too seriously during this time - so important decisions should be temporarily postponed until you feel more self-assertive and more committed to action rather than daydreams.

December 29th 2020 onwards to January 7th 2021

Good news time

♃ △ ☽

Transiting Jupiter Trines your natal Moon

Feeling protective and nurturing towards loved ones, this should be an extremely pleasant period for all family and personal relationships. You should be feeling very easygoing, kind, considerate, generous and most of all - loving. Sharing the brighter, warmer, more affectionate side of your nature will come easily and naturally.

Some kind of good fortune or financial bonus may also improve your standard of living. Women, in particular, are likely to bring you good luck or good news during this time.

As you will be feeling so loving towards friends, lovers and family, why not consider taking a holiday now with someone you love? Or, if you can't get away, maybe the holiday will come to you as you could get surprise visitors from abroad - perhaps even family you haven't seen for a long time.

Steadying or Challenging Trends

Saturn trends from 6th January 2020 to 5th January 2021

December 9th 2019 onwards to February 22nd 2022

Fine tuning

♄12th

Saturn transits your natal 12th house

You may be more suspicious than usual of other people's motives. You may even feel the need to completely withdraw from others in order to realign mind, body and soul, but those who do not know you well may feel they are being rejected. This is also a time when you are likely to get rid of anything that restricts your freedom or limits you. You may find it difficult to make a commitment to anyone or anything out of a fear of losing your own individuality. If you can find the courage for some honest self evaluation, and get to the root of what is really bothering you, then you will find or rediscover the courage of your convictions.

January 1st to 19th 2020

Endurance test

♄ △ ♂

Transiting Saturn Trines your natal Mars

During this period you will be capable of extremely hard work, concentrating a great deal of energy and drive towards achieving goals and ambitions. You will be able to see the whole picture, fitting many small details into an overall picture - much like putting together a jigsaw puzzle.

Interference will not be tolerated, but all your actions and thoughts will be controlled and well thought out. If there is hard work to be done, then a combination of energy, self assertion and aggression will enable you to complete what you set out to do. In short, you will give everything your very best shot.

During this period you will be capable of tackling any work that needs precision and attention to detail. Patience will be your keyword as you work slowly, but surely, towards your goals. You are on your way up - and that is exactly where you intend to stay!

Long standing difficulties and problems should finally be resolved because you will see them in a new light and, through careful attention to detail, you will come up with unique and original answers.

Competitors will be left standing as you shoot ahead into the fast lane. This could cause a few problems as colleagues who are left behind in a cloud of dust (and even people in authority above you) may start to see you as some kind of threat. But they will find you a strong and relentless opponent. This is certainly a time when any obstacles or setbacks can be conquered.

January 24th 2020 onwards to February 11th 2020

'The Saturn return'

♄ ☌ ♄

Transiting Saturn Conjuncts your natal Saturn, REPEATED when retrograde from 23rd August 2020 to 2nd November 2020. Exact 28th September

Start of a new 29.5 year cycle of 're-structuring'

A time of tremendous importance, happening every 29 years: the First Return at the age of 29, the Second Return around the age of 58, and the Third Return at around 85-87. Each of the 'Returns' has a special significance in your life.

The first two times is generally a time of change or upheaval, a time of new beginnings and the dawning of maturity. Therefore the coming few months will also be a time of testing, a testing of your own strength and willpower. It could also represent the successful culmination of many years hard work.

You will now have to quench an insatiable thirst for new experiences so expect changes in your lifestyle, changes perhaps in your relationships, family life or career. Many people during this period find themselves in new jobs, new homes or with new babies! Others will throw caution to the wind, sacrificing stable and secure lifestyles to follow their dreams.

Think back over the past six months and you will see that the winds of change have gradually increased in strength - blowing away anything that is no longer of consequence or use to you. For some, the losses may seem painful, but in months to come you will emerge a stronger, more mature and more confident individual. It is important not to hold onto the past - but to look and plan for the future, as you want it to be, not as others want it to be for you.

At the age of 85, the Saturn Return represents a time of wisdom and maturity - but it could again cause upheaval and change.

February 26th 2020 onwards to March 20th 2020

Upwardly mobile

♄ ⚹ MC

Transiting Saturn Sextiles your natal MidHeaven, REPEATED when retrograde from 2nd to 30th July 2020. Exact 17th July and again when direct from 24th November 2020 to 15th December 2020. Exact 5th December

This is a time when you will become upwardly mobile, especially in terms of career advancement - a time of steady climbing through the ranks to the top. Friends, parents and people in authority will notice your discipline, determination and effort and will therefore help you move along to that next important stage in your professional life.

This should be a time of accomplishment with much energy and enthusiasm being devoted to the pursuit of dreams and ambitions. However, do make sure that you are fulfilling your own ambitions and not someone else's dreams. This could also be a time of steady stability and security in your home and personal life. You may even find yourself continuing or carrying on an old family tradition in some way.

March 19th 2020 onwards to April 29th 2020

Expanding horizon

♄ ☌ ♃

Transiting Saturn Conjuncts your natal Jupiter, REPEATED when retrograde from 21st May 2020 to 3rd July 2020. Exact 17th June and again when direct from 14th December 2020 to 2nd January 2021. Exact 24th December

Start of a new 29.5 year cycle of 'disciplined growth'

During this period you may have an irresistible desire to expand your horizons with the likelihood that you will try to break free of any limitations and unendurable restrictions that, up until now, have been holding you back.

Alternatively, growth and expansion will be your keywords. Being prepared to work with much more energy and enthusiasm than usual towards reaching personal goals and ambitions, you will try to move a few steps closer to making your dreams come true.

Depending on your current circumstances, you will literally either have to re-assert your individuality and break free of negative influences or, if you are satisfied with the current state of play in your life, you will find a way to expand and grow within your present lifestyle. Either way, some radical changes are likely.

This is a time when you could reap the rewards of positive past actions and events, but patience, hard work and discipline is required. Business and career matters are particularly highlighted, with travel connected to business likely.

Similarly, you may now be considering a change of jobs, or a move up the career ladder in your present employment, a change of residence, or some sort of financial change (this is not necessarily being positive).

April 12th 2020 onwards to June 7th 2020

'Vicious circle'

♄ ☍ ☿

Transiting Saturn Opposes your natal Mercury

Worrying too much could create problems, which should not have existed in the first place. A negative mental outlook could cause you to emanate a black cloud of depression. As others, even close loved ones, will not want to be infected by this doom and gloom - they are likely to avoid you, causing even more depression. It could become a 'vicious circle' - but one that you can break out of if you are aware of what is happening.

Professional and personal ideas and plans may be blocked. It may seem that no matter which path you take - the road has been blocked. Delays in communication are likely, for example, a letter or payment may be delayed or lost in the post, or you may find yourself endlessly waiting for some kind of reply via a telephone call or letter. This could lead to frustration and anger.

Perhaps it is time to take a completely new direction in your life. Perhaps it is time to discard anything that is no longer of any use or value to you and remember that all endings have new beginnings.

Take care not to overwork during this time. Emotional and physical exhaustion could lead to ill health.

Emergent or Disorderly Trends

Uranus trends from 6th January 2020 to 5th January 2021

March 11th 2019 onwards to June 15th 2025

Originality

♅ 3rd

Uranus transits your natal 3rd house

Your perceptions will now be sharp and you will be interested in learning all manner of new things. Able to rapidly absorb and examine information, you will now pick up on information that others overlook. If you have to make snap decisions, then your intuition should help fill in the gaps and lead you down the right path. There is also the possibility of surprises or changes regarding short journeys, brothers, sisters or local residents.

November 29th 2019 onwards to February 19th 2020

'Overload'

♅℞ □ ☿

Transiting Uranus Retrograde Squares your natal Mercury

Your mind will be like quicksilver during this period - restless and constantly flitting back and forth between dozens of different ideas and projects. It is no wonder that this could cause mental confusion and exhaustion! Be careful, too, that you don't jump to conclusions, accusing others without enough evidence.

Important personal and business decisions should be postponed until you are less impulsive and more practical in your way of behaving - it would also help if you could concentrate on the matter in hand for longer than 10 minutes at a time! This is not a time to make changes in your life - if anything; you should keep your head down and out of the firing line!

Frazzled nerves could be the result of 'overloading' the system. If your body starts to send out warning signals then don't ignore them - treat your health with the respect that it deserves.

Avoid accidents and injuries, especially whilst on journeys - so care must be taken when driving or operating other heavy machinery.

Rest and relaxation are the order of the day and, if you can, try a little bit of meditation too, anything in fact, that will help soothe raw nerves and prevent a major mental 'overload'.

December 22nd 2019 onwards to January 28th 2020

Whirlwind romance

Transiting Uranus Retrograde Sextiles your natal Venus

Whirlwind and impulsive love affairs could suddenly start and end all within a few short weeks. You will want more freedom in your life. Rules may be broken; but you will thoroughly enjoy yourself along the way! Wanting to escape humdrum daily routine, you will be in search of excitement and adventure during this time - and you are likely to find it!

You may find yourself involved in unusual and unexpected personal, social and professional situations. This is a time when you are likely to make the very best out of sudden, exciting opportunities - either in business, friendship or love. The people that you meet during this time will be very different from your usual social circle.

Feeling carefree, energetic and spontaneous, you will dazzle everyone around you! With life's fortune turning to your advantage, nothing could upset you whilst you are feeling so high.

Unexpected travel is also likely - again either in your personal or professional life. Journeys are likely to be carefree, happy and possibly lucrative.

April 14th 2020 onwards to May 20th 2020

Unexpected opportunities

Transiting Uranus Trines your natal Pluto, REPEATED when retrograde from 17th November 2020 to 10th March 2021. Exact 20th December

Planetary aspects affecting you now indicate some degree of leadership qualities - you will be able to work as a manager or team leader, with enthusiasm and motivation that will be contagious. Others will both respect and understand your opinions and actions.

This is a time in your life to make any necessary changes, without pain. If these same changes are forced upon you at a later time, against your will, you may consider them far more disruptive to your life - and may fight against them.

You will be creating situations which will bring much more fun, excitement and interest into your daily routine and you are likely to find yourself doing things or meeting people that you've only dreamt of in the past. You will feel ready for anything!

Take advantage of any sudden and unexpected opportunities - they may be just the chance you've been waiting for! Don't dither - now is the time to be quick and decisive - be willing to take a few risks, grab the opportunities and make the best of them before they disappear! Travel is likely during this time.

May 13th 2020 onwards to June 23rd 2020

Thrown off balance

♅ ☍ ♆

Transiting Uranus Opposes your natal Neptune, REPEATED when retrograde from 7th October 2020 to 27th November 2020. Exact 2nd November

Peculiar moods and unpredictable emotions could cause bewilderment, strain and tension. You will now be thrown off balance by unexpected events and changes - and your sense of reality could be turned inside out. Hidden secrets may be revealed. Goals, ambitions and future plans may suddenly become confused and irrelevant.

Although you will now be drawn to the mystical and religious side of life, avoid foolhardy psychic and psychological experiments - they will only add to the confusion; as will an excess of alcohol and illicit drugs. This is not a time to put too much trust in others - especially those you don't know very well. You could become the victim of deceit and dishonesty.

Sometimes a time of reckoning - a time to come to terms with your life so far and how well you've integrated the physical and mystical side of life. If one has been ignored for the other - then you still have time to make amends and redress the balance.

Sudden financial difficulties could concern inheritance, insurance or tax matters.

Making You Aware or Wearying Trends

Neptune trends from 6th January 2020 to 5th January 2021

December 28th 2006 onwards to April 6th 2023

Impressionable

♆ 1st

Neptune transits your natal 1st house

You may now choose to view life through rose tinted glasses or possibly have difficulty in establishing a sense of self-identity. Meditation or psychotherapy would be helpful. There is also a danger of turning to hard drugs or alcohol to alleviate the harsher realities of life. This is not a good time to gamble or make financial investments. Nevertheless, at its most positive, this should be good time for those in the caring or helping professions as the sensitivity of Neptune will allow you to have compassion with others. Neptune may also surrounded you in a cloud of mystery, which others may find enigmatic, alluring and attractive.

Renewing or Deteriorating Trends

Pluto trends from 6th January 2020 to 5th January 2021

November 1st 2018 onwards to April 15th 2034

New light

♇ 12th

Pluto transits your natal 12th house

This is a time to eliminate anything unnecessary in your life to make way for the new. You will probably find that you can make something positive out of a crisis and that each experience will make you stronger and more aware of your inner needs and goals in life. You may now suppress inner fears, some of which may have resulted from painful past experiences. Meditation or psychotherapy could be of benefit.

December 4th 2019 onwards to February 5th 2020

Delving deep

♇ △ ♂

Transiting Pluto Trines your natal Mars, REPEATED when retrograde from 21st July 2020 to 11th December 2020. Exact 14th September

You are likely to be much more independent, confident and self reliant now with ambition and a sense of enterprise enabling you to take bold steps forward. Logic and intuition will be well balanced, creating a greater self-understanding of your own motives and goals in life.

It is time to discard anything that is no longer of use to you; old worn out items, memories, feelings from the past which may, up until now, have prevented you from getting in touch with your deepest feelings and emotions. This is your chance to inject some fresh sparkle and meaning into your life, to start afresh and look to the future.

As your mind will be so intuitively sharp, this would also be an excellent time to involve yourself in any form of research or investigation. Not content with superficial answers to questions, you will delve deeply in order to unearth and understand the truth. You may now come across some secret information previously hidden from you. In any case, the answers that you find may completely change your attitude to life and your way of thinking.

Any work that you undertake now may in some way be connected to rebuilding, i.e. redecorating, refurbishing, etc. However, it could also relate to a subtler rebuilding of your inner self, or a restructuring of your daily life, routine and relationships. Expect significant changes in your life during this time.

March 2nd 2020 onwards to June 19th 2020

Intriguing conduct

♇℞ ☌ ♄

Transiting Pluto Retrograde Conjuncts your natal Saturn

Once in a lifetime start of a new 'cycle of stability'

Unpredictable actions may be the catalyst for extreme changes being made in your life during this time. This is a time of endings and new beginnings. You may also be somewhat secretive in your plans and projects. However, too much intrigue could be your undoing.

Think back over the past six months and you will see that the winds of change have gradually increased in strength - blowing away anything that is no longer of consequence or use to you. For some, the losses may seem painful but in months to come you will emerge a stronger, more mature and more confident individual. It is important not to hold onto the past - but to look and plan for the future a future that you will control, not as others want it to be for you.

In business it is time to wind up projects and deals that have just been staggering along. It is time to cut your losses and concentrate on new contracts and propositions. The same goes for love affairs and personal relationships. Stable, happy and secure relationships will not be affected at this time, but outworn negative relationships will more than likely disintegrate.

You may also become more involved in religious or political issues during this time.
